

INFORMATION ABOUT THE CONSOLIDATION SCOPE AND SIGNIFICANT EQUITY INVESTMENTS AT 31 DECEMBER 2022

The regulation of the French Authority of Accounting standards n°2016-09 of December 2nd, 2016 imposes to the companies establishing their consolidated accounts according to the International Financial & Reporting Standards such as adopted by the European Union, the publication of information relative to companies included in their consolidation scope, to companies not included in this scope as well as to equity investments presenting a significant character.

1 - Entities included in the consolidation scope

The consolidation scope includes subsidiaries and structured entities under the Group's exclusive control, joint arrangements (joint ventures and joint operations) and associates whose financial statements are significant relative to the Group's consolidated financial statements, notably regarding Group consolidated total assets and gross operating income.
