Paris, Tokyo, 22 September 2008

Notice

On September 16, 2008, the Board of Directors of Société Générale took the decision to delist the Company’s common stock from the Tokyo Stock Exchange, Inc. (“TSE”).

This decision takes account of the small trading volumes of Société Générale shares on the TSE in recent years. The impact of the delisting from TSE on Japanese investors should be limited in light of Japanese investors’ access to EuroNext Paris, where the Group is listed.

The Company will submit the delisting application to the TSE before the end of 2008. Once the delisting is decided by the TSE, the Shares will be designated as “securities to be delisted” and in principle be delisted one month after such decision.

The delisting will not have any impact on business activities of SG Group companies in Japan.

Société Générale is and will continue to be a premier market participant on the TSE and remains strongly committed to Japan, where it has been present for 35 years.
