Under the Euro Medium Term Note Programme (the **Programme**) described in this base prospectus (the **Base Prospectus**), Société Générale SFH (the **Issuer**), a *société anonyme* (public limited company) incorporated under French law duly licensed as a specialised credit institution (*établissement de crédit spécialisé*) with the status of *société de financement de l'habitat* (**SFH**) delivered by the *Autorité de contrôle prudentiel et de résolution* (the **ACPR**). In its capacity as SFH, the Issuer is governed by Articles L.513-1 *et seq.* of the *Code monétaire et financier* (the **French Monetary and Financial Code**), as amended from time to time, in particular as they have been amended by the relevant provisions of the decree-law (*ordonnance*) no. 2021-858 dated 30 June 2021 which implements under French law Directive (EU) no. 2019/2162 of the European Parliament and of the Council dated 27 November 2019 on the issue of covered bonds and covered bond public supervision amending Directives 2009/65/EC and 2014/59/EU, as amended (the **Covered Bonds Directive**). Subject to compliance with all relevant laws, regulations and directives, the Issuer may from time to time issue under this Programme obligations de financement de l'habitat (**OFH**) to be governed either by French law or German law (respectively, the **French Law Notes** and the **German Law Notes** and together, the **Notes**) within the meaning of Article L.513-30, I of the French Monetary and Financial Code. All French Law Notes and German Law Notes will benefit from the statutory *privilège* (priority right of payment) created by Article L.513-11 of the French Monetary and Financial Code (the **Privilège**), as more fully described herein.

This Base Prospectus constitutes a base prospectus for the purposes of Article 8 of Regulation (EU) 2017/1129, as amended (the **Prospectus Regulation**). This Base Prospectus received the approval no. 25-302 on 16 July 2025 from the *Autorité des marchés financiers* (the **AMF**) and shall be in force for a period of one (1) year as of the date of its approval by the AMF, provided that it is completed by any supplement, pursuant to Article 23 of the Prospectus Regulation following the occurrence of a significant new factor, a material mistake or a material inaccuracy relating to the information contained (or incorporated by reference) in this Base Prospectus which may affect the assessment of an investment in the French Law Notes. The obligation to supplement this Base Prospectus in the event of a significant new factor, material mistake or material inaccuracy does not apply when this Base Prospectus is no longer valid.

This Base Prospectus has been approved by the AMF as competent authority in France under the Prospectus Regulation. This Base Prospectus is only relevant for the French Law Notes. The AMF only approves this Base Prospectus as meeting the standards of completeness, comprehensibility and consistency imposed by the Prospectus Regulation. Such approval should not be considered as an endorsement of either the Issuer or the quality of the French Law Notes that are the subject of this Base Prospectus and investors should make their own assessment as to the suitability of investing in the French Law Notes.

An application may be made (i) to Euronext Paris within a period of twelve (12) months after the date of approval by the AMF on the Base Prospectus in order for French Law Notes issued under the Programme to be admitted to trading on the regulated market of Euronext Paris (**Euronext Paris**), and/or (ii) to the competent authority of any other Member State of the European Economic Area for French Law Notes issued under the Programme to be admitted to trading on a Regulated Market (as defined below) in such Member State. Euronext Paris is a regulated market for the purposes of Directive 2014/65/EU dated 15 May 2014 on markets in financial instruments, as amended from time to time, appearing on the list of regulated markets published by the European Securities Markets Authority (the **ESMA**) on its website (each, a **Regulated Market**). French Law Notes issued under the Programme may also be unlisted or listed and/or admitted to trading on any other stock exchange, including any other Regulated Market. The relevant final terms (a form of which is contained herein) in respect of the issue of any French Law Notes (the **Final Terms**) will specify whether or not an application will be made for such French Law Notes to be listed and/or admitted to trading and, if so, the relevant Regulated Market(s) or stock exchange(s) where the French Law Notes will be listed and/or admitted to trading. The German Law Notes will neither be admitted to trading nor listed on any Regulated Market(s) or stock exchange(s).

French Law Notes may be issued either in dematerialised form (**Dematerialised Notes**) or in materialised form (**Materialised Notes**) as more fully described herein.

Dematerialised Notes will at all times be in book-entry form in compliance with Articles L.211-3 *et seq.* and R.211-1 *et seq.* of the French Monetary and Financial Code. No physical documents of title will be issued in respect of the Dematerialised Notes. Dematerialised Notes may, at the option of the Issuer, be (i) in bearer form (*au porteur*) inscribed as from the issue date in the books of Euroclear France (acting as the central depository) which shall credit the accounts of the relevant Account Holders (as defined in the section entitled "Terms and Conditions of the Notes - Form, Denomination, Title and Redenomination") including Euroclear Bank SA/NV (**Euroclear**) and the depository bank for Clearstream Banking, S.A. (**Clearstream**), or (ii) in registered form (*au nominatif*) and, in such latter case, at the option of the relevant Noteholder (as defined in the section entitled "Terms and Conditions of the Notes - Form, Denomination, Title and Redenomination"), in either fully registered form (*au nominatif pur*), in which case they will be either inscribed in an account maintained by the Issuer or by a registration agent (appointed in the relevant Final Terms) acting on behalf of the Issuer, or in administered registered form (*au nominatif administré*), in which case they will be inscribed in the accounts of an Account Holder designated by the relevant Noteholder.

Materialised Notes will be in bearer materialised form only and may only be issued outside France. A temporary global certificate in bearer form without interest coupons attached (a **Temporary Global Certificate**) will initially be issued in relation to the Materialised Notes. Such Temporary Global Certificate will subsequently be exchanged for definitive Materialised Notes with, where applicable, coupons for interest or talons attached, on or after a date expected to be on or about the fortieth (40th) day after the issue date of the Notes (subject to postponement as described in the section entitled "Temporary Global Certificate in respect of Materialised Notes") upon certification as to non-U.S. beneficial ownership as more fully described herein. Temporary Global Certificates will (a) in the case of a Tranche (as more fully described herein) intended to be cleared through Euroclear and/or Clearstream, be deposited on the issue date with a common depository for Euroclear and Clearstream, and (b) in the case of a Tranche intended to be cleared through a clearing system other than or in addition to Euroclear and/or Clearstream or delivered outside a clearing system, be deposited as agreed between the Issuer and the relevant Dealer(s) (as defined below). German Law Notes will be issued in materialised registered form only.

Notes to be issued under the Programme are expected to be rated AAA by Fitch Ratings Ireland Limited (**Fitch Ratings**) and Aaa by Moody's France S.A.S. (**Moody's** and, together with Fitch Ratings, the **Rating Agencies** and each a **Rating Agency**). The rating of the Notes will be specified in the relevant Final Terms. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning Rating Agency without notice. As of the date of this Base Prospectus, each of the Rating Agencies is established in the European Union and registered under Regulation (EC) no. 1060/2009 dated 19 September 2009, as amended (the **EU CRA Regulation**). Each of the Rating Agencies is included in the list of registered credit rating agencies published by the ESMA on its website (<https://www.esma.europa.eu/credit-rating-agencies/cra-authorisation>) in accordance with the EU CRA Regulation. Fitch Ratings and Moody's are not established in the United Kingdom and are not registered in accordance with the EU CRA Regulation as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (the **EUWA**) (the **UK CRA Regulation**). However, the ratings of the Notes to be issued under the Programme are expected to be endorsed by Fitch Ratings Ltd and Moody's Investors Service Ltd, in accordance with the UK CRA Regulation. As such, the ratings issued by Fitch Ratings and Moody's may be used for regulatory purposes in the United Kingdom in accordance with the UK CRA Regulation. In general, UK regulated investors are restricted from using a rating for regulatory purposes if such rating is not issued by a credit rating agency established in the UK and registered under the UK CRA Regulation or (1) the rating is provided by a credit rating agency not established in the UK but is endorsed by a credit rating agency established in the UK and registered under the UK CRA Regulation or (2) the rating is provided by a credit rating agency not established in the UK which is certified under the UK CRA Regulation.

Notes to be issued under the Programme are eligible for being included in the list of obligations de financement de l'habitat that are entitled to use the "European Covered Bond (Premium)" label (*label "obligation garantie européenne de qualité supérieure"*). Such eligibility has been subject to prior approval and supervision of the ACPR and verification by the Cover Pool Monitor that the conditions are satisfied. No representation is however made or assurance given that any Notes will remain allowed to use the "European Covered Bond (Premium)" label until their Maturity Date.

See section entitled "**Risk Factors**" for certain information relevant to an investment in the Notes to be issued under the Programme.

This Base Prospectus has been approved by the AMF, in its capacity as competent authority under Regulation (EU) 2017/1129. The AMF has approved this Base Prospectus after having verified that the information it contains is complete, coherent and comprehensible within the meaning of Regulation (EU) 2017/1129. The approval does not imply the verification of the accuracy of this information by the AMF.

This approval should not be considered as an endorsement of the Issuer and of the quality of the French Law Notes described in this Base Prospectus. Investors should make their own assessment as to the opportunity of investing in such French Law Notes.

The Base Prospectus has been approved on 16 July 2025 and is valid until 16 July 2026 and shall be, within that period and pursuant to Article 23 of Regulation (EU) 2017/1129, completed by a supplement to the Base Prospectus in the event of new material facts or substantial errors or inaccuracies. The Base Prospectus has received the following approval no. 25-302.

The approval no. 25-302 granted by the AMF on 16 July 2025 to this Base Prospectus is only applicable for Notes admitted to trading or listed on Euronext Paris which are the French Law Notes, and is not relevant, in any case, for German Law Notes, as German Law Notes will not be admitted to trading nor listed on any market or stock exchange.

This Base Prospectus (together with any supplement thereto that may be published from time to time), constitutes a base prospectus for the purposes of Article 8 of the Prospectus Regulation and contains or incorporates by reference all necessary information concerning the Issuer which is material to an investor for making an informed assessment of the assets and liabilities, profits and losses, financial position and prospects of the Issuer, the rights attached to the Notes and the reason for the issuance and its impact on the Issuer, as well as the base terms and conditions of the French Law Notes to be issued under the Programme. The terms and conditions applicable to each Tranche (as more fully described herein) not contained herein (including, without limitation, the aggregate nominal amount, issue price, redemption price thereof, and interest, if any, payable thereunder) will be determined by the Issuer and the relevant Dealer(s) at the time of the issue on the basis of the then prevailing market conditions and will be set out in the relevant Final Terms.

This Base Prospectus should be read and construed in conjunction with (i) any document and/or information which is incorporated by reference, including any future financial information (see section entitled "*Documents incorporated by reference*"), (ii) any supplement thereto that may be published from time to time and (iii) in relation to any Tranche of Notes, the relevant Final Terms. Other than in relation to the documents which are deemed to be incorporated by reference (see section "*Documents incorporated by reference*"), the information on the websites to which this Base Prospectus refers does no form part of this Base Prospectus unless that information is incorporated by reference into the Base Prospectus and has not been scrutinized or approved by the competent authority.

This Base Prospectus (together with any supplement thereto that may be published from time to time) may only be used for the purposes for which it has been published.

No person is, or has been, authorised to give any information or to make any representation, other than those contained or incorporated by reference in this Base Prospectus, in connection with the issue or sale of the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer, the Arranger or any of the Dealers (as defined in the section entitled "*General description of the Programme*"). Neither the delivery of this Base Prospectus nor any sale made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer since the date hereof or the date upon which this Base Prospectus has been most recently supplemented or that there has been no adverse change in the financial position of the Issuer since the date hereof or the date upon which this Base Prospectus has been most recently supplemented, or that any other information supplied in connection with the Programme is correct as at any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

The distribution of this Base Prospectus, including any supplement thereto, any Final Terms, any offering materials under the Programme and the offering or sale of Notes in certain jurisdictions may be restricted by law. The Issuer, the Arranger and the Dealer(s) do not represent that this Base Prospectus may be lawfully distributed, or that any Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such a distribution or offering. In particular, no action has been taken by the Issuer, the Arranger or the Dealer(s) which is intended to permit a public offering of any Notes or distribution of this Base Prospectus in any jurisdiction where action for that purpose is required other than in compliance

with Article 1.4 of the Prospectus Regulation. Accordingly, no Notes may be offered or sold, directly or indirectly, and neither this Base Prospectus nor any offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession this Base Prospectus, including any supplement thereto, any Final Terms, any offering materials under the Programme, may come must inform themselves of, and observe, any such restrictions on the distribution of this Base Prospectus and on the offering and sale of Notes. In particular, there are restrictions on the distribution of this Base Prospectus and on the offer or sale of the Notes in the United States of America, the European Economic Area (including Germany, France and Italy), the United Kingdom and Japan.

The Notes have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the *Securities Act*) or with any securities regulatory authority of any state or other jurisdiction of the United States. The Notes may include Materialised Notes in bearer form that are subject to U.S. tax law requirements. Subject to certain exceptions, the Notes may not be offered, sold or (in the case of Materialised Notes), delivered within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the Securities Act (*Regulation S*)), or in the case of Materialised Notes, United States persons (as defined in the U.S. Internal Revenue Code of 1986, as amended). The Notes are being offered and sold only outside the United States to non-U.S. persons in reliance on Regulation S. The Permanently Restricted Notes (as defined below) may not at any time be offered, sold, resold, traded, pledged, redeemed, transferred or delivered, directly or indirectly, in the United States or to, or for the account or benefit of, any U.S. person, and any offer, sale, resale, trade, pledge, redemption, transfer or delivery made, directly or indirectly, within the United States or to, or for the account or benefit of, a U.S. person will not be recognised. Permanently Restricted Notes may not be legally or beneficially owned at any time by any U.S. person and accordingly are being offered and sold only outside the United States to persons that are not U.S. persons in reliance on Regulation S. By its purchase of a Permanently Restricted Note, each purchaser will be deemed to have agreed that it may not resell or otherwise transfer any Permanently Restricted Note held by it except outside the United States in an offshore transaction to a person that is not a U.S. person.

Non-U.S. Registered Notes means German Law Notes and/or Dematerialised French Law Notes sold exclusively outside the United States in reliance on Regulation S and permanently restricted from sale, transfer or delivery in the United States or to a U.S. person.

Permanently Restricted Notes means Non-U.S. Registered Notes and/or any other German Law Notes and/or Dematerialised French Law Notes which are designated in the Final Terms to be Permanently Restricted Notes.

For a description of these and certain other restrictions on offers, sales and transfers of the Notes and on the distribution of this Base Prospectus, see section entitled "*Subscription and Sale*".

PRIIPs / IMPORTANT – PROHIBITION OF SALES TO EEA RETAIL INVESTORS – If the Final Terms in respect of any Notes include a legend entitled "Prohibition of Sales to EEA Retail Investors", the Notes are not intended, to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU, as amended (*MiFID II*); (ii) a customer within the meaning of Directive (EU) 2016/97, as

amended (the *Insurance Distribution Directive*) where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or, as applicable, (iii) not a qualified investor as defined in the Prospectus Regulation. Consequently, no key information document required by Regulation (EU) no. 1286/2014, as amended (the *PRIPs Regulation*) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIPs Regulation.

PRIIPs / IMPORTANT – PROHIBITION OF SALES TO UK RETAIL INVESTORS – If the Final Terms in respect of any Notes include a legend entitled "Prohibition of Sales to UK Retail Investors", the Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom (the *UK*). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (*EUWA*); or (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000, as amended (*FSMA*) and any rules or regulations made under the FSMA to implement the Insurance Distribution Directive, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of UK domestic law by virtue of the EUWA (*UK MiFIR*); or, as applicable, (iii) not a qualified investor as defined in Article 2 of the Prospectus Regulation as it forms part of UK domestic law by virtue of the EUWA. Consequently, no key information document required by Regulation (EU) No 1286/2014 as it forms part of UK domestic law by virtue of the EUWA (the *UK PRIIPs Regulation*) for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

MiFID II PRODUCT GOVERNANCE / TARGET MARKET – The Final Terms in respect of any Notes will include a legend entitled "MiFID II Product Governance" which will outline the target market assessment in respect of the Notes, taking into account the five (5) categories referred to in item 19 of the Guidelines published by ESMA on 3 August 2023 and which channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a *distributor*) should take into consideration the target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue about whether, for the purpose of the MiFID II Product Governance rules under EU Delegated Directive 2017/593 (the *MiFID II Product Governance Rules*), any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise neither the Arranger nor the Dealer(s) nor any of their respective affiliates will be a manufacturer for the purpose of the MiFID II Product Governance Rules. For the avoidance of doubt, the Issuer is not a MiFID II regulated entity and does not qualify as a distributor or manufacturer under the MiFID II Product Governance Rules.

UK MiFIR PRODUCT GOVERNANCE / TARGET MARKET – The Final Terms in respect of any Notes may include a legend entitled "UK MiFIR Product Governance" which will outline the target market assessment in respect of the Notes and which channels

for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a *distributor*) should take into consideration the target market assessment; however, a distributor subject to the Financial Conduct Authority (*FCA*) Handbook Product Intervention and Product Governance Sourcebook (the *UK MiFIR Product Governance Rules*) is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue about whether, for the purpose of the UK MiFIR Product Governance Rules, any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise neither the Arranger nor the Dealer(s) nor any of their respective affiliates will be a manufacturer for the purpose of the UK MiFIR Product Governance Rules. For the avoidance of doubt, the Issuer is not a UK MiFIR regulated entity and does not qualify as a distributor or manufacturer under the UK MiFIR Product Governance Rules.

SINGAPORE SFA PRODUCT CLASSIFICATION – The Final Terms in respect of any Notes may include a legend entitled "Singapore SFA Product Classification". In connection with Section 309B of the Securities and Futures Act 2001 (Revised Edition 2020) of Singapore, as modified or amended from time to time (the *SFA*) and the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore (the *CMP Regulations 2018*), unless otherwise specified before an offer of Notes, the Issuer has determined, and hereby notifies all relevant persons (as defined in Section 309A(1) of the *SFA*), that the Notes are 'prescribed capital markets products' (as defined in the *CMP Regulations 2018*) and Excluded Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).

This Base Prospectus does not constitute an offer of, or an invitation by or on behalf of the Issuer, the Arranger or the Dealer(s) to subscribe for, or purchase, any of the Notes below.

The Arranger and the Dealer(s) have not separately verified the information contained or incorporated by reference in this Base Prospectus. Neither the Arranger nor any of the Dealers makes any representation, express or implied, or accepts any responsibility, with respect to the accuracy or completeness of any of the information contained or incorporated by reference in this Base Prospectus. Neither this Base Prospectus nor any other information supplied in connection with the Programme (including any information incorporated by reference therein) (i) is intended to provide the basis of any credit or other evaluation and (ii) should not be considered as a recommendation by any of the Issuer, the Arranger or the Dealer(s) that any recipient of this Base Prospectus or other information supplied in connection with the Programme (including any information incorporated by reference therein) should purchase the Notes. Each prospective investor in the Notes should determine for itself the relevance of the information contained or incorporated by reference in this Base Prospectus and its purchase of the Notes should be based upon such investigation as it deems necessary. Neither the Arranger nor any of the Dealers undertakes to review the financial condition or affairs of the Issuer during the life of the arrangements contemplated by this Base Prospectus, nor to advise any investor or prospective investor in the Notes of any information that may come to the attention of any of the Dealers or the Arranger.

None of the Dealers or the Issuer makes any representation to any prospective investor in the Notes regarding the legality of its investment under any applicable laws. Any

prospective investor in the Notes should be able to bear the economic risk of an investment in the Notes for an indefinite period of time.

For the purposes of this Base Prospectus, cross-references to the definition of capitalised terms used in this Base Prospectus are set out in the section entitled "Index of defined terms".

The Notes are being offered and sold outside the United States to non-U.S. persons in reliance on Regulation S. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

The Issuer is Category 2 for the purposes of Regulation S under the Securities Act. See section entitled "*Subscription and Sale*".

Materialised Notes will be issued in compliance with U.S. Treas. Reg. §1.163-5(c)(2)(i)(D) or any successor regulation issued under U.S. Internal Revenue Code of 1986, as amended (the **Code**) section 4701(b) containing rules identical to those applying under Code section 163(f)(2)(B) (the **D Rules**) unless (i) the relevant Final Terms states that such Notes are issued in compliance with U.S. Treas. Reg. §1.163-5(c)(2)(i)(C) or any successor regulation issued under Code section 4701(b) containing rules identical to those applying under Code section 163(f)(2)(B) (the **C Rules**) or (ii) such Notes are issued other than in compliance with the D Rules or the C Rules but in circumstances in which such Notes will not constitute "registration required obligations" under the United States Tax Equity and Fiscal Responsibility Act of 1982 (**TEFRA**), which circumstances will be referred to in the relevant Final Terms as a transaction to which TEFRA is not applicable.

Permanently Restricted Notes

IV. STRUCTURE DIAGRAM

2. RISK FACTORS

The Issuer believes that the factors described below represent the principal risks inherent in investing in the Notes issued under the Programme. The Issuer believes that the following factors may affect its ability to fulfil its obligations related to Notes issued under the Programme. Most of these factors are contingencies which may or may not occur.

Factors which the Issuer believes are specific to the French Law Notes and material for an informed investment decision with respect to investing in the French Law Notes issued under the Programme are described below. In each category below the Issuer sets out first the most material risks, taking into account the negative impact of such risks and the probability of their occurrence. The risk exposure or measurement figures included in the risk factors provide information on the Issuer's exposure level but are not necessarily representative of future evolution. Other risks and uncertainties which, at the date of this Base Prospectus, are not known of by the Issuer, or are considered not to be relevant, may have a significant impact on the Issuer, its activities, its financial condition and the Notes. Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus and the Final Terms of the relevant Notes and form their own opinion about risk factors prior to making any investment decision. Investors should in particular conduct their own analysis and evaluation of the risks relating to the Issuer, its financial condition and the Notes.

The Issuer considers that the Notes shall only be purchased or subscribed by investors which are (or are advised by) financial institutions or other professional investors who have sufficient knowledge and experience to appropriately evaluate the risks associated with the Notes.

Words and expressions defined elsewhere in this Base Prospectus shall have the same meanings when used below.

I. RISK FACTORS RELATING TO THE ISSUER

This section identifies the main risk factors that the Issuer estimates could have a significant effect on its business, profitability, solvency or access to financing.

The risks inherent to the Issuer's activity are presented below under five main categories, in accordance with Article 16 of the Prospectus Regulation:

1. liquidity risks;
2. risks related to the macroeconomic, geopolitical, market and regulatory environments;
3. credit and counterparty risks;
4. operational risks; and
5. structural risks.

1. Liquidity risks

The Issuer's liquidity risk is defined as the risk of not being able to meet its payment obligations under the Notes when they fall due, because of the temporary lags between the amortization profile of its assets and liabilities.

A number of exceptional measures taken by governments, central banks and regulators as well as a downgrade in the Group's (including the Issuer's) external rating or in the sovereign rating of the French State could have a significant negative impact on the Issuer's cost of

financing or its access to liquidity. Moreover, a lack of liquidity could have a significant negative impact on the Issuer's capacity to repay the Notes in the short-term. As of 31 December 2024, the maximum exposure of the Issuer over a period of 180 consecutive days could be estimated up to €5 billion, representing the maximum cumulated amount of Notes falling due under this period. From a long-term perspective, the negative impact is lowered due to the ability of the Issuer to gather the necessary cash-flows under the collateralised assets in addition, if applicable, to the extension of the Notes' maturity date upon the occurrence of any of the maturity extension trigger event(s) complying with the conditions set out in Articles L. 513-30 and R. 513-8-1 of the French Monetary and Financial Code. As at the date of this Base Prospectus, the maturity date of all the outstanding *obligations de financement de l'habitat* issued by the Issuer may be extended automatically upon the occurrence of any of the maturity extension trigger event(s).

Furthermore, in past crises (such as the 2008 financial crisis, the Eurozone sovereign debt crisis, the tensions on the financial markets linked to the Covid-19 pandemic before the intervention of the central banks or more recently the tensions linked to the crisis in Ukraine), access to financing from European banks was intermittently restricted or subject to less favorable conditions. If unfavorable debt market conditions were to reappear following a new systemic or Group specific crisis, the effect on the liquidity of the European financial sector in general could be very significantly unfavorable and could lead to an increase in remuneration for newly issued notes, and thus have a negative impact on the average interest margin between the cover pool assets and the Notes of Société Générale SFH, without affecting its financial situation and its social accounts.

In any case, if the Issuer is not able to cover its liquidity needs, the Issuer's ability to make payments under the Notes may be negatively affected. As a result, Noteholders could lose all or a substantial part of their investment in the Notes.

However, as a specialized credit institution, the Issuer is subject to the production of indicators making it possible to measure, manage and monitor this risk (see section entitled "*Summary of the legislation and regulations relating to sociétés de financement de l'habitat and other legal issues*"). In addition, there are some structural mitigants allowing the Issuer to reduce its liquidity risk exposure such as the "Pre-Maturity Test" described more fully in section entitled "*Relationship between Société Générale SFH and Société Générale*". As of 31 December 2024, none of the thresholds for these indicators has been triggered.

With respect to the liquidity coverage requirements, at the date of this Base Prospectus, the Issuer is not obliged to hold stocks of liquid assets to maintain its Liquidity Coverage Ratio (**LCR**) beyond 100%, pursuant to Directive 2013/36/EU of the European Parliament and of the Council of 26 June 2013 (the Capital Requirements Directive – **CRD**). Nonetheless, the Issuer's LCR is structurally higher than 100%. As of 31 December 2024, the Issuer also complies with the minimum requirement of 100% regarding the Net Stable Funding Ratio (NSFR).

To finance any temporary liquidity needs, the Issuer also benefits from the asset and liabilities management tools and instruments provided to it by the laws and regulations applicable to SFH in order to fund temporary liquidity needs. See section entitled "*Summary of the legislation and regulations relating to sociétés de financement de l'habitat and other legal issues for the full list of these tools and instruments*".

2. Risks related to the macroeconomic, geopolitical, market, legal and regulatory environments

2.1 Macroeconomic, geopolitical and market risks

The global economic and financial context, geopolitical tensions, as well as the context of the markets in which the Issuer operates, may adversely affect the Issuer's activities, financial position and results of operations.

Significant deteriorations in market and economic conditions resulting from, in particular, crises affecting capital or credit markets, liquidity constraints, regional or global recessions, sharp fluctuations in commodity prices, currency exchange rates or interest rates, inflation or deflation, rating downgrades, restructuring or defaults of sovereign or private debt, or adverse geopolitical events (including acts of terrorism and military conflicts) could affect the origination of guaranteed home loans (**GHL**) used as collateral by the issuer and/or the ability of Société Générale SFH to issue new bonds on the market.

A health crisis or the emergence of new pandemics similar to Covid-19 cannot be ruled out, nor can unforeseen events or natural disasters. Such events, which can develop quickly and whose impacts may not have been sufficiently anticipated and hedged, are likely to have a temporary or lasting effect on the conditions in which the Issuer operates and to have an adverse effect on its issuance capacity and its refinancing cost.

The economic and financial environment is exposed to growing geopolitical risks. The war in Ukraine, which began in February 2022, is causing severe tensions between Russia and Western countries, potentially impacting global growth, raw materials prices, as well as the economic and financial sanctions that have been imposed on Russia by numerous countries, particularly in Europe and the United States. The war between Israel and Hamas, which began in October 2023, as well as tensions with Iran and in the Middle East in general, could have similar impacts or contribute to existing ones.

In the United States, a significant and ongoing shift in economic policy is occurring following the outcome of the recent presidential election, with a more protectionist stance. The new administration threatened a significant increase in tariffs in April 2025 before a partial, perhaps temporary, retreat from its demands. As a result, the financial markets experienced a period of high volatility and we can not exclude a more difficult access to markets for the issuer if international trade relations were to deteriorate again.

In France, political uncertainties and government instability due to the lack of a parliamentary majority could be a source of further financial and social tensions. In the medium term, the fragmentation of the European political landscape could undermine the coordination of policies linked to defense and energy transition as well as the banking and capital markets union.

In Asia, relations between the United States and China, China and Taiwan and between China and the European Union are fraught with geopolitical and trade tensions, the relocation and offshoring of production sites and the risk of technological breakthroughs.

A context of raised interest rates and sluggish economic growth could have an impact on the valuation of equities, and interest rate-sensitive sectors such as real estate are adjusting, notably in Europe. The US Federal Reserve and the European Central Bank (**ECB**) are expected to maintain relatively tight monetary conditions, even though they have begun a rate-cutting cycle, in line with declining inflation.

These risks and uncertainties could cause high volatility on the financial markets and a significant drop in the price of certain financial assets, including pressure on the bond market, potentially leading to payment defaults with consequences that are difficult to anticipate for the Issuer.

This difficult environment could still adversely affect the production of GHL eligible for Société Générale SFH, which constitutes a risk for Société Générale SFH, which must meet its regulatory requirements, in particular through quarterly ratios required by the ACPR showing, among other things, that there is no coverage gap between the assets provided as collateral and its liabilities.

In France, after the long period of low interest rates which fostered an upturn of the housing market, the upward rise of interest rates observed since 2022 caused a decline in the market and continues to have an adverse effect on the GHL origination by decreasing demand for loans and resulting in higher rates of non-performing loans. More generally, the higher interest rate environment in a context where public and private debts have tended to increase is an additional source of risk. Besides, the energy transition to a "low carbon economy" could affect the valuation of real estate and depreciate part of the real estate pledges of the Issuer.

At the date of the Base Prospectus, the part of fixed interest rates GHL in the cover pool of the Notes issued by the Issuer is very close to 100%. Consequently, the repayment capacity of the borrowers under the GHL and the interest revenues from the GHL constituting the cover pool are largely hedged against the interest rates current fluctuations. Nevertheless, potential negative effects from economic developments on the Issuer remain and can be listed as follows:

- the issuance capacity of Société Générale SFH could be limited by lower origination of GHL in the context of a long-lasting depressed real estate market, as it would become more difficult to maintain the cover pool. The issuance capacity of Société Générale SFH could be even more limited as, in the context of a decline in GHL origination and/or in real estate values, the overcollateralization rate would be more difficult to maintain as result of a decrease of the value of the cover pool.
- Furthermore, a deterioration in employment and disposable incomes net of inflation affecting the borrowers under the GHL may lead to higher rates of non-performing loans and constitutes a risk of attrition of the cover pool.

At the date of this Base Prospectus, the removal rate of GHL from the cover pool of the Issuer for credit quality reasons remains at low levels and does not raise any particular concern.

The rapid development of artificial intelligence carries risks of fraud and of obsolescence of various technologies. As a result, there is a risk of cyber-attacks for the Group, to which Société Générale SFH has outsourced all its activities and which makes its infrastructure available for the management of the entity's operations. The Group, as a service provider, could be subject to targeted and sophisticated attacks on its IT network, resulting in misappropriation of funds, losses, theft or disclosure of confidential data or customer data. Such conduct may result in operational losses and adversely affect Société Générale SFH's business, results of operations and reputation with its investors.

At the date of this Base Prospectus, no incident linked to this situation has been reported for the Issuer.

2.2 Regulatory environments and legal risks

The Issuer, as a specialized credit institution subject to Articles L.513-1 *et seq.* of the French Monetary and Financial Code, is subject to financial services law, regulations, administrative actions and policies in each jurisdiction in which it carries on business and is supervised by the ACPR.

In particular, the Issuer is subject to the capital requirement of the CRD V package and to Directive (EU) 2019/2162 of the European Parliament and of the Council of 27 November 2019 on the issue of covered bonds and covered bond public supervision and amending Directives 2009/65/EC and 2014/59/EU (the **Covered Bond Directive**). The CRD V package has been implemented under French law by the decree-law (*ordonnance*) no. 2020-1635 dated 21 December 2020 and the Covered Bond Directive has been implemented under French law by the decree-law (*ordonnance*) no. 2021-858 dated 30 June 2021 which applies from 8 July 2022.

Changes in supervision and regulation, in particular in France, could significantly affect the Issuer's business, the products and services offered or the value of its assets. Evolutions in this regulatory framework could have a negative effect on the financial and economic environment in which the Issuer operates, and on its financial position.

In addition, failure to comply with the regulations could eventually result in financial penalties and sanctions, damage to the reputation of the Issuer and may go as far as the withdrawing of its license.

The occurrence of any such events may negatively affect the Issuer's ability to make payments under the Notes. Nevertheless, although future changes in regulation, tax or other policies can be unpredictable and are beyond the control of the Issuer, this risk remains low as the Issuer works closely with its regulators and continually monitors its environment.

3. Credit and counterparty risks

Credit and counterparty risks relate to the risk of losses resulting from the inability of the Issuer's customers or its counterparties to meet their financial commitments. These risks could have a negative impact on the ability of the Issuer to repay its obligations under the Notes. It should be noted that the Issuer has chosen to restrict its home loan refinancing activity to only loans guaranteed by *Crédit Logement*, in accordance with Article L.513-29 of the French Monetary and Financial Code.

3.1 Credit risks

The Issuer is the only entity which has obligations to pay principal and interest in respect of the Notes. The Notes will not be obligations or responsibilities of any other entity, including (but not limited to) Société Générale (in any capacity but in particular in its capacity as Borrower, Services Provider, Arranger, Calculation Agent, Dealer, Fiscal Agent, Paying Agent and Principal Paying Agent) or any company within the Group, or the shareholders or directors or agents of any company in the same group of companies as any of them. As of 31 December 2024, the outstanding amount of Notes issued by the Issuer is €44.140 billion (without interest).

The ability of the Issuer to make payments under the Notes depends on the creditworthiness of its debtors and globally on the credit quality of its assets which consist (i) initially in the loans made available to the Borrower (Société Générale) under the Facility Agreement, and therefore the financial soundness and conduct of the Borrower could adversely affect Société Générale SFH's results of operations and financial position and (ii) following the occurrence of an event of default of the Borrower under the Facility Agreement, in the home loans transferred (*remis*

en pleine propriété à titre de garantie) as Collateral Security under the Collateral Security Agreement.

3.1.1 Credit risks on Société Générale

The Issuer is directly exposed on Société Générale as sole Borrower under the loans granted under the Facility Agreement. However, this credit risk is covered by the transfer of full title by way of assignment (*remise en pleine propriété à titre de garantie*) of a portfolio of assets that meet regulatory eligibility criteria and the requirement for Société Générale to maintain at any time a minimum level of cover ratio between the home loans transferred as Collateral Security and the outstanding amount of the loans made available under the Facility Agreement, as specified under the Collateral Security Agreement (see section entitled "*Relationship between Société Générale SFH and Société Générale*"). It is worth noting that the Issuer shall maintain at any time a minimum legal cover ratio of 105% and the cover ratio of the Issuer as of 31 December 2024 certified by the Cover Pool Monitor was 116.26%.

Failure to maintain compliance with such requirements may result in a mandatory repayment event under the Facility Agreement, if not remedied, and, if Société Générale cannot repay in full the loans granted under the Facility Agreement and the home loans transferred as Collateral Security are not sufficient to pay in full the amounts payable under the Notes, the Issuer may have insufficient funds to meet its obligations under the Notes. As a result, Noteholders could lose all or a substantial part of their investment in the Notes.

3.1.2 Credit risks on the assets of the Issuer

Home loans debtors' ability to pay under the home loans

The home loans debtors are individuals having borrowed under the home loans in order to finance the acquisition of a real estate property. If following enforcement of the Collateral Security, the Issuer does not receive the full amount due from the home loan debtors in respect of such home loans, this may affect the ability of the Issuer to make payments under the Notes. As of 31 December 2024, home loans transferred (*remis en pleine propriété à titre de garantie*) as Collateral Security totalled €53.0 billion. The main geographical exposure zones of the home loans transferred (*remis en pleine propriété à titre de garantie*) as Collateral Security are *Ile-de-France*, *Auvergne-Rhône-Alpes*, *Provence-Alpes-Côte-d'Azur* and *Hauts-de-France*.

None of the Borrower under the Facility Agreement, the Issuer or any other party does guarantee or warrant full and timely payment by the home loan debtors of any sums payable under such home loans. Furthermore, home loan debtors may benefit from the favourable legal and statutory provisions of the French *Code de la consommation*, pursuant to which any individual may, under certain circumstances, and subject to certain conditions, request and obtain from the competent court a grace period, a reduction of the amount of all and any of its indebtedness and any interest relating thereto and, as the case may be, a full or partial extinguishment of its indebtedness against a credit institution (*établissement de crédit*).

The ability of the home loan debtors to make timely payment of amounts due under such home loans will mainly depend on their assets and its liabilities as well as their ability to generate sufficient income to make payments under the relevant home loans. Their ability to generate income may be adversely affected by many factors, some of which (i) relate specifically to the home loan debtor itself (including but not limited to their age and health, employment situation, family situation, creditworthiness or expropriation) or (ii) are more general in nature (such as changes in governmental regulations, tax policy, etc.).

As a result, the Issuer's ability to meet its obligations under the Notes may be materially adversely affected.

No prior notification to debtors under the home loans transferred as Collateral Security

The Collateral Security Agreement will provide that the relevant home loans will be transferred (*remis en pleine propriété à titre de garantie*) as Collateral Security pursuant to the provisions of Article L.211-38 of the French Monetary and Financial Code, without notification or information of the debtors under such home loans. Such debtors will only be notified in case of enforcement of the Collateral Security by the Issuer. As long as no such notification has taken place, any payments made by the debtors under the relevant home loans will continue to be validly made by such debtors to Société Générale or, as the case may be, the relevant affiliates.

Each debtor may further raise defenses (which may include, as applicable, any set-off right) against the Issuer arising from such debtor's relationship with its creditor to the extent that such defences (i) are existing prior to the notification of the transfer of the relevant home loan or (ii) arise out of mutual claims (*compensation de créances connexes*) between the debtor and its creditor which are closely connected with that home loan (irrespective of whether such notification has been made before or after such claims have arisen).

Until notification to the debtors has been made and provided that, at such time, an insolvency proceeding has been opened against Société Générale, French insolvency law will prevent the Issuer from recovering from Société Générale any collections received by it under the relevant home loans which are commingled with other funds of Société Générale. These may affect the repayment value of the loan and therefore the ability for the Issuer to meet its payment obligations under the Notes.

As of 31 December 2024, home loans transferred (*remis en pleine propriété à titre de garantie*) as Collateral Security totalled €53.0 billion and consisted of 441,728 loans. As a consequence, notification to the debtors under the relevant home loans may take time and even after such notification being made, there can be delays for the Issuer to obtain effective direct payment from such debtors. This may affect the timely payments under the Notes and may even result in a shortfall in distributions of interest or repayment of principal under the Notes.

However, these risks are mitigated by a cash collateral (*gage-espèces*) to be funded by Société Générale if its credit ratings are downgraded below certain minimum rating levels (a ***Collection Loss Trigger Event***) for an amount equal to the aggregate amount of collections (interests and principal) scheduled to be received by Société Générale under the home loans transferred as Collateral Security during the two and half (2.5) calendar months following the occurrence of a Collection Loss Trigger Event and further, as long as the Collection Loss Trigger Event is continuing, adjusted at the end of each month and before any drawdown by Société Générale acting as Borrower under the Facility Agreement (the ***Collection Loss Reserve***) (see section "*Relationship between Société Générale SFH and Société Générale*") for further details).

Maintenance of value of the Collateral Security prior to enforcement

Under the Collateral Security Agreement, for so long as no event of default under the Facility Agreement has occurred, Société Générale has to maintain at any time a required cover ratio between the home loans transferred as Collateral Security and the outstanding amount the loans made available under the Facility Agreement (the ***Asset Cover Test***). As of 31 December 2024, in accordance with the operational strategy of the Issuer the outstanding amount of the loans made available under the Facility Agreement is equal to the outstanding amount of the Notes issued and amounts to €44.140 billion (without interest). More details on the cover ratio are available on the website of Société Générale:

<https://investors.societegenerale.com/fr/informations-financieres-et-extra-financiere/investisseurs-dette>.

Failure to maintain compliance with such Asset Cover Test may result in, if not remedied, a mandatory repayment event under the Facility Agreement and, if Société Générale cannot repay in full the loans granted under the Facility Agreement, the Issuer may have insufficient funds to meet its obligations under the Notes.

Enforcement of home loan guarantees

If following the enforcement of the Collateral Security in favor of the Issuer and notification of the home loan debtors a debtor under a home loan fails to pay, the enforcement of its rights by the Issuer under the relevant guarantee of such home loan against the home loan guarantor, the Issuer is exposed to the credit risk of Crédit Logement, an independent home loan guarantee company licensed as a French financial institution (*société de financement*). If the latter does not pay in whole or in part any amounts due under the relevant guarantee for whatever reason or does not pay such amounts in a timely manner, this may affect the ability of the Issuer to make payments under the Notes. Enforcement of home loan guarantees may affect the ability of the Issuer to make payments under the Notes.

However, this risk can be assessed as relatively low due to the very granular retail assets portfolio, composed entirely of home loans guaranteed by Crédit Logement, rated Aa3 (Moody's) / AA low (DBRS), and which has an observed loss rate close to zero, as of the date of this Base Prospectus.

3.2 Counterparty risks

Reliance of the Issuer on third parties

The Issuer has entered into agreements with a number of third parties, which have agreed to perform services for the Issuer. In particular, the Issuer relies on Société Générale for the monitoring and the servicing of the eligible assets transferred as Collateral Security and for the provision of liquidity upon occurrence of certain rating trigger events. See section entitled "*Relationship between Société Générale SFH and Société Générale*").

The ability of the Issuer to make payments under the Notes may be significantly affected by the due performance of the other third parties involved in the Programme in relation to their payment and other obligations thereunder, the performance by the Services Provider, the Calculation Agent, the Fiscal Agent, the Paying Agent or the Principal Paying Agent of their respective obligations thereunder, including and not limited to the performance by Société Générale as (i) the Services Provider in charge of the administration and recovery of the home loans' receivables transferred by way of security (*remis en pleine propriété à titre de garantie*) in favour of the Issuer and as (ii) Account Bank in relation to the opening and operating of the bank accounts of the Issuer. See section entitled "*Relationship between Société Générale SFH and Société Générale*".

Regarding the servicing risk, in the event that Société Générale is in default procedure, a failure to pay (*cessation de paiements*) in accordance with the provisions set out in French bankruptcy laws, would prevent the Issuer from recovering the sum due for the securities of the assets sold from the portfolio from Société Générale, and this, while the recovery process can be transferred to another establishment that can insure it. In addition, a substitute entity may not be found which can potentially lead to a significant repayment risk due to the inability of the Issuer to recover the asset portfolio during several months.

The risk of Société Générale defaulting, as an account-keeping bank, can also have a moderate impact on the Issuer's access to cash-collateral and collections received on its accounts.

To mitigate these risks, the agreements to be entered into between the Issuer and the above counterparties will comply with the specific legal requirements applicable to SFH and with the Rating Agencies' public methodologies and criteria which are commensurate to the then current rating of the Notes. See section entitled "*Relationship between Société Générale SFH and Société Générale*".

Substitution risk

In the event of a downgrading of the short-term and/or long-term credit rating of one (1) or more parties to the Programme documents which triggers the need of a substitution pursuant to the terms of the Programme documents, or if under certain other circumstances the substitution of one (1) or more of these parties is appropriate pursuant to the terms of the Programme documents, a substitute entity may not be found.

Any delay or inability to appoint a substitute entity may affect the ability of the Issuer to make payments under the Notes. As a result, Noteholders could lose all or a substantial part of their investment in the Notes.

4. Operational risks

Operational risks are defined as the risk of losses resulting from the failure of processes and information systems or external events.

The Issuer having no human resources, its operational, financial and information systems management and administration have been outsourced to its parent company, Société Générale (see section entitled "*Relationship between Société Générale SFH and Société Générale*"). Thus, the operational failure, termination or capacity constraints affecting Société Générale as subcontractor, the failure or the breach of Société Générale's information technology systems, or any environmental risk such as those related to the climate changes affecting Société Générale's staff or property could have an adverse effect on the Issuer's business and result in losses and damages to the reputation of the Issuer's that could harm its competitive position.

The security of the Group's information systems is managed within Société Générale. A security policy has been defined, including directives and operating procedures broken down by risk sector: physical security, security of system access control, security of data bases and applications, and security of continued operations. The situation generated by the conflict in Ukraine, increased the risk of cyber-attacks for the Group, which has provided its infrastructure for the management of the operations of the Issuer and to which the Issuer has externalized its whole activity. The Group, as services provider, could be subject to targeted and sophisticated attacks on its computer network, resulting in embezzlement, loss, theft or disclosure of confidential data or customer data. Such actions could result in operational losses and have an adverse effect on the Issuer's business, results and reputation with its investors.

Operational risks linked to these essential outsourced services are monitored as part of the Issuer's internal control system.

5. Structural risks

Structural risks correspond to the risks of loss of interest margin in the event of changes in the interest rates and exchange rates.

As per the Issuer's strategy, each loan granted by the Issuer to the benefit of the Borrower under the Facility Agreement shall be made available in the same currency and according to the same type of interest rate to those applicable to the Notes funding such loan. As a consequence, as long as no event of default of the Borrower has occurred, the Issuer shall not be exposed to any currency and interest risk in relation to the Borrower debt under the Facility Agreement and the Notes.

Upon the occurrence of an event of default of the Borrower and the enforcement of the Collateral Security, the Issuer's available funds will arise from the home loans transferred as Collateral Security. The home loans that are part of the Collateral Security may not bear interest by way of the same conditions as those of the Notes and may not be denominated in the same currency as the Notes.

However, the exposure of the Issuer to foreign exchange risk is actually mitigated by the fact that, at the date of this Base Prospectus, all its assets and liabilities are being denominated in Euro.

In any case, any changes in the interest rates and the currency rates could have a material adverse effect on the interest margin of the Issuer when there are significant mismatches in terms of amount and maturity between the Notes and the assets transferred as Collateral Security and may affect the ability of the Issuer to make payments under the Notes.

The potential interest rate risks or currency risks between its assets (loans granted to Société Générale under the Facility Agreement or home loan receivables once and after enforcement of the Collateral Security Agreement) and its liabilities is mitigated, as further described in the section entitled "*Relationship between Société Générale SFH and Société Générale*".

II. RISK FACTORS RELATING TO THE NOTES

The following does not describe all the risks of an investment in the Notes. Prospective investors should consult their own financial and legal advisers about risks associated with investment in the Notes and the suitability of investing in the Notes considering their particular circumstances. The following categories of risk factors are identified:

1. Risks for the Noteholders as creditors of the Issuer

Absence of events of default in respect of all Notes

The Terms and Conditions do not contain any events of default. Therefore, the Noteholders will not be able to accelerate the maturity of the Notes. Accordingly, if the Issuer fails to meet any obligations under such Notes, Noteholders will not have the right of acceleration of principal. Upon a payment default, the sole remedy available to Noteholders for recovery of amounts owing in respect of any payment of principal or interest on such Notes will be the institution of judicial proceedings to enforce such payment. Notwithstanding the foregoing, the Issuer will not, by virtue of the institution of any such proceedings, be obliged to pay any sum or sums sooner than the same would otherwise have been payable by it. Therefore, the liquidity and market value of the Notes may be significantly adversely affected and investors who sell Notes on the secondary market could lose all or part of their investment.

Resolution procedures under the European Bank Recovery and Resolution framework may have an impact on the Issuer's liabilities under the Notes

Directive 2014/59/EU of the European Parliament and of the Council of the European Union dated 15 May 2014 establishing a framework for the recovery and resolution of credit institutions and investment firms (the **BRRD**), which was implemented in France by a decree-law (*Ordonnance portant diverses dispositions d'adaptation de la législation au droit de l'Union européenne en matière financière*) dated 20 August 2015, as amended from time to time, and Regulation (EU) no. 806/2014 dated 15 July 2014 as amended from time to time (the **SRM Regulation**) provide for the establishment of an EU-wide framework for the recovery and resolution of credit institutions and investment firms. The regime provided for by the BRRD is, among other things, stated to be needed to provide the authority designated by each EU Member State (the **Resolution Authority**) with a credible set of tools to intervene sufficiently early and quickly in an unsound or failing institution so as to ensure the continuity of the institution's critical financial and economic functions while minimizing the impact of an institution's failure on the economy and financial system (including taxpayers' exposure to losses). Under the SRM Regulation, a centralized power of resolution is established and entrusted to the Single Resolution Board (the **SRB**) and to the national resolution authorities.

The recovery framework contains several resolution tools and powers which may be used alone or in combination where the relevant resolution authority considers that (a) an institution is failing or likely to fail (on the basis of objective elements), (b) there is no reasonable prospect that any alternative private sector measures would prevent the failure of such institution within a reasonable timeframe, and (c) a resolution action is necessary in the public interest.

The powers provided to the Resolution Authority in the BRRD and the SRM Regulation include statutory write-down/conversion powers to ensure that capital instruments (including subordinated debt instruments) and eligible liabilities (including senior debt instruments if junior instruments prove insufficient to absorb all losses) absorb losses of the issuing institution that is subject to resolution in accordance with a set order of priority (the **Bail-in Power**). The conditions for resolution under the French Monetary and Financial Code implementing the BRRD are deemed to be met when: (i) the Resolution Authority or the relevant supervisory authority determines that the institution is failing or is likely to fail, (ii) there is no reasonable prospect that any measure other than a resolution measure would prevent the failure within a reasonable timeframe, and (iii) a resolution measure is necessary for the achievement of the resolution objectives (in particular, ensuring the continuity of critical functions, avoiding a significant adverse effect on the financial system, protecting public funds by minimizing reliance on extraordinary public financial support, and protecting client funds and assets) and winding up of the institution under normal insolvency proceedings would not meet those resolution objectives to the same extent.

The Resolution Authority could also, independently of a resolution measure or in combination with a resolution measure where the conditions for resolution are met, fully or partially write-down or convert capital instruments (including subordinated debt instruments) and eligible liabilities (subject to conditions) into equity when it determines that the institution or its group will no longer be viable unless such write down or conversion power is exercised or when the institution requires extraordinary public financial support (except when extraordinary public financial support is provided in the form defined in Article L.613-48 III, 3° of the French Monetary and Financial Code).

The Bail-in Power could result in the full (i.e., to zero) or partial write-down or conversion into ordinary shares or other instruments of ownership of the Notes, or the variation of the terms of the Notes (for example, the maturity and/or interest payable may be altered and/or a temporary suspension of payments may be ordered). Extraordinary public financial support should only be used as a last resort after having assessed and applied, to the maximum extent practicable, the resolutions measures, including the Bail-in Power. No support will be available until a

minimum amount of contribution to loss absorption and recapitalization of 8% of total liabilities including own funds has been made by shareholders, holders of capital instruments and other bailinable liabilities through write down, conversion or otherwise.

In addition to the Bail-in Power, the BRRD provides the Resolution Authority with broader powers to implement other resolution measures with respect to institutions that meet the conditions for resolution, which may include (without limitation) the sale of the institution's business, the creation of a bridge institution, the separation of assets, the replacement or substitution of the institution as obligor in respect of debt instruments, modifications to the terms of debt instruments (including altering the maturity and/or the amount of interest payable and/or imposing a temporary suspension on payments), removing management, appointing an interim administrator, and discontinuing the listing and admission to trading of financial instruments.

Before taking a resolution measure, including implementing the Bail-in Power, or exercising the power to write-down or convert to equity relevant debt instruments, the Resolution Authority must ensure that a fair, prudent and realistic valuation of the assets and liabilities of the institution is carried out by a person independent from any public authority.

With respect to the OFH, Article L.613-55-1 of the French Monetary and Financial Code provides that the relevant Resolution Authority shall not exercise the Bail-in Power in relation to secured liabilities including covered bonds and liabilities in the form of financial instruments used for hedging purposes which form an integral part of the cover pool and which according to national law are secured in a way similar to covered bonds. Nevertheless, relevant claims for the purposes of the Bail-in Power would still include the claims of the holders in respect of any Notes issued under the Programme, only if and to the extent that the bond liability would exceed the value of the cover pool collateral against which it is secured.

The application of any resolution measure under BRRD as implemented under French law, or any suggestions of such application, with respect to the Issuer could materially adversely affect the rights of the Noteholders, the price or value of an investment in the Notes and/or the ability of the Issuer to satisfy its obligations under the Notes, and as a result, investors may lose a part of their investment. Moreover, if the Issuer's financial condition deteriorates, the existence of the Bail-in Power or the exercise of write-down/conversion powers by the resolution authority independently of a resolution measure with respect to capital instruments (including subordinated debt instruments) or in combination with a resolution measure when it determines that the institution or its group will no longer be viable could cause the market price or value of the Notes to decline more rapidly than would be the case in the absence of such powers.

Noteholders' returns may be limited or delayed by the insolvency of the Issuer

The Issuer, as a specialised credit institution (*établissement de crédit spécialisé*), is subject to the provisions of Articles L.613-25 *et seq.* of the French Monetary and Financial Code. These provisions include specific rules on the opening of an insolvency proceeding against the Issuer, the involvement of the ACPR in the event of bankruptcy of the Issuer, specific concepts of suspension of payment (*cessation des paiements*) for the Issuer and some specific rules of liquidation for the Issuer. As a general principle, the above-mentioned insolvency and reorganisation rules favour the continuation of a business and protection of employment over the payment of creditors.

However, the Issuer, as a SFH, benefits from a regime which derogates in many ways from the French legal provisions relating to insolvency proceedings. Nonetheless, if the Issuer were to

become insolvent, Noteholders' returns could be limited or delayed. Application of French insolvency law could affect the Issuer's ability to make payments on the Notes (such as the non-payment of interest and/or principal) and French insolvency laws may not be as favourable to Noteholders as the insolvency laws of other countries.

The Directive (EU) 2019/1023 on preventive restructuring frameworks, on discharge of debt and disqualifications, and on measures to increase the efficiency of procedures concerning restructuring, insolvency and discharge of debt and amending Directive (EU) 2017/1132 has been transposed into French law by the *Ordonnance* 2021-1193 dated 15 September 2021. Such *Ordonnance*, applicable as from 1st October 2021, amends French insolvency law notably with regard to the process of adoption of restructuring plans under insolvency proceedings. According to this *Ordonnance*, "affected parties" (including notably creditors, and therefore the Noteholders) shall be treated in separate classes for the purpose of adopting a restructuring plan. Classes shall be formed in such a way that each class comprises claims or interests with rights that reflect a sufficient commonality of interest based on verifiable criteria. Noteholders will no longer deliberate on the proposed restructuring plan in a separate assembly, meaning that they will no longer benefit from a specific veto power on this plan. Instead, as any other affected parties, the Noteholders will be grouped into one or several classes (with potentially other types of creditors) and their dissenting vote may possibly be overridden by a cross-class cram down. The decision of each class is taken by a two-third (2/3rd) majority of the voting rights of the participating members, no quorum being required.

If the restructuring plan is not approved by all classes of affected parties, it can still be ratified by the court at the request of the Issuer or the receiver with the Issuer's consent and be imposed on dissenting classes through a cross-class cram down, under certain conditions.

For the avoidance of doubt, the provisions relating to the representation of the Noteholders described in Condition 10 ("*Meeting and voting provisions*") will not be applicable to the extent they are not in compliance with compulsory insolvency law provisions that apply in these circumstances.

Both the scopes of the Directive (EU) 2019/1023 and the *Ordonnance* do not cover financial institutions, unless the competent authority chooses to make them applicable. In such a case, the application of French insolvency law to a credit institution as the Issuer is also subject to the prior permission of the *Autorité de contrôle prudentiel et de résolution* before the opening of any safeguard, judicial reorganisation or liquidation procedures. This limitation will affect the ability of the Noteholders to recover their investments in the Notes.

Should such proceedings be opened, the commencement of insolvency proceedings against the Issuer could have a negative impact on the market value of the Notes and Noteholders may lose all or part of their investment. As a result of the operation of the legal framework of SFH, in the case of a bankruptcy or insolvency proceedings in respect of the Issuer, the ability of Noteholders to enforce their rights under the Notes may be limited.

Credit ratings may not reflect all risks and may be lowered, suspended, withdrawn or not maintained

One or more independent credit rating agencies may assign credit ratings to the Notes. At the date of this Base Prospectus, the Notes issued under the Programme are expected to be rated AAA by Fitch Ratings and Aaa by Moody's, as described in the section "*General Description of the Programme*". The rating of the Notes will be specified in the relevant Final Terms. Following the date of this Base Prospectus, any such ratings may not continue for any period of time or may be reviewed, revised, suspended or withdrawn entirely by the Rating Agencies

as a result of changes in or unavailability of information or if, in the judgement of the Rating Agencies, circumstances so warrant.

If any rating assigned to the Notes is revised, lowered, suspended or withdrawn, this may adversely affect the market value of the Notes. Further, Rating Agencies may assign unsolicited ratings to the Notes. If non-solicited ratings are assigned, such ratings may differ from, or be lower than, the ratings sought by the Issuer.

Withholding Taxes - No gross-up obligation

Pursuant to Condition 8 ("*Payments and Talons*"), if any law should require that any payments in respect of any Notes, Receipts or Coupons be subject to withholding or deduction in respect of any taxes, duties, assessments or governmental charges of whatever nature, the Issuer will not pay any additional amounts. Therefore, the corresponding risk shall be borne by the Noteholders or, if applicable, the Receiptholders and the Couponholders. Noteholders or, if applicable, the Receiptholders and the Couponholders may receive less than the full amount due, and the market value of such Notes will be adversely affected. As a result, they could lose part of their investment in the Notes.

"European Covered Bond (Premium)" label

As of the date of this Base Prospectus, the Issuer is entitled to use the "European Covered Bond (Premium)" label (label "*obligation garantie européenne de qualité supérieure*") and the Notes to be issued under the Programme are eligible to the "European Covered Bond (Premium)" label. Such eligibility has been subject to verification by the Cover Pool Monitor that the conditions are satisfied and prior approval and supervision of the ACPR.

The "European Covered Bond (Premium)" label for issuances of *obligations de financement de l'habitat* or other resources benefiting from the Privilège is based on compliance with the SFH Legal Framework and the provisions of Article 129 of Regulation (EU) no. 575/2013 dated 26 June 2013, as amended.

Notes to be issued under the Programme may not be allowed to use the "European Covered Bond (Premium)" label until their Maturity Date. As a result, investors should regularly check the current label status in respect of any given Series of Notes on the website of the ACPR.

Any non compliance, absence, delay in obtention or withdrawal of the "European Covered Bond (Premium)" label in respect of any Series of Notes may adversely affect the value of the outstanding Notes, increase the Issuer's cost of borrowing and adversely affect the Issuer's ability to issue new Notes. As a result, investors could lose part of their investment in the Notes. Such events may also have a negative impact on the prudential treatment of the investment for the investors, in particular credit institutions.

2. Risks related to the structure of a particular issue of Notes

The Programme allows for different types of Notes to be issued. Accordingly, each Tranche of Notes may carry varying risks for prospective investors, depending on the specific structure and features of such Notes.

Notes subject to early redemption by the Issuer

Pursuant to Condition 6(c) ("*Redemption at the option of the Issuer*"), and if specified as applicable in the relevant Final Terms, the Issuer may, at its option, redeem in whole or in part

the Notes prior to their Maturity Date through the exercise of the Redemption at the Option of the Issuer. The Notes will also be redeemed prior to their stated maturity in case of illegality (in accordance with Condition 6(i) ("*Illegality*")).

At those times, an investor generally may not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. This could have a material adverse effect on the yield of the Notes that could be considerably less than anticipated by the Noteholders. Prospective investors should consider reinvestment risk in light of other investments available at that time.

In addition, any optional redemption of the Notes by the Issuer is likely to limit their market value. During any period when the Issuer may elect to redeem Notes, the market value of those Notes generally will not rise above the price at which they can be redeemed. This also may be true prior to any redemption period. If they have acquired the Notes when they were trading above par, such Noteholders could lose part of their investment.

Changes in interest rates may adversely affect the value of the Notes

Investors are exposed to the risk that if interest rates subsequently increase after the issuance of the Notes, this may adversely affect the value of the Notes and investors may lose all or part of their investment.

Investors in Fixed Rate Notes (see Condition 5(b) (*Interest on Fixed Rate Notes*)) are exposed to the risk that if interest rates subsequently increase above the rate paid on the Fixed Rate Notes, this will adversely affect the value of the Notes.

Investors in Floating Rate Notes (see Condition 5(c) (*Interest on Floating Rate Notes*)) are exposed to the risk that they cannot anticipate the interest income on the Floating Rate Notes. Due to varying interest income, investors are not able to determine a definite yield for Floating Rate Notes at the time they purchase them, and therefore their investment return cannot be compared with that of investments having longer fixed interest periods and this will adversely affect the value of the Notes.

Risk relating to benchmark reforms and licensing

Where the Final Terms for a Series of Floating Rate Notes or Fixed/Floating Rate Notes identifies that the Rate of Interest for such Notes will be determined by reference to the Euro Interbank Offered Rate (**EURIBOR**) or other indices which are deemed to be benchmarks for the purpose of Regulation (EU) 2016/1011 of 8 June 2016 on indices used as benchmarks in financial instruments and financial contracts or to measure the performance of investment funds, as amended (the **Benchmarks Regulation**). Benchmarks have been the subject of recent international, national and other regulatory guidance and proposals for reform. Some of these reforms are already effective while others are still to be implemented. These reforms may cause such benchmarks to perform differently from the past or disappear entirely or have other consequences that cannot be predicted. Any such consequences could have a material adverse effect on the liquidity and value of and return on any Notes linked to such a benchmark.

The Benchmarks Regulation could have a material impact on any Notes which pay a floating rate of interest (including Floating Rate Notes and Fixed/Floating Rate Notes). In particular, if the methodology or other terms of the benchmark (such as EURIBOR) are changed in order to comply with the requirements of the Benchmarks Regulation, such changes could, among other things, have the effect of reducing, increasing or otherwise affecting the level or volatility of such benchmark. In addition, market participants may be discouraged from continuing to administer or contribute to such benchmark and the rules or methodologies used in the

benchmarks may change, which may lead to the disappearance of the benchmark. Any of these changes, could have a material adverse effect on the value of and return on any Notes linked to a benchmark.

The Benchmarks Regulation was further amended by Regulation (EU) 2021/168 of the European Parliament and of the Council of 10 February 2021 which introduces a harmonised approach to deal with the cessation or wind-down of certain benchmarks (such as EURIBOR) by conferring the power to the European Commission to designate a statutory replacement for certain benchmarks on the Commission or the relevant national authority, such replacement being limited to contracts and financial instruments (such as certain Notes issued under the Programme) which contain no fallback provision or no suitable fallback provisions and where certain trigger events relating to non-representativeness or cessation or wind down of the benchmark are met. For instance, if pursuant to a fallback provision included in Condition 5(c)(iii) ("*Rate of Interest for Floating Rate Notes*"), a benchmark is replaced by a benchmark which no longer reflects or which significantly diverges from the underlying market or the economic reality that the benchmark in cessation is intended to measure, a statutory replacement of such benchmark may be designated. This replacement could have a negative impact on the value or liquidity of, and return on, certain Notes issued under the Programme linked to or referencing such benchmark and may not operate as intended at the relevant time or may perform differently from the discontinued or otherwise unavailable benchmark.

In addition, the transitional provisions applicable to third-country benchmarks are extended until the end of 2025. Such developments may create uncertainty regarding any future legislative or regulatory requirements arising from the implementation of delegated regulations.

In addition, the Benchmarks Regulation is under review. Regulation (EU) 2025/914 of the European Parliament and of the Council of 7 May 2025 amending the Benchmarks Regulation as regards the scope of the rules for benchmarks, the use in the European Union of benchmarks provided by an administrator located in a third country, and certain reporting requirements has been published in the Official Journal of the European Union on 19 May 2025 and will apply from 1 January 2026. One of the key changes to the regime is that only benchmarks defined as critical or significant (determined based on quantitative or qualitative criteria), EU Paris-aligned benchmarks, EU climate transition benchmarks, and certain commodity benchmarks will remain in scope of the mandatory application of the Benchmarks Regulation. An exemption will apply for certain FX benchmarks. Other benchmarks will fall out of mandatory Benchmarks Regulation scope (other than certain limited provisions in relation to statutory replacement of a benchmark, connected with cessation and/or non-representativeness). However, administrators may request voluntary application of the rules (opt-in) by request to their competent authority to designate one or more of the benchmarks that they offer, subject to a €20 billion eligibility threshold. The administrators of such non-significant benchmarks will have to reapply for authorisation under the revised voluntary arrangement (with a grace period applying for such reapplication). Whilst the revised regime is introducing a number of changes primarily to the scope of the existing Benchmarks Regulation regime, for benchmarks that are in scope of the revised regime, similar risks will apply to benchmarks in scope of the current regime. The consequences of the provisions of such reform are currently assessed and they could have a significant impact on the value or liquidity of, and return on, certain Notes issued under the Programme linked to or referencing such benchmarks.

Any of the above changes or any other consequential changes to benchmarks as a result of European Union, United Kingdom, or other international, national, or other proposals for reform or other initiatives or investigations, or any further uncertainty in relation to the timing and manner of implementation of such changes could have a negative impact on the trading market for, value of and return on the Notes.

If EURIBOR or any other benchmark is discontinued, the applicable floating rate of interest will be changed in ways that may be adverse to holders of such Notes, without any requirement that the consent of such holders be obtained

Pursuant to the relevant Terms and Conditions which apply to any Notes which pay a floating rate of interest (including Floating Rate Notes and Fixed/Floating Rate Notes), where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, if the relevant reference rate has been discontinued, the fallback arrangements referenced in Condition 5(c)(iii)(C)(z) ("*Benchmark Trigger Event in relation to Floating Rate Notes*") will include the possibility that:

- i. the relevant rate of interest (or, as applicable, component thereof) could be set or, as the case may be, determined by reference to a successor rate or an alternative rate (as applicable); and
- ii. such successor rate or alternative rate (as applicable) may be adjusted (if required).

No consent of the Noteholders shall be required in connection with effecting any successor rate or alternative rate (as applicable) or with any other related adjustments and/or amendments to the Terms and Conditions (or any other document) which are made in order to effect any successor rate or alternative rate (as applicable).

The successor or alternative rate (as applicable) may have no or very limited trading history and accordingly its general evolution and/or interaction with other relevant market forces or elements may be difficult to determine or measure. In addition, given the uncertainty concerning the availability of successor or alternative rate (as applicable) and the involvement of a Rate Determination Agent, the fallback provisions may not operate as intended at the relevant time and the successor or alternative rate (as applicable) may perform differently from the discontinued benchmark. These could significantly affect the performance of a successor or alternative rate (as applicable) compared to the historical and expected performance of EURIBOR or the applicable benchmark.

Any change or adjustment applied to any Series of Notes may not adequately compensate for this impact. Any such adjustment could have unexpected commercial consequences and due to the particular circumstances of each Noteholder, any such adjustment may not be favorable to each Noteholder. This could in turn impact the rate of interest on, and trading value of, the affected Notes. Moreover, any holders of such Notes that enter into hedging instruments based on the relevant reference rate may find their hedges to be ineffective, and they may incur costs replacing such hedges with instruments tied to the successor or alternative rate (as applicable).

In certain circumstances, the ultimate fallback for a particular Interest Period, including where no successor or alternative rate (as applicable) is determined, may be that the rate of interest for the last preceding Interest Period is used for the following Interest Period. This may result in the effective application of a fixed rate for Floating Rate Notes and Fixed/Floating Rate Notes (as applicable).

Furthermore, in the event that no successor or alternative rate (as applicable) is determined and the affected Notes are effectively converted to fixed-rate Notes as described above, investors holding such Notes might incur costs from unwinding hedges. Moreover, in a rising interest rate environment, holders of such Notes will not benefit from any increase in rates. The trading value of such Notes could therefore be adversely affected. There is a high probability that certain IBORs will cease to exist or undergo changes that could increase the likelihood of the risks set out above materializing.

Fixed / Floating Rate Notes

Fixed / Floating Rate Notes (as further described in Condition 5(d) ("*Fixed/Floating Rate Notes*")) may bear interest at a rate that will automatically, or that the Issuer may elect to, convert from a fixed rate to a floating rate, from a floating rate to a fixed rate, from a fixed rate to another fixed rate or from a floating rate to another floating rate. The spread on the Fixed / Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate may at any time be lower than the rates on other Notes. If a floating rate is converted to a fixed rate, the fixed rate may be lower than then prevailing rates on its Notes. The conversion of the interest rate may affect the market yield of the Notes. The movements of the market spread can negatively affect the price of the Notes and can lead to losses for the Noteholders.

Zero Coupon Notes and Notes issued at a substantial discount or premium

The Issuer may issue Zero Coupon Notes (as further described in Condition 5(e) ("*Zero Coupon Notes*")) and Notes issued at a substantial discount or premium from their principal amount. The market value of such Notes tends to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the Notes, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities. It is difficult to anticipate future market volatility in interest rates, but any such volatility may have a negative effect on the value of the Notes.

Notes may be redeemed after their Maturity Date

Pursuant to Condition 6(a) ("*Final Redemption*") and if so specified in the relevant Final Terms, upon the occurrence of a Maturity Extension Trigger Event, the Maturity Date of the Notes shall be extended to the Extended Maturity Date. In that case, the payment of the Final Redemption Amount shall be automatically deferred and shall become due and payable on the Extended Maturity Date as specified in the relevant Final Terms, provided that all or part of the Final Redemption Amount unpaid on the Maturity Date may be paid by the Issuer on any Specified Interest Payment Date occurring thereafter up to and including the relevant Extended Maturity Date. Interest will continue to accrue on any unpaid amount during such extended period at the relevant applicable Rate of Interest (as specified in the relevant Final Terms) and be payable on each Specified Interest Payment Date and on the Extended Maturity Date all as specified in the relevant Final Terms and in accordance with the applicable Terms and Conditions.

The extension of the maturity of the Notes from the Maturity Date to the Extended Maturity Date will not result in any right of the Noteholders to accelerate payments or take action against the Issuer and will result in a delay of payments of principal on the relevant Notes.

Notes may be issued with a specific use of proceeds as Positive Impact Notes

The Final Terms may provide that the Issuer will apply an amount equivalent to the net proceeds of the issue to finance or refinance, in part or in full, eligible activities included or to be included in the SFH cover pool (the ***Eligible Activities***), as defined in the sustainable and positive impact bond framework, as amended and supplemented from time to time (the ***Framework***) which is available on the website of Société Générale (<https://investors.societegenerale.com/fr/informations-financieres-et-extra-financiere/information-extra-financieres>) and as specified in the Final Terms (the ***Positive Impact Notes***).

At the date of this Base Prospectus, the Framework aligns, among others, with (i) the Green Bond Principles, Social Bond Principles and Sustainability Bond Guidelines published by the International Capital Markets Association, in their applicable version at the time of the implementation of the Framework, and (ii) the Principles for Positive Impact Finance published by the United Nations Environment Programme - Finance Initiative. The Framework and the definitions used therein may be modified to adapt to any update that may be made, in particular, to the Green Bond Principles, Social Bond Principles and Sustainability Bond Guidelines, and/or the Principles for Positive Impact Finance. Such changes may have a negative impact on the market value and the liquidity of any Positive Impact Notes issued prior to their implementation.

On 18 June 2020, Regulation (EU) 2020/852, as amended (the ***Taxonomy Regulation***) was adopted to establish a classification system for environmentally sustainable economic activities in the EU (the ***EU Taxonomy***). The EU Taxonomy is subject to further developments through existing and future delegated regulations which set out and/or are intended to set out the technical screening criteria for each of the environmental objectives established by the Taxonomy Regulation. The Framework of the Group and the use of proceeds of the Positive Impact Notes are not aligned with the eligibility criteria of the EU Taxonomy. Nevertheless, based on the Issuer's own analysis, the eligibility criteria of the green building category of the Eligible Activities satisfy the technical screening criteria for substantial contribution to climate change mitigation and the minimum safeguard criteria but not the do no significant harm criteria set out in the EU Taxonomy. There is a risk that the use of proceeds of any Positive Impact Notes will not satisfy Noteholders' expectations or requirements with respect to investment criteria or guidelines with which the Noteholders or their investments are required to comply under their own by-laws or other governing rules or investment portfolio mandates, therefore, it could result in a reduced demand from investors for such Positive Impact Notes, as well as a decrease in their market value or their liquidity.

On 20 December 2023, Regulation (EU) 2023/2631 of the European Parliament and of the Council of 22 November 2023 on European Green Bonds and optional disclosures for bonds marketed as environmentally sustainable and for sustainability-linked bonds entered into force and became applicable as from 21 December 2024, having constituted a new voluntary European green bonds label (the ***European Green Bond Standard***) for issuers of green use of proceeds bonds where the proceeds will be invested in economic activities aligned with the EU Taxonomy. Any Positive Impact Notes issued under this Programme will not be issued according to such European Green Bond Standard. As at the date of this Base Prospectus, the impact that the European Green Bond standard may have on green bonds that do not comply with this standard (such as the Positive Impact Notes) is unclear but it could result in a reduced demand from investors for such Positive Impact Notes, as well as a decrease in their market value or their liquidity.

Any of the above events will not (i) constitute an event of default nor (ii) lead to an obligation of the Issuer to redeem the Positive Impact Notes in any manner whatsoever or be a relevant factor for the Issuer in determining whether or not to exercise any optional redemption rights in respect of any Notes nor (iii) give a right to the Noteholder to request the early redemption of the Positive Impact Notes held by it or give rise to any other claim or right.

Similarly, (i) the fact that the maturity of an Eligible Activity may not match the minimum duration of any Positive Impact Notes and/or (ii) the fact that during the life of the Positive Impact Notes, Eligible Activities may be removed from the pool of Eligible Activities, to the extent required (e.g. in case of projects divestment or cancellation, in case of amortized or redeemed loans, or if an activity ceases to meet the eligibility criteria), in which case an amount equivalent to the net proceeds, in part or in full, may not be allocated to Eligible Activities

and/or (iii) the withdrawal of any second party opinion or certification attesting that the Issuer is not complying in whole or in part with any matters for which such second party opinion or certification is opining or certifying on may have an adverse effect on the value of such Positive Impact Notes and/or result in adverse consequences for certain Noteholders with portfolio mandates to invest in securities to be used for a particular purpose and as a result, would have to dispose of the Positive Impact Notes at their prevailing market value and could lose part of their investment in such Positive Impact Notes.

3. Risks related to the market of the Notes

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

Market value of the Notes

The market value of the Notes will be affected by the creditworthiness and/or the credit ratings of the Issuer and a number of additional factors, including, the market interest and yield rates and the time remaining to the maturity date.

The value of the Notes that may be admitted to trading on Euronext Paris or any other Regulated Market depends on several interrelated factors, including economic, financial, regulatory and political events in France and elsewhere, including factors affecting capital markets generally and the stock exchanges on which the Notes are traded. The price at which a Noteholder may sell the Notes prior to maturity may be at a discount, which could be substantial, from the issue price or the purchase price paid by such purchaser. Therefore, Noteholders may lose all or part of their investment in the Notes.

In addition, if an Extended Maturity Date is specified in the Final terms and the Final Redemption Amount of the relevant Series is not paid by the Issuer on the Maturity Date, the payment of such Final Redemption Amount shall be automatically deferred and shall become due and payable on the Extended Maturity Date. In this scenario, Noteholders will be further exposed to market risks until the Extended Maturity Date. As a result, the situation of the Issuer might adversely change between the Maturity Date and the Extended Maturity Date and the market value of the Notes between the Maturity Date and the Extended Maturity Date might be significantly affected.

A trading market may not develop or continue or may not be liquid

Notes may have no established trading market when issued, and an active trading market may not develop in the future. If a market does develop, it may not be very liquid. The liquidity and the market prices for the Notes can be expected to vary with changes in market and economic conditions, the Issuer's financial condition and prospects and other factors that generally influence the market prices of securities. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. Illiquidity may have a severely adverse effect on the market value of Notes.

Moreover, although the Issuer can purchase Notes at any moment pursuant to Condition 6(f) ("*Purchases*"), this is not an obligation for the Issuer. Purchases made by the Issuer could affect the liquidity of the secondary market of the relevant Notes and thus the price and the conditions under which investors can negotiate these Notes on the secondary market.

If the relevant Final Terms provide that application is made for a Series of French Law Notes issued under the Programme to be admitted to trading on Euronext Paris and/or any other stock

exchange, any particular application may not be accepted, such Series of Notes may not be so admitted, an active trading market in respect of such Series may not develop or, once accepted and/or admitted, such admission and/or listing may be suspended or terminated during the life of the Notes of such Series. Such situation could materially affect the market value of the Notes.

Changes in exchange rate and exchange controls could result in a substantial loss

This Programme allows for Notes to be issued in a Specified Currency as defined in Condition 5(a) ("*Interest and other Calculations*"). The Issuer will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the ***Investor's Currency***) other than the Specified Currency. These include the risk that exchange rates may change significantly (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Notes, (2) the Investor's Currency-equivalent value of the principal payable on the Notes, and (3) the Investor's Currency-equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal as measured in the Investor's Currency.

3. **IMPORTANT CONSIDERATIONS**

Independent review and advice

Each prospective investor in the Notes must determine, based on its own independent review and such professional advice as it deems appropriate under the circumstances, that its acquisition of the Notes is fully consistent with its financial needs, objectives and condition, complies and is fully consistent with all investment policies, guidelines and restrictions applicable to it and is a fit, proper and suitable investment for it, notwithstanding the clear and substantial risks inherent in investing in or holding the Notes.

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each prospective investor should consult its legal advisers to determine whether and to what extent (i) Notes are legal investments for it, (ii) Notes can be used as collateral for various types of borrowing and (iii) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules. Prospective investors should also conduct such independent investigation and analysis regarding the Issuer, the Notes and all other relevant market and economic factors as they deem appropriate to evaluate the merits and risks of an investment in Notes.

A prospective investor may not rely on the Issuer, the Arranger or the Dealer(s) or any other member of the Group in connection with its determination as to the legality of its acquisition of the Notes or as to the other matters referred to above.

Assessment of investment suitability

Each prospective investor in the Notes must determine the suitability of that investment in light of its own financial circumstances and investment objectives, and only after careful consideration with its financial, legal, tax and other advisers. In particular, each prospective investor should:

- (a) have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the relevant Notes and the information contained in or incorporated by reference in this Base Prospectus or any applicable supplement to this Base Prospectus or any applicable supplement;
- (b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;
- (c) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes;
- (d) understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant interest rates and financial markets;
- (e) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks; and

- (f) be aware, in terms of legislation or regulatory regime applicable to such investor of the applicable restrictions on its ability to invest in the Notes and in any particular type of Notes.

Some Notes are complex financial instruments. A prospective investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the prospective investor's overall investment portfolio.

Taxation

Prospective investors and sellers of the Notes should be aware that they may be required to pay taxes or documentary charges or duties in accordance with the laws and practices of the jurisdiction where the Notes are transferred or other jurisdictions, including the Issuer's country of incorporation, which may have an impact on the income received from the securities. In some jurisdictions, no official statements of the tax authorities or court decisions may be available for innovative financial notes, such as the Notes. Prospective investors are advised to ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, holding, disposal and redemption of the Notes. Only these advisors are in a position to duly consider the specific situation of the prospective investor.

No legal and tax advice

Each prospective investor should consult its own advisers as to legal, tax and related aspects of an investment in the Notes. A Noteholder's effective yield on the Notes may be diminished by the tax on that Noteholder of its investment in the Notes.

A Noteholder's actual yield on the Notes may be reduced from the stated yield by transaction costs.

Legality of Purchase

None of the Issuer, the Arranger, the Dealer(s), Agents or any of their respective affiliates has or assumes responsibility for the lawfulness of the acquisition of the Notes by a prospective purchaser of the Notes, whether under the laws of the jurisdiction of its incorporation or the jurisdiction in which it operates (if different), or for compliance by that prospective purchaser with any law, regulation or regulatory policy applicable to it.

Legal investment considerations may restrict certain investments

The investment activities of certain investors can be subject to legal investment laws and regulations and/or review or regulation by certain authorities. Each prospective investor should consult its legal advisers to determine whether and to what extent (1) Notes constitute legal investments for it, (2) Notes can be used as collateral for various types of borrowing, and (3) other restrictions that could apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisors or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules. None of the Issuer, the Arranger, the Dealer(s) or any of their respective affiliates has or assumes responsibility for the lawfulness of the acquisition of the Notes by a prospective investor in the Notes, whether under the laws of the jurisdiction of its incorporation or the jurisdiction in which it operates (if different), or for compliance by that prospective investor with any law, regulation or regulatory policy applicable to it.

Conflicts of interests in respect of Société Générale

With respect to the Notes, conflicts of interest may arise as a result of various factors involving in particular Société Générale, its affiliates and the other parties named herein. For example, such potential conflicts may arise because Société Générale acts in several capacities under the operating of the Issuer and the Programme, as Fiscal Agent, Calculation Agent, Dealer as well as Borrower under the Facility Agreement and controlling shareholder of the Issuer (see section entitled "*Relationship between Société Générale SFH and Société Générale*").

In particular, whilst Société Générale has information barriers and procedures in place to manage conflicts of interest, it may in its other banking activities from time to time be engaged in transactions involving an index or related derivatives which may affect amounts receivable by the Noteholders during the term and on the maturity of the Notes or the market price, liquidity or value of the Notes and which could be deemed to be adverse to the interests of the Noteholders.

Even if their respective rights and obligations under the Programme are not conflicting and are independent from one another, in performing any such obligations in these different capacities under the Programme, Société Générale and/or its affiliates may be in a situation of conflict of interests. Société Générale and/or such affiliates will only have the duties and responsibilities expressly agreed to by such entity in the relevant capacity and will not, by virtue of its or any of its affiliates acting in any other capacity, be deemed to have other duties or responsibilities or be deemed to hold a duty of care other than as expressly provided in respect of each such capacity.

Also, during their business activities, the parties to the Programme and/or any of their respective affiliates may operate, service, acquire or sell properties, or finance loans secured by properties, which are in the same markets as the underlying home loans.

Use of Proceeds related to Positive Impact Notes

The Final Terms in respect of Notes may provide that the Issuer will apply an amount equivalent to the net proceeds of the issue to finance or refinance, in part or in full, Eligible Activities, which serve to deliver a positive contribution to one or more of the three pillars of sustainable development (economic, environmental and social), once any potential negative impacts and mitigation actions have been duly identified as defined in the Framework and as specified in the Final Terms.

Subsequent changes to the Framework will not apply to outstanding Positive Impact Notes (grandfathering). As such, Eligible Activities must meet the eligibility criteria at the time they are flagged as Eligible Activities, it being understood that if Société Générale SFH decides to enhance eligibility criteria, then these new criteria will not apply retroactively (Existing Eligible Activities do not lose their status if they do not meet the new eligibility criteria) to the existing Eligible Activities. For the avoidance of doubt, new Positive Impact Notes shall be aligned with the most recent version of the Framework applicable on their issue date.

During the life of the Positive Impact Notes, Eligible Activities will be added to or removed from the pool of Eligible Activities to the extent required (e.g., in case of projects divestment or cancellation, in case of amortized or redeemed loans, or if an activity ceases to meet the eligibility criteria). In case of removal of Eligible Activities, Société Générale SFH commits, on a best effort basis, to reallocate immediately the equivalent amount of proceeds to other Eligible Activities.

Eligible Activities will be tracked through Société Générale SFH's internal IT systems.

Pending the full allocation of an amount equivalent to the net proceeds, the unallocated amount will be managed within Société Générale SFH's regular cash management operations.

Positive Impact Notes can be either Green Positive Impact Notes, Social Positive Impact Notes or Sustainability Positive Impact Notes if an amount equivalent to the net proceeds is applied to finance or refinance Eligible Activities in the green categories, social categories or in both categories (in the case of Sustainability Positive Impact Notes) pursuant to the Framework.

Prospective investors should have regard to the information set out in the Final Terms and the Framework regarding such use of proceeds and must determine for themselves the relevance of such information for the purpose of any investment in such Positive Impact Notes together with any other investigation such investor deems necessary.

The definition (legal, regulatory or otherwise) of, and market consensus as to what constitutes or may be classified as, a "sustainable", "green" or equivalently-labelled project or a loan that may finance such activity, and the requirements of any such label are currently under development.

There can be no assurance by the Issuer, the Arranger or the Dealers that the use of proceeds of the Positive Impact Notes identified in the Final Terms will satisfy, whether in whole or in part, any future legislative or regulatory requirements, or any present or future investor expectations or requirements with respect to investment criteria or guidelines with which any investor or its investments are required to comply whether by any present or future applicable law or regulation or under its own by-laws or other governing rules or investment portfolio mandates.

No assurance or representation is given by the Arranger or the Dealers as to the content, suitability or reliability for any purpose whatsoever in respect of (i) any second party opinion or certification of any other third party (whether or not solicited by the Issuer) that may be made available in connection with the issue of any Positive Impact Notes and in particular with any activity to fulfil any environmental, social and/or other criteria (ii) any Framework to be published on Société Générale's website on or before the issue of any Positive Impact Notes or equivalently labelled Notes, or on (iii) any public reporting or (iv) any Positive Impact Notes or equivalently labelled Notes.

Currently, the providers of such second party opinions and certifications are not subject to any specific regulatory or other regime or oversight. Any such second party opinion or certification is not, nor should be deemed to be, a recommendation by the Issuer or any other person to buy, sell or hold any such Positive Impact Notes.

The Arranger or the Dealers do not make any representation as to the suitability of the Positive Impact Notes to fulfil "positive impact" criteria required by prospective investors. The Arranger or the Dealers have not undertaken, nor are responsible for, any assessment of the eligibility criteria, any verification of whether the Positive Impact Notes meet the eligibility criteria, or the monitoring of the use of proceeds. Investors should refer to Société Générale's website (<https://investors.societegenerale.com/en>) or any third party opinion.

Investors should refer to the relevant Final Terms, Société Générale's website, Société Générale's Framework and the second-party opinion delivered in respect thereof, if any, and any public reporting by or on behalf of the Issuer in respect of the application of the proceeds of any Eligible Activities for further information. Any such Framework and/or second party opinion and/or public reporting will not form part of, nor be incorporated by reference in, this Base Prospectus.

European Green Bond Standard

Regulation (EU) 2023/2631 of the European Parliament and of the Council of 22 November 2023 on European Green Bonds and optional disclosures for bonds marketed as environmentally sustainable and for sustainability-linked bonds was published in the Official Journal of the European Union on 30 November 2023. The regulation, which entered into force on 20 December 2023 will apply from 21 December 2024. It introduces a voluntary label for issuers of green use of proceeds bonds where the proceeds will be invested in economic activities aligned with the EU Taxonomy (the ***European Green Bond Standard***). Any Positive Impact Notes issued under this Programme will not be issued according to such European Green Bond Standard.

Legal framework

At the date of this Base Prospectus, the legal and regulatory regime applicable to *sociétés de financement de l'habitat* (SFH) results mainly from the following provisions as they may be amended, superseded or supplemented from time to time:

- (a) Articles L.513-1 *et seq.* of the French Monetary and Financial Code;
- (b) Articles R.513-1-A *et seq.* of the French Monetary and Financial Code;
- (c) Article 74 of law n°. 2010-1249 of 22 October 2010 on banking and financial regulation;
- (d) the Regulation (*règlement*) no. 99-10 dated 9 July 1999 issued by the *Comité de la Réglementation Bancaire et Financière* (Banking and Financial Regulation Committee) (the **CRBF Regulation**); and

Entities entitled to issue *obligations de financement de l'habitat*

SFH are specialised credit institutions (*établissements de crédit spécialisés*) and authorised to act as SFH by the ACPR.

The exclusive legal purpose of the SFH is to grant or finance home loans and hold securities, exposures and deposits under the conditions set out in the French Monetary and Financial Code.

Eligible assets

At the date of this Base Prospectus, in accordance with the French current legal framework applicable to SFH, the eligible assets to a SFH may only be:

- (a) home loans (*prêts à l'habitat*) which are secured by a first-ranking mortgage (*hypothèque de premier rang*) or other real estate security interests that are equivalent to a first-ranking mortgage (within the meaning of Article L.513-3 I, 1 of the French Monetary and Financial Code), or that are guaranteed by a credit institution, a financing company (*société de financement*), or an insurance company, qualifying for the credit quality step 2 (*deuxième échelon de qualité de crédit*) or above given by an external rating agency recognised by the ACPR as provided in Article L.511-44 of the French Monetary and Financial Code. The property must be located in France or in any other Member State of the European Union or the EEA or in a State that qualifies for the credit quality step 1 (*meilleur échelon de qualité de crédit*) given by an external rating agency recognised by the ACPR as provided in Article L.511-44 of the French Monetary and Financial Code;
- (b) loans granted by it to any credit institution and guaranteed by the transfer (*remise*), the assignment (*cession*) or the pledge (*nantissement*) of home loans receivables (as defined in paragraph (a) above) pursuant to the provisions of Articles L.211-38 to L.211-40 or Articles L.313-23 to L.313-35 of the French Monetary and Financial

Code, provided that the provisions of Article L.513-3 of the French Monetary and Financial Code are complied with; and

- (c) under the conditions set out in Article L.513-29 of the French Monetary and Financial Code, promissory notes (*billets à ordre*) governed by Articles L.313-42 to L.313-48 of the French Monetary and Financial Code and which represent receivables arising from the secured home loans receivables referred to in (a) above, provided that the provisions of Article L.513-3 of the French Monetary and Financial Code are complied with.

A SFH may acquire and own any immovable or movable property which is necessary for the accomplishment of its corporate purpose or which derives from the recovery of the receivables it holds.

A SFH is not entitled to hold any equity interest (*participations*) in any entity in accordance with Article L.513-29, IV of the French Monetary and Financial Code.

In the case of the Issuer, the eligible assets are loans referred to in (b) above granted by the Issuer to Société Générale in accordance with the provisions of the Facility Agreement and that are fully secured in favour of the Issuer by the transfers by way of security of the full title (*remise en pleine propriété à titre de garantie*) of guaranteed home loan receivables pursuant to the provisions of Articles L.211-36 *et seq.* of the French Monetary and Financial Code and the provisions of the Collateral Security Agreement.

Pursuant to Article R.513-18 of the French Monetary and Financial Code, *sociétés de financement de l'habitat* must keep the record of all loans made available by it or acquired by it. This record must specify the type and value of the security and guarantees attached to such loans and the type and amount of the liabilities benefiting from the *Privilège*.

In accordance with Article L.513-7 of the French Monetary and Financial Code, the *sociétés de financement de l'habitat* are not allowed to make any other investments, except investments in securities, exposures or deposits within the conditions and limits set out in Articles R.513-6 and R.513-20 of the French Monetary and Financial Code.

Pursuant to Article 12 of the CRBF Regulation, the Issuer shall dispose of a system for measuring overall interest rate risks under the conditions set forth in Articles 134 to 139 of the *arrêté* dated 3 November 2014 relating to the internal control of credit institutions.

Pursuant to Article 12 ter of the CRBF Regulation, the level of rate matching between the assets and the liabilities of the Issuer shall be verified by the Cover Pool Monitor. The ACPR will define the rules on inclusion and valuation of the forward financial instruments.

Sociétés de financement de l'habitat must publish and send to the ACPR certain quarterly an annual information on their assets and liabilities the detail, content and form of which are set forth in the CRBF Regulation and the then current applicable ACPR instructions.

In particular, according to Article L.513-9 of the French Monetary and Financial Code and Article 13 bis of the CRBF Regulation, the Issuer must publish within forty-five (45) calendar days of the end of every quarter a report containing the same information relating to the quality of its assets and its outstanding covered bonds and other liabilities benefiting from the *Privilège*. Such report is available for viewing on the website of Société Générale (<https://investors.societegenerale.com/en/financial-and-non-financial-information/debt-investors>).

See also section entitled "*Description of the Issuer – Issuer's exclusive purpose and business overview*".

Privilège and liabilities

Privilège and derogation to insolvency regime

The OFH issued by SFH, together with the other resources raised pursuant to an agreement or a document designed to inform the public (within the meaning of Article L.412-1 of the French Monetary and Financial Code) or any equivalent document required for the admission to trading on foreign regulated markets which mentions the *Privilège*, and the liabilities resulting from derivative transactions relating to the hedging of OFH and other privileged debts in accordance with Article L.513-10 of the French Monetary and Financial Code benefit from the *Privilège* set out under Article L.513-11 of the French Monetary and Financial Code.

Pursuant to Article L.513-11 of the French Monetary and Financial Code, notwithstanding any legal provisions to the contrary and in particular the provisions included in the *Code de commerce* (the **French Commercial Code**) relating to the prevention and conciliation of business difficulties, to the safeguard and to the judicial administration and liquidation of companies:

- (a) the sums deriving from the loans, or assimilated receivables, exposures, securities and deposits eligible to the assets of a SFH in the meaning of Articles L.513-28 and L.513-29 of the French Monetary and Financial Code, including, from any mortgage, charge, lien or other accessories and indemnities relating thereto, and from forward financial instruments used for hedging as referred to in Article L.513-10 of the French Monetary and Financial Code (in each case after set-off as the case may be), together with the claims in respect of deposits made by the SFH with credit institutions, are allocated in priority to the payment of the OFH, and any other resources raised by the Issuer and benefiting from the *Privilège*. It should be noted that it is not solely the OFH that benefit from the *Privilège*; other resources raised by the Issuer pursuant to any agreement, document purporting to inform the public within the meaning of Article L.412-1 of the French Monetary and Financial Code or any other equivalent document required in connection with the admission to trading on a Regulated Market located outside France referring to the *Privilège* and forward financial instruments (i.e. derivative transactions) used for hedging under the conditions of Article L.513-10 of French Monetary and Financial Code, as well as some ancillary expenses and the sums, if any, due under the contract provided for in Article L.513-15 of the French Monetary and Financial Code may also benefit from the *Privilège*;
- (b) in case of safeguard (*sauvegarde*), judicial reorganisation (*redressement judiciaire*) or judicial liquidation (*liquidation judiciaire*) proceedings against the Issuer, or resolution proceedings opened pursuant to Article L.613-49 of the French Monetary and Financial Code against the Issuer, the amounts due by the Issuer regularly from the operations referred to in Article L.513-30-I of the French Monetary and Financial Code are paid on their contractual due date, and in priority to all other debts, whether or not preferred or secured, including interest resulting from agreements whatever their duration. No other creditor of a SFH may exercise any right over the assets and rights of such SFH until all creditors benefiting from the *Privilège* have been fully paid off, either in principal or accrued or future interest; and
- (c) neither safeguard (*sauvegarde*), judicial reorganisation (*redressement judiciaire*) or judicial liquidation (*liquidation judiciaire*) proceedings against the Issuer, nor resolution proceedings opened pursuant to Article L.613-49 of the French Monetary

and Financial Code against the Issuer will result in the acceleration of payment of OFH and other debts benefiting from the *Privilège*.

In case of bankruptcy proceedings (*procédures de sauvegarde, de redressement ou de liquidation judiciaires*) of a *société de financement de l'habitat*, the Cover Pool Monitor will be responsible for filing claims on behalf of creditors benefiting from the *Privilège*.

In addition, the French Monetary and Financial Code provides for a regime which derogates in many ways from the French legal provisions relating to insolvency proceedings. In particular:

- in accordance with Article L.513-31 of the French Monetary and Financial Code, the provisions of Article L.632-2 of the French Commercial Code on hardening period (*nullités facultatives de la période suspecte*) are not applicable to contracts concluded by a SFH, or to legal transactions made by or in favour of a SFH, as far as such contracts or transactions are directly related to the transactions referred to in Articles L.513-28 to L.513-30 of the French Monetary and Financial Code;
- in accordance with Article L.513-20 of the French Monetary and Financial Code, the bankruptcy proceedings (*procédures de sauvegarde, de redressement ou de liquidation judiciaires*) of a shareholder of the Issuer cannot be extended to the Issuer;
- in accordance with Article L.513-21 of the French Monetary and Financial Code, any service/loan agreement pursuant to which the Issuer has delegated to another credit institution or financing company (*société de financement*) the management or the recovery of loans, exposures, assimilated receivables, securities, deposits, bonds or other sources of financing may be immediately terminated upon the opening of bankruptcy proceedings (*procédures de sauvegarde, de sauvegarde accélérée, de redressement ou de liquidation judiciaires*) affecting that credit institution or financing company (*société de financement*);
- pursuant to Article L.513-11 of the French Monetary and Financial Code, notwithstanding any legal or contractual provision to the contrary, no termination, suspension, set-off or amendment of an ongoing forward financial instrument entered into by the Issuer can result solely from safeguard (*sauvegarde*), judicial reorganisation (*redressement judiciaire*) or judicial liquidation (*liquidation judiciaire*) proceedings against the Issuer, or resolution proceedings opened pursuant to Article L.613-49 of the French Monetary and Financial Code against the Issuer; and
- Article L.211-40 of the French Monetary and Financial Code relating to financial guarantees, such as the Collateral Security, expressly provides that the provisions of book VI of the French Commercial Code shall not impede (*ne font pas obstacle*) the application of Articles L.211-36 *et seq.* of the French Monetary and Financial Code, which may include Article L.650-1 of the French Commercial Code, pursuant to which a creditor may be held liable towards a bankrupt debtor if the credit granted by it to such debtor entailed a damage and the security interest securing such credit is disproportionate (*disproportionné*) compared to that credit, save in case of fraud.

Non-privileged debts

SFH may also raise other resources which do not benefit from the *Privilège*. Such other resources include:

- (a) loans or resources raised pursuant to an agreement or a document designed to inform the public (within the meaning of Article L.412-1 of the French Monetary and

Financial Code) or any equivalent document required for the admission to trading on foreign regulated markets that does not mention the *Privilège*;

- (b) promissory notes (*billets à ordre*) issued pursuant to and in accordance with the provisions of Articles L.313-43 to L.313-48 of the French Monetary and Financial Code in order to refinance home loans receivables that meet legal criteria of Article L.513-29 of the French Monetary and Financial Code, as an exception to Article L.313-42 of the said code; and
- (c) temporary transfers of its securities as provided for in Articles L.211-22 to L.211-34 of the French Monetary and Financial Code, pledge of a securities account as defined in Article L.211-20 of the French Monetary and Financial Code and transfer of all or part of its receivables in accordance with Articles L.211-36 to L.211-40 or in accordance with Articles L.313-23 *et seq.* of the French Monetary and Financial Code, regardless of their professional nature. The receivables and securities so refinanced are not taken into account for the purpose of determining the cover ratio of the resources benefiting from the *Privilège*.

Financing portion (*quotité de financement*)

Pursuant to Article R.513-1 of the French Monetary and Financial Code to which Article R.513-19 of the same code expressly refers, the Issuer may only finance the home loans through issuance of OFH or other resources benefiting from the *Privilège* up to the lowest of the following amounts:

- the principal outstanding amount of the home loan;
- the product of (i) the value of the financed real estate by guaranteed home loans or of the charged residential real estate for mortgage home loan and (ii) the applicable "financing portion" (*quotité de financement*) referred to in Article R.513-1 of the French Monetary and Financial Code (which in respect of certain home loans is 80%).

Cover ratio

SFH must at any time maintain a cover ratio between their assets and their liabilities benefiting from the *Privilège*. According to Articles L.513-12 and R.513-8 of the French Monetary and Financial Code, SFH must at all times maintain a cover ratio of at least one hundred and five per cent. (105%) of the total amount of their liabilities which benefit from the *Privilège* by the total amount of their assets, including claims for payment attached to forward financial instruments benefiting from the *Privilège* as well as any collateral received in relation to such forward financial instruments.

For the calculation of this cover ratio, pursuant to Article R.513-8 of the French Monetary and Financial Code, when the assets comprise receivables secured by collateral assets pursuant to Articles L.211-38 to L.211-40, L.313-23 to L.313-35 and L.313-42 to L.313-49 of the French Monetary and Financial Code, which are not liquid assets or short term exposures to credit institutions, the SFH must take into account the expected flows relating to assets received as collateral rather than relating to the secured receivables. In addition, for the calculation of this ratio, *sociétés de financement de l'habitat* shall take into account, under the conditions and within the limits defined by a ministerial decree (*arrêté*) dated 7 July 2021, exposures on companies belonging to the same consolidated group within the meaning of Article L.233-16 of the French Commercial Code. Unsecured receivables deemed to be in default within the meaning of Article 178 of Regulation (EU) no. 575/2013 dated 26 June 2013, as amended, may not contribute to the calculation of the cover ratio. Moreover, assets that contribute to

compliance with the cover ratio above the level of 100% are not subject to the limits applicable to exposures on credit institutions (*établissements de crédit*) defined in Article R.513-6 of the French Monetary and Financial Code and are not taken into account for the purposes of calculating these limits.

Calculation of this cover ratio is set out in the CRBF Regulation pursuant to which the ratio's denominator (Article 8 of the CRBF Regulation) is composed of OFH and other resources benefiting from the *Privilège*, as well as the projected maintenance and management costs to terminate the Programme, and the ratio's numerator (Article 9 of the CRBF Regulation) is composed of all the assets of the SFH, after application of a specific weighting percentage or reduction depending on the nature of the exposure.

SFH must appoint a cover pool monitor (*contrôleur spécifique*) (the **Cover Pool Monitor**) with the approval of the ACPR whose task is to ensure that the cover ratio is complied with at all times. In particular, the Cover Pool Monitor must certify that the cover ratio is satisfied in connection with (i) the SFH's quarterly issuances programme benefiting from the *Privilège* and (ii) any specific issue also benefiting from the *Privilège* whose amount is equal to or greater than €500 million. The Cover Pool Monitor must verify the quality of the assets, the process of yearly revaluation and the quality of the asset liability management. The Cover Pool Monitor (as further described in the paragraph entitled "Cover Pool Monitor" below) has access to information that allows confirmation of each issue's compliance with the cover ratio.

Pursuant to Article 10 of the CRBF Regulation, this cover ratio is published quarterly (on 31 March, 30 June, 30 September and 31 December) by the Issuer, and the most updated cover ratio is available for viewing on the website of Société Générale (<https://investors.societegenerale.com/en/financial-and-non-financial-information/debt-investors>).

As of 31 December 2024, the cover ratio certified by the Cover Pool Monitor was 116.26%.

Liquidity coverage

In accordance with Article R.513-7 of the French Monetary and Financial Code, a SFH must ensure at any time the coverage of its liquidity needs over a period of one hundred and eighty (180) calendar days by eligible liquid assets listed in Article R.513-7 of the French Monetary and Financial Code, taking into account the expected flows in principal and interest under its assets and the net flows relating to the forward financial instruments (*instruments financiers à terme*) referred to in Article L.513-10 of the French Monetary and Financial Code. In case of Notes for which the Maturity Date may be extended, the calculation of the expected provisional flows arising from loans or assimilated receivables, exposures and securities eligible to the assets of the Issuer in the meaning of Articles L.513-28 and L.513-29 of the French Monetary and Financial Code may be made on the basis of the Extended Maturity Date as specified in the relevant Final Terms or the Terms and Conditions.

In addition, pursuant to the CRBF Regulation, a SFH must ensure that the average life of the eligible assets held by them, up to the minimum amount required to comply with the cover ratio referred to in Article R.513-8 of the French Monetary and Financial Code, does not exceed more than 18 months the average life of its liabilities benefiting from the *Privilège*.

In the case where the assets of the SFH are composed of receivables guaranteed by collateral assets in accordance with Articles L.211-36 to L.211-40, L.313-23 to L.313-35, and L.313-42 à L.313-49 of the French Monetary and Financial Code, if these assets are not securities, exposures or deposits that are sufficiently secure and liquid as defined in Article L.513-7 of the

French Monetary and Financial Code, the liquidity needs are evaluated by considering the assets transferred as collateral security (and not the receivables).

In accordance with, and pursuant to, the provisions of Article L.513-26 of the French Monetary and Financial Code, a SFH may also, by derogation to the provisions of Articles 1349 of the French *Code civil* and L.228-44 to L.228-74 of the French Commercial Code, subscribe for its own OFH, for the sole purpose of pledging them as collateral security (*affecter en garantie*) in order to secure the credit transactions (*opérations de crédit*) of the *Banque de France* in accordance with the terms and conditions determined by the *Banque de France* for its monetary and intraday credit policy, if the SFH is not able to cover its cash needs with the other means available to it, provided that:

- (a) the total amount of the OFH subscribed by the Issuer does not exceed ten per cent. (10%) of the total outstanding amount (*encours total*) of the resources benefiting from the *Privilège* as of the date of their subscription;
- (b) such OFH are disentitled of their rights under Articles L.228-46 to L.228-89 of the French Commercial Code as long as the SFH holds them;
- (c) such OFH are pledged for the benefit of the *Banque de France* within an 8-day period starting from the date on which they are paid and delivered (otherwise, such Notes shall be cancelled by the SFH at the end of such 8-day period); and
- (d) they cannot be subscribed by third parties.

The Cover Pool Monitor certifies these conditions are met in a report delivered to the *Autorité de contrôle prudentiel et de résolution*.

Pursuant to Article R.513-17 of the French Monetary and Financial Code, the OFH subscribed by the SFH in accordance with, and pursuant to, the provisions of Article L.513-26 of the French Monetary and Financial Code, shall be cancelled within an 8-day period starting from the date on which they cease to be pledged for the benefit of the *Banque de France*.

Hedging

The Issuer may enter into financial instruments to hedge its interest rate and currency risks on the loans and exposures referred to in Articles L.513-28 and L.513-29 of the French Monetary and Financial Code, on the OFH and on other resources whether or not benefiting from the *Privilège*. Any amounts payable pursuant to these financial instruments (including any termination costs, if any), after the applicable set-off as the case may be, benefit from the *Privilège*, unless such financial instruments were not concluded by the Issuer to hedge items of its assets and/or privileged liabilities or the global risk on its assets, liabilities and off-balance sheet items in accordance with Article L.513-10 of the French Monetary and Financial Code.

Cover Pool Monitor

In each SFH, a Cover Pool Monitor and a substitute Cover Pool Monitor (*contrôleur spécifique suppléant*) are in charge of ensuring the compliance of the SFH with the legal framework described above. The Cover Pool Monitor and the substitute Cover Pool Monitor are selected from the official list of auditors and appointed by the officers of the SFH with the approval of the ACPR.

Pursuant to Article L.513-32 of the French Monetary and Financial Code, the tasks of the Cover Pool Monitor, as a *contrôleur spécifique*, are:

- (a) to ensure that the SFH complies with Articles L.513-28 to L.513-30 of the French Monetary and Financial Code;
- (b) to certify that the cover ratio is satisfied in connection with (i) the SFH's quarterly programme of issues benefiting from the *Privilège* and (ii) any issue of resources benefiting from the *Privilège* and whose amount is equal to or greater than €500 million;
- (c) to ensure that the home loans (*prêts à l'habitat*) granted or refinanced by the SFH comply with the purpose of Article L.513-28 of the French Monetary and Financial Code and with the requirements set out in Articles L.513-29 *et seq.* of the French Monetary and Financial Code;
- (d) to control, when the home loans (*prêts à l'habitat*) granted or financed by the SFH are subject to a guarantee (*cautionnement*) from another credit institution, financing company (*société de financement*) or insurance company included in the consolidation scope, as defined by Article L.233-16 of the French Commercial Code as applicable to the SFH, the risks assessment methods established by such credit institution, financing company (*société de financement*) or insurance company are adequate, in accordance with Article R.513-21 of the French Monetary and Financial Code; and
- (e) to review, pursuant to Article 12 ter of the CRBF Regulation, the level of rate and maturity matching between the assets and the liabilities. In case the Cover Pool Monitor believes that the level of rate and maturity matching would create excessive risks for the creditors benefiting from the *Privilège*, the Cover Pool Monitor informs the officers of the relevant SFH and the ACPR.

The Cover Pool Monitor attends all shareholders' meetings and, on his request, may be heard by the board of directors of the SFH (Article L.513-23 of the French Monetary and Financial Code).

Pursuant to Article L.513-32 of the French Monetary and Financial Code, in relation to Notes for which the Issuer requests the use, or benefits from, the "European Covered Bond (Premium)" label, the Cover Pool Monitor verifies that the provisions of Article 129 of Regulation (EU) no. 575/2013 dated 26 June 2013, as amended, are complied with.

Pursuant to Articles R.513-14 of the French Monetary and Financial Code and Article 15 of the CRBF Regulation, the Cover Pool Monitor verifies, on a yearly basis, the availability of all information that must be disclosed in relation to the transfer plan to be put in place by the credit institutions or financing companies (*sociétés de financement*) entrusted with the management or the recovery of loans, bonds or other sources of financing of the Issuer pursuant to Article L.513-15 of the French Monetary and Financial Code. The transfer plan shall be sent to the ACPR.

The Cover Pool Monitor is entitled to receive all the documents and information necessary to the fulfilment of its mission and to perform, under certain conditions, any audit and control in the premises of the SFH. The Cover Pool Monitor prepares annual reports on the accomplishment of his missions to the management of the SFH, a copy of which is delivered to the ACPR.

Extendable maturity structure

Prior to the decree-law (*ordonnance*) no. 2021-858 dated 30 June 2021 and the decree (*décret*) no. 2021-898 dated 6 July 2021, the Issuer already issued Notes with extendable maturity structures.

Such practice is now enshrined by the decree-law (*ordonnance*) no. 2021-858 dated 30 June 2021, the decree (*décret*) no. 2021-898 dated 6 July 2021, the decree (*décret*) no 2022-766 dated 2 May 2022 and the decree (*décret*) no. 2023-102 dated 16 February 2023. However, these provisions do not apply to *obligations de financement de l'habitat* issued before 8 July 2022.

In accordance with Article L.513-30 and Article R.513-8-1 of the French Monetary and Financial Code, a *société de financement de l'habitat* may issue *obligations de financement de l'habitat* with an extendable maturity date, provided that:

- (i) the relevant maturity extension trigger event(s) is(are) defined in Article R.513-8-1 of the French Monetary and Financial Code (as it may be amended from time to time), being as of the date hereof:
 - (a) (A) a default of payment, on the initially set maturity date, of principal or interest under a loan granted by the *société de financement de l'habitat* to a credit institution and secured by the remittance, assignment or pledge (*la remise, la cession ou le nantissement*) of the home loan receivables pursuant to Articles L.211-38 to L.211-40 or Articles L.313-23 to L.313-35 of the French Monetary and Financial Code, whether or not such receivables are of a professional nature or (B) a default of payment, by the credit institution issuing promissory notes subscribed by the *société de financement de l'habitat* in accordance with the terms and conditions defined in Articles L.313-43 to L.313-48 of the French Monetary and Financial Code, of principal or interest under such promissory notes;
 - (b) a default of payment, on the initially set maturity date, of principal or interest due under the *obligations de financement de l'habitat* by the *société de financement de l'habitat*;
 - (c) (A) a credit institution benefiting from loans granted by the *société de financement de l'habitat* and secured by the remittance, assignment or pledge (*la remise, la cession ou le nantissement*) of the home loan receivables pursuant to Articles L.211-38 to L.211-40 or Articles L.313-23 to L.313-35 of the French Monetary and Financial Code, whether or not such receivables are of a professional nature, or (B) a credit institution issuing promissory notes subscribed by the *société de financement de l'habitat* in accordance with the terms and conditions defined in Articles L.313-43 to L.313-48 of the French Monetary and Financial Code is subject to safeguard, reorganisation or liquidation proceedings (*sauvegarde, redressement ou liquidation judiciaires*) or resolution proceedings opened in accordance with Article L.613-49 of the French Monetary and Financial Code; and
 - (d) the *société de financement de l'habitat* is subject to safeguard, reorganisation or liquidation proceedings (*sauvegarde, redressement ou liquidation judiciaires*) or resolution proceedings opened in accordance with Article L.613-49 of the French Monetary and Financial Code;
- (ii) the terms and conditions of such *obligations de financement de l'habitat* specify the relevant maturity extension trigger event(s);
- (iii) the final maturity date (the **Final Maturity Date**) of such *obligations de financement de l'habitat* is at all times determinable; and

- (iv) in the event the *société de financement de l'habitat* is subject to safeguard, reorganisation or liquidation proceedings (*sauvegarde, redressement ou liquidation judiciaires*) or resolution proceedings opened in accordance with Article L.613-49 of the French Monetary and Financial Code, the maturity extensions do not affect the ranking of the investors in such *obligations de financement de l'habitat* or invert the sequencing of the original maturity schedule of such *obligations de financement de l'habitat*.

With respect to the Issuer, the maturity of the Notes of a given Series may be extended in accordance with, and subject to, the provisions of Condition 6(a) ("*Final Redemption*").

Labelling

Pursuant to Article L.513-26-1 of the French Monetary and Financial Code, a *société de financement de l'habitat* may use, for its programme:

- (i) the "European Covered Bond" label for issuances of *obligations de financement de l'habitat* or other resources benefiting from the *Privilège*, provided that it complies with the SFH Legal Framework; and
- (ii) the "European Covered Bond (Premium)" label for issuances of *obligations de financement de l'habitat* or other resources benefiting from the *Privilège*, provided that it complies with the SFH Legal Framework and the provisions of Article 129 of Regulation (EU) no. 575/2013 dated 26 June 2013, as amended.

If a *société de financement de l'habitat* either (i) requests the use of, or (ii) benefits from, the "European Covered Bond (Premium)" label, in accordance with Article L.513-32 of the French Monetary and Financial Code, the Cover Pool Monitor verifies that the provisions of Article 129 of Regulation (EU) no. 575/2013 dated 26 June 2013, as amended, are complied with.

Pursuant to Article 16 of the CRBF Regulation, the ACPR is responsible for the granting and supervision of both "European Covered Bond" and "European Covered Bond (Premium)" labels. The conditions and procedures for granting and monitoring these labels are detailed in Instruction no 2022-I-23 issued by the ACPR on 9 December 2022. In particular, the ACPR publishes the list of *obligations de financement de l'habitat* that are entitled to use the "European Covered Bond" label and the list of *obligations de financement de l'habitat* that are entitled to use the "European Covered Bond (Premium)" label. Subject to the verification of the Cover Pool Monitor and approval and supervision of the ACPR, the Issuer intends to issue Notes that are eligible to the "European Covered Bond (Premium)" label.

On 8 July 2022, the ACPR confirmed in writing, based on the information provided by the Issuer, that the Notes issued under the Programme can benefit at this stage from the "European Covered Bond (Premium)" label. Notes to be assimilated (*assimilées*) with Notes issued before 8 July 2022 will not benefit from the "European Covered Bond (Premium)" label.

No representation is however made or assurance given that any Notes will remain eligible to the "European Covered Bond (Premium)" label until their Maturity Date.

Collateral Security

No interpretation by French courts of rules applicable to Collateral Security

The Collateral Security is governed by the provisions of Articles L.211-38 *et seq.* of the French Monetary and Financial Code, being the applicable rules of French law implementing Directive 2002/47/EC of the European Parliament and of the Council of 6 June 2002 on financial

collateral arrangements, which has been amended by Directive 2009/44/EC of the European Parliament and of the Council of 6 May 2009 (the ***Collateral Directive***).

It should be noted that French courts have not yet had the opportunity to interpret Articles L.211-38-I *et seq.* of the French Monetary and Financial Code.

Impact of the hardening period on the Collateral Security

Under French law, the hardening period (*période suspecte*) is a period, the duration of which is determined by the bankruptcy judge upon the judgement recognising that the cessation of payments (*cessation des paiements*) of the insolvent company has occurred. The hardening period commences on the date of such judgement and extends for up to eighteen (18) months before the date of such judgement.

Notwithstanding the above, many arguments as described below would tend to consider that the French legal framework relating to the hardening period would not be applicable in the specific case of the Collateral Security, subject to any French case law that would decide in the future that the guarantees governed by Article L.211-38-I of the French Monetary and Financial Code fall within the scope of the French legal framework relating to the hardening period.

The arguments are the following:

- Article L.211-40 of the French Monetary and Financial Code states that the provisions of book VI of the French Commercial Code (pertaining to insolvency proceedings as a matter of French law) shall not impede ("*ne font pas obstacle*") the application of Articles L.211-36 *et seq.* of the French Monetary and Financial Code. This would lead to the conclusion that Article L.632-1-6° of the French Commercial Code, which provides for an automatic nullity of security interest granted during the hardening period to secure past obligations of a debtor, should be disapplied in respect of the Collateral Security governed by Articles L.211-38-I *et seq.* of the French Monetary and Financial Code;
- in the specific case of Article L.632-2 of the French Commercial Code which provides for a potential nullity of acts which are onerous (*actes à titre onéreux*) if the counterparty of the debtor was aware, at the time of conclusion of such acts, that the debtor was unable to pay its debts due with its available funds (*en état de cessation des paiements*), Article L.513-31 of the French Monetary and Financial Code provides that the provisions of Article L.632-2 of the French Commercial Code are not applicable to contracts concluded by a SFH, or to legal transactions made by or in favour of a SFH, as far as such contracts or transactions are directly related to the transactions referred to in Article L.513-28 to L.513-30 of the French Monetary and Financial Code.

Disproportionate guarantee

Pursuant to Article L.650-1 of the French Commercial Code, a creditor may be held liable towards a bankrupt debtor if the credit granted by it to such debtor entailed a damage and the security interest securing such credit is disproportionate (*disproportionné*) compared to that credit. In such case, such security interest may be void or reduced by the judge. However, there is only few French case law decisions interpreting and implementing the provisions of Article L.650-1 of the French Commercial Code and accordingly, there is an uncertainty as to whether the provisions of Article L.650-1 of the French Commercial Code would apply to the Collateral Security. Moreover, Article L.211-40 of the French Monetary and Financial Code expressly provides that the provisions of book VI of the French Commercial Code shall not impede (*ne font pas obstacle*) the application of Articles L.211-36 *et seq.* of the French Monetary and Financial Code, save in case of fraud.

The text of the declaration of financial support is translated (for information purposes only) as follows:

"Paris, 4 August 2009

Dear Madam,
Dear General Secretary,

In order to allow Société Générale France Habitat Financement, a 99.9% affiliate of Société Générale, which has been licensed as a credit institution (établissement de crédit), to benefit from the provisions of Article 4.1 of regulation no. 2000-03 of the Comité de la réglementation bancaire et financière, we hereby undertake to the Commission bancaire to grant Société Générale France Habitat Financement our support so as to ensure its general solvability and liquidity. Additionally, we will ensure that it will be managed in a reasonable manner pursuant to the applicable financial law.

We will indeed inform you in advance of any change that would affect this representation if we wanted not to allow any more Société Générale France Habitat Financement to benefit from Article 4.1. In such a case, this representation would terminate on the date on which the Commission bancaire considers that Société Générale France Habitat Financement complies with the supervision rules on an individual or sub-consolidated basis.

We hereby confirm to have the powers to make this representation and to have informed the board of directors of such representation during the meeting of 4 August 2009.

Yours sincerely,

Issuer's exclusive purpose and business overview

The Issuer shall only carry out the activities and operations, whether in France or abroad, that are expressly allowed to it under its legal exclusive purpose defined in Articles L.513-28 *et seq.* of the French Monetary and Financial Code applicable to the SFH and in Article 5 of its by-laws (*statuts*).

For information regarding the agreements already entered into by the Issuer, at the date of the Base Prospectus, see section entitled "*Relationship between Société Générale SFH and Société Générale*".

The Issuer may participate in any clearing system, interbank settlement system (*système de règlements interbancaires*), securities delivery and payment system (*système de règlement-livraison de titres*), as well as any activity within the context of the monetary policy of the ECB.

More generally, the Issuer may perform any ancillary activities relating to its business or for the purpose of achieving its corporate purpose, as soon as these activities comply with the corporate purpose of SFH as it is defined in legal and mandatory legislation applying to their activities.

For a description of the legal framework applicable to SFH, see section entitled "*Summary of the legislation and regulations relating to sociétés de financement de l'habitat and other legal issues*".

The Issuer, acting as lender, entered into with Société Générale, acting as borrower, a facility agreement (the **Facility Agreement**). In order to secure the full and timely payment of all financial obligations which are or will be owed by Société Générale to the Issuer under the Facility Agreement, the Issuer, acting as beneficiary, and Société Générale, in its capacity as borrower, entered into a collateral security agreement (the **Collateral Security Agreement**) setting forth the terms and conditions upon which (i) Société Générale shall transfer full title by way of security (*remise en pleine propriété à titre de garantie*) to the benefit of the Issuer pursuant to Articles L.211-36 *et seq.* of the French Monetary and Financial Code, home loans complying with the eligibility criteria provided for by Article L.513-29 of the French Monetary and Financial Code and (ii) Société Générale shall transfer to the Issuer certain amounts as cash collateral (*gage espèces*) upon the occurrence of certain downgrading events relating to Société Générale (see sections entitled "*Risk Factors - Risk relating to the Issuer - Liquidity risk*" and "*Relationship between Société Générale SFH and Société Générale*").

The formation of the Issuer takes place as part of the Société Générale refinancing and is intended to lower the overall cost of funding for the Group by refinancing eligible assets at a competitive cost.

The OFH which will be issued by the Issuer are expected to be rated AAA by Fitch Ratings and Aaa by Moody's and listed on Euronext Paris. By offering the market AAA/Aaa rated OFH, which are a reflection, among other factors, of the intrinsic quality of the assets of the Issuer, the Issuer aims to increase the competitiveness of the Group. By providing the market with a new counterparty (in addition to Société Générale), the Issuer should increase the Group's investor base.

Pursuant to Articles L.513-12 and R.513-8 of the French Monetary and Financial Code, the Issuer must at any time maintain a ratio of at least one hundred and five per cent. (105%) of its assets to the total amount of its liabilities benefiting from the *Privilège*, as described in the section entitled "*Summary of the legislation and regulations relating to sociétés de financement de l'habitat and other legal issues*".

11. USE OF PROCEEDS

For the avoidance of doubt, it is specified that the expression "Notes" will only include French Law Notes in the following section.

The net proceeds of the issues of the Notes will be used for financing or refinancing:

- (a) the granting of loans under the Facility Agreement; and
- (b) from time to time, the granting or acquisition of the other assets of the Issuer, in accordance with its by-laws (*statuts*) and Articles L.513-28 *et seq.* of the French Monetary and Financial Code.

In accordance with sub-paragraph (a) above, if in respect of any particular issue of Notes, the Final Terms indicate that the Issuer will apply an amount equivalent to the net proceeds of any particular issue to finance or refinance, in part or in full, eligible activities included or to be included in the SFH cover pool (such activities the ***Eligible Activities***), which serve to deliver a positive contribution to one or more of the three pillars of sustainable development (economic, environmental and social), once any potential negative impacts and mitigation actions have been duly identified, as defined in the sustainable and positive impact bond framework, as amended and supplemented from time to time (the ***Framework***), such Notes will be positive impact Notes (the ***Positive Impact Notes***).

During the life of the Positive Impact Notes, Eligible Activities will be added to or removed from the pool of Eligible Activities to the extent required (e.g. in case of projects divestment or cancellation, in case of amortized or redeemed loans, or if an activity ceases to meet the eligibility criteria). In case of removal of Eligible Activities, Société Générale SFH commits, on a best effort basis, to reallocate immediately the equivalent amount of proceeds to other Eligible Activities.

Pending the full allocation of an amount equivalent to the net proceeds, the unallocated amount will be managed within Société Générale SFH's regular cash management operations.

Positive Impact Notes can be either green (the ***Green Positive Impact Notes***), social (the ***Social Positive Impact Notes***) or sustainability (the ***Sustainability Positive Impact Notes***) if an amount equivalent to the net proceeds will be applied to finance or refinance Eligible Activities in the following green categories, social categories or in both categories (in case of Sustainability Positive Impact Notes) pursuant to the Framework:

Green categories:

- Green buildings;

Social categories:

- Affordable housing;

These different categories are defined in the Framework which also further describes (i) the above-mentioned Eligible Activities by categories and (ii) the processes the Issuer will apply to evaluate and select the Eligible Activity, manage the net proceeds, report and use external reviews, *inter alia* in accordance with:

- the Green Bond Principles, Social Bond Principles and Sustainability Bond Guidelines, each published by the International Capital Markets Association, in their applicable version at the time of the implementation of the Framework; and
- the Principles for Positive Impact Finance published by the United Nations Environment Programme – Finance Initiative.

The Framework is available on the website of Société Générale (<https://investors.societegenerale.com/fr/informations-financieres-et-extra-financiere/investisseurs-dette>). A link to such Framework shall also be included in the Final Terms.

Société Générale has appointed ISS ESG to conduct an external review of its Framework and issue a second party opinion (***Second Party Opinion***) on the Framework’s environmental and social credentials based among others on its alignment with the Principles for Positive Impact Finance published by the United Nations Environment Programme Finance Initiative, the Green Bond Principles, Social Bond Principles and Sustainability Bond Guidelines published by the International Capital Markets Association, in their applicable version at the time of the implementation of the Framework. The Second Party Opinion is available on the website of Société Générale (<https://investors.societegenerale.com/fr/informations-financieres-et-extra-financiere/investisseurs-dette>)

An annually limited or reasonable assurance report provided by external auditors or any other appointed independent third party will be published until the maturity of the Positive Impact Notes, verifying:

- the allocated and unallocated net proceeds;
- the compliance of the Eligible Activities with the defined eligibility criteria of the relevant categories; and
- the review of the positive impact reporting.

Any such Framework and/or second party opinion and/or public reporting will not form part of, nor be incorporated by reference in, this Base Prospectus.

As additional security to the full repayment of its financial obligations under the Facility Agreement and pursuant to the terms and conditions of the Collateral Security Agreement, Société Générale shall transfer to the Issuer pursuant to Articles L.211-38 *et seq.* of the French Monetary and Financial Code certain amounts as cash collateral (*gage espèces*) as follows:

(i) Interest Reserve

If the credit ratings of Société Générale fall below A2 (CR) (long-term Counterparty Risk Assessment) or P-1 (CR) (short-term Counterparty Risk Assessment) by Moody's, Société Générale must fund within thirty (30) calendar days following the occurrence of such event, an interest reserve and adjust it (i) on a monthly basis, and (ii) two (2) Business Days prior to any drawdown under the Facility Agreement (the ***Interest Reserve***).

The reserve amount shall be equal to the shortfall (if any) between (a) the interest amount to be paid until the latest maturity of the Notes (assuming, for floating rate interests, that the rates remain at their current level as of the calculation date) and (b) the interest amount to be received under the home loans transferred as Collateral Security (taking into account their contractual amortization profile and assuming, for floating rate interests, that the rates remain on their current level as of calculation date) until the latest maturity of the Notes, plus the pre-maturity interest reserve already funded covering the interest due under the Notes over the next ninety (90) calendar days.

(ii) Pre-Maturity Test

As long as no Pre-Maturity Rating Downgrade Event has occurred

As long as no Pre-Maturity Rating Downgrade Event (as defined below) has occurred, Société Générale shall fund a prior cash collateral reserve (that may be adjusted further

to the calculations carried out in accordance with the formula below mentioned) into the cash collateral account equal to:

- (a) the amount of principal of the Notes that will become due under the non-extendable maturity Notes for the following one hundred and eighty (180) calendar days;
- (b) interests of the Notes that will become due under all the Notes, both non-extendable maturity Notes and extendable maturity Notes, for the following ninety (90) calendar days; less
- (c) the other securities, exposures and deposits set forth in Article R.513-20 of the French Monetary and Financial Code.

In case of the occurrence of a Pre-Maturity Rating Downgrade Event:

If the credit ratings of Société Générale fall below P-1 (CR) (short-term Counterparty Risk Assessment) by Moody's or F1 (short-term) and A (long-term) by Fitch Ratings respectively (each, a ***Pre-Maturity Rating Downgrade Event***), Société Générale shall be required to fund a cash collateral account, replacing the abovementioned prior cash collateral reserve, within fourteen (14) calendar days following the occurrence of such event, in accordance with a pre-maturity test which is a contractual liquidity test.

The reserve amount (the ***Pre-Maturity Test***) shall be equal to:

- (a) the amount of principal of the Notes that will become due under the non-extendable maturity Notes for the following two hundred and seventy (270) calendar days;
- (b) interests of the Notes that will become due under all the Notes, both non-extendable maturity Notes and extendable maturity Notes, for the following ninety (90) calendar days; and
- (c) the aggregate amount of fees, costs, expenses, taxes and other ancillary sums (excluding interest and principal amounts) scheduled to be paid by the Issuer on any Series of Notes for the following two hundred and seventy (270) calendar days, as well as any fees and expenses benefiting from the *Privilège*.

(iii) Collection Loss Reserve

If the long-term or short-term Moody's Counterparty Risk Assessment of Société Générale falls below Baa2 (CR) or if the Issuer Default Rating (IDR) of Société Générale falls below BBB (long-term) and F2 (short-term) by Fitch Ratings (the ***Collection Loss Trigger Event***) respectively, Société Générale shall be required to fund a cash collateral account within ten (10) Business Days following the occurrence of such event (the ***Collection Loss Reserve***).

The reserve amount shall be equal to the aggregate amount of collections (interests and principal) scheduled to be received under the home loans transferred as Collateral Security during the two and half (2.5) calendar months following the occurrence of the Collection Loss Trigger Event. As long as the Collection Loss Trigger Event is continuing, the reserve amount shall be adjusted before any drawdown by Société Générale acting as Borrower under the Facility Agreement and at the end of each month so that the amount standing to the credit of this cash collateral account be equal to the sum of collections scheduled to be received under the home loans transferred as Collateral Security during the two and half (2.5) calendar months following such date. The calculated collections will take into account a constant prepayment rate defined as

the average rate calculated over the twelve (12) months preceding the calculation date of such amount.

The Pre-Maturity Test, the Interest Reserve and the Collection Loss Reserve shall be credited to dedicated accounts (on the one hand, the Cash Collateral Account, and on the other hand the Collection Loss Reserve Account) opened in the books of a bank with the Requisite Rating, provided that if the rating of such account bank is downgraded below the Requisite Rating, the Issuer shall replace such account bank within sixty (60) calendar days as from the date of such non-compliance.

Where ***Requisite Rating*** means:

- (a) in respect of the deposit rating or Issuer Default Rating (IDR) if the deposit rating is not available, a credit rating of at least A (long-term) or F1 (short-term) by Fitch Ratings, and
- (b) in respect of the deposit rating, a credit rating of at least A2 (long-term) and P-1 (short-term) by Moody's, provided that if no short-term credit rating is assigned by Moody's, the long-term credit rating is equal to at least A1.

The Issuer and Société Générale may agree from time to time that Société Générale shall fund additional cash collaterals in order to hedge currency risk, if any, or any other risk.

14. TERMS AND CONDITIONS OF THE NOTES

*The following is the text of the terms and conditions that, subject to completion and amendment and as supplemented or varied in accordance with the provisions of the relevant Final Terms, shall be only applicable to the French Law Notes (the **Terms and Conditions**). (d) Redenomination

- (i) The Issuer may (if so specified in the relevant Final Terms), on any date, without the consent of the holder of any Note, Coupon, Receipt or Talon, by giving at least thirty (30) calendar days' notice in accordance with Condition 13 and on or after the date on which the European Member State in whose national currency the Notes are denominated has become a participating Member State in the single currency of the European Economic and Monetary Union (as provided in the Treaty establishing the European Community (the **EC**, as amended from time to time (the **Treaty**)) or events have occurred which have substantially the same effects (in either case, **EMU**), redenominate all, but not some only, of the Notes of any Series into Euro and adjust the aggregate principal amount and the Specified Denomination(s) set out in the relevant Final Terms accordingly, as described below. - (ii) The redenomination of the Notes pursuant to Condition 1(d)(i) shall be made by converting the principal amount of each Note from the relevant national currency into Euro using the fixed relevant national currency Euro conversion rate established by the Council of the European Union pursuant to Article 123(4) of the Treaty and rounding the resulting figure to the nearest €0.01 (with €0.005 being rounded upwards). If the Issuer so elects, the figure resulting from conversion of the principal amount of each Note using the fixed relevant national currency Euro conversion rate shall be rounded down to the nearest Euro. Any balance remaining from the redenomination with a denomination higher than €0.01 shall be paid by way of cash adjustment rounded to the nearest €0.01 (with €0.005 being rounded upwards). Such cash adjustment will be payable in Euro on the Redenomination Date in the manner notified by the Issuer to Noteholders.

- (iii) Upon redenomination of the Notes, any reference herein to the relevant national currency shall be construed as a reference to Euro.
- (iv) The Issuer may, with the prior approval of the Fiscal Agent, in connection with any redenomination pursuant to this Condition or any consolidation pursuant to Condition 12, without the consent of the holder of any Note, Receipt, Coupon or Talon, make any changes or additions to these Conditions or Condition 12 (including, without limitation, any change to any applicable business day definition, business day convention, principal financial centre of the country of the Specified Currency, interest accrual basis or benchmark), taking into account market practice in respect of redenominated Euromarket debt obligations and which it believes are not prejudicial to the interests of such holders. - (v) Neither the Issuer nor any Paying Agent shall be liable to the holder of any Note, Receipt, Coupon or Talon or any other person for any commissions, costs, losses or expenses in relation to or resulting from, the credit or transfer of Euro or any currency conversion or rounding effected in connection therewith.

(A) FBF Determination for Floating Rate Notes

Where FBF Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Agent as a rate equal to the relevant FBF Rate plus or minus (as indicated in the relevant Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), ***FBF Rate*** for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Agent under a notional interest rate swap transaction (*Echange*) in the relevant Specified Currency incorporating the FBF Definitions and under which:

- (x) the Floating Rate is as specified in the relevant Final Terms; and

For the purposes of this sub-paragraph (A), ***Floating Rate***, ***Agent*** and ***Floating Rate Determination Date*** are translations of the French terms "*Taux Variable*", "*Agent*" and "*Date de Détermination du Taux Variable*", respectively, which have the meanings given to those terms in the FBF Definitions.

In the relevant Final Terms, when the paragraph 'Floating Rate' specifies that the rate is determined by linear interpolation, in respect of an Interest Period, the Rate of Interest for such Interest Period shall be calculated by the Calculation Agent by straight line linear interpolation by reference to two rates based on the relevant Floating Rate, one of which shall be determined as if the maturity were the period of time for which rates are

available of next shorter length than the length of the relevant Interest Period, and the other of which shall be determined as if the maturity were the period of time for which rates are available of next longer length than the length of the relevant Interest Period.

(B) ISDA Determination for Floating Rate Notes

- (a) Where ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined and "2006 ISDA Definitions" is specified in the relevant Final Terms, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate plus or minus (as indicated in the relevant Final Terms) the Margin (if any). For the purposes of this sub-paragraph (B)(a), **ISDA Rate** for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the 2006 ISDA Definitions and under which:
- (i) the **Floating Rate Option** is as specified in the relevant Final Terms;
 - (ii) the **Designated Maturity** is a period specified in the relevant Final Terms; and
 - (iii) the relevant **Reset Date** is the first day of that Interest Accrual Period.

For the purposes of this sub-paragraph (B)(a), **Floating Rate**, **Calculation Agent**, **Floating Rate Option**, **Designated Maturity**, **Reset Date** and **Swap Transaction** have the meanings given to those terms in the 2006 ISDA Definitions.

In the relevant Final Terms, when the paragraph 'Floating Rate Option' specifies that the rate is determined by linear interpolation, in respect of an Interest Period, the Rate of Interest for such Interest Period shall be calculated by the Calculation Agent by straight line linear interpolation by reference to two rates based on the relevant Floating Rate Option, one of which shall be determined as if the Designated Maturity were the period of time for which rates are available of next shorter length than the length of the relevant Interest Period, and the other of which shall be determined as if the Designated Maturity were the period of time for which rates are available of next longer length than the length of the relevant Interest Period.

- (b) Where ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, and "2021 ISDA Definitions" is specified in the relevant Final Terms, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (B)(b), **ISDA Rate** for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the 2021 ISDA Definitions and under which:

- (i) the ***Floating Rate Option*** is as specified in the relevant Final Terms;
- (ii) the ***Designated Maturity*** is a period specified in the relevant Final Terms;
- (iii) the relevant ***Reset Date*** is the first day of that Interest Accrual Period or such other date as specified in the relevant Final Terms;

- (v) the ***Effective Date*** is, unless otherwise specified in the applicable Final Terms, the Interest Commencement Date;
- (vi) the ***Termination Date*** is, unless otherwise specified in the applicable Final Terms, the last date of the last occurring Interest Accrual Period;
- (vii) the relevant ***Calculation Period*** is as specified in the applicable Final Terms or, in the absence thereof, as defined in the 2021 ISDA Definitions for which purpose references to "Effective Date" and "Period End Date" (in the 2021 ISDA Definitions) shall be deemed to be to, respectively, the Issue Date and any last day of the last occurring Interest Accrual Period (as defined in these Conditions); and
- (viii) if the Floating Rate Option specified in the Final Terms is an Overnight Floating Rate Option and Compounding is specified as applicable in the applicable Final Terms:

the relevant Reset Date is the last day of the last occurring Interest Accrual Period, unless otherwise specified in the Final Terms;

Delayed Payment will be applicable if specified as such in the Final Terms, and if so, the applicable number of days is either (x) as specified in the Final Terms, or (y) if no number is specified as such in the Final Terms, five (5);

OIS Compounding will be applicable if specified as such in the Final Terms;

Compounding with Lookback will be applicable if specified as such in the Final Terms, and if so, the ***Lookback*** is either (x) as specified in the Final Terms, or (y) if no number is specified as such in the Final Terms, the number specified as the "Lookback" for the relevant Floating Rate Option in the 2021 ISDA Definitions, or (z) if no such number is specified for the relevant Floating Rate Option, five (5);

Compounding with Observation Period Shift will be applicable if specified as such in the Final Terms, and if so, Set in Advance will be applicable if specified as such in the Final Terms, **Observation Period Shift Additional Business Day** is as specified in the Final Terms, and the **Observation Period Shift** is either (x) as specified in the Final Terms, or (y) if no number is specified as such in the Final Terms, the number specified as the "Observation Period Shift" for the relevant Floating Rate Option in the 2021 ISDA Definitions, or (z) if no such number is specified for the relevant Floating Rate Option, five (5); and

Compounding with Lockout will be applicable if specified as such in the Final Terms, and if so, **Lockout Period Business Day** is as specified in the Final Terms and the **Lockout** is either (x) as specified in the Final Terms, or (y) if no number is specified as such in the Final Terms, the number specified as the "Lockout" for the relevant Floating Rate Option in the 2021 ISDA Definitions, or (z) if no such number is specified for the relevant Floating Rate Option, five (5).

For the purposes of this sub-paragraph (B)(b), except as otherwise defined in such sub-paragraph, **Calculation Agent, Compounding with Lockout, Compounding with Lookback, Compounding with Observation Period Shift, Delayed Payment, Designated Maturity, Effective Date, Floating Rate Option, Floating Rate, Lockout Period Business Day, Lockout, Lookback, Observation Period Shift, OIS Compounding, Overnight Floating Rate Option, Period End Date, Set in Advance** and **Swap Transaction** have the meanings given to those terms in the 2021 ISDA 2021 Definitions.

The provisions relating to "Linear Interpolation" set out in the 2021 ISDA Definitions shall apply to an ISDA Rate where "2021 ISDA Definitions Linear Interpolation" is specified as applicable in the applicable Final Terms. For such purpose, references to "Relevant Rate" under the 2021 ISDA Definitions shall be deemed to be references to the ISDA Rate.

(C) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent at or about the Relevant Time on the Interest Determination Date in respect of such Interest Accrual Period in accordance with the following or (if applicable) with Condition 5(c)(iii)(C)(z):

- (w) if the Primary Source for Floating Rate is a Page, subject as provided below, the Rate of Interest shall be:
 - (I) the Reference Rate (where such Reference Rate on such Page is a composite quotation or is customarily supplied by one entity); or

- (II) the arithmetic mean of the Reference Rates of the persons whose Reference Rates appear on that Page,

in each case appearing on such Page at the Relevant Time on the Interest Determination Date as disclosed in the relevant Final Terms, plus or minus (as indicated in the relevant Final Terms) the Margin (if any);

- (x) if the Primary Source for the Floating Rate is Reference Banks or if sub-paragraph (C)(w)(i) above applies and no Reference Rate appears on the Page at the Relevant Time on the Interest Determination Date or if sub-paragraph (C)(w)(ii) above applies and fewer than two Reference Rates appear on the Page at the Relevant Time on the Interest Determination Date, subject as provided below, the Rate of Interest shall be the arithmetic mean of the Reference Rates that each of the Reference Banks is quoting to leading banks in the Relevant Financial Centre at the Relevant Time on the Interest Determination Date, as determined by the Calculation Agent, plus or minus (as indicated in the relevant Final Terms) the Margin (if any); and
- (y) if paragraph (C)(x) above applies and the Calculation Agent determines that fewer than two Reference Banks are so quoting Reference Rates, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) that the Calculation Agent determines to be the rates (being the nearest equivalent to the Reference Rate) in respect of a Representative Amount of the Specified Currency that at least two out of five leading banks selected by the Calculation Agent in the principal financial centre of the country of the Specified Currency or, if the Specified Currency is Euro, in the Euro-zone as selected by the Calculation Agent (the ***Principal Financial Centre***) are quoting at or about the Relevant Time on the date on which such banks would customarily quote such rates for a period commencing on the Effective Date for a period equivalent to the Specified Duration (I) to leading banks carrying on business in Europe, or (if the Calculation Agent determines that fewer than two of such banks are so quoting to leading banks in Europe) (II) to leading banks carrying on business in the Principal Financial Centre plus or minus (as indicated in the relevant Final Terms) the Margin (if any); except that, if fewer than two of such banks are so quoting to leading banks in the Principal Financial Centre, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date, or, in the case of the first Interest Determination Date, the Rate of Interest shall be applied on the basis of the last Reference Rate available on the screen page (after readjustment for any difference between any Margin, Rate Multiplier or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).

Notwithstanding the above, in the case of a Benchmark Trigger Event, Condition 5(c)(iii)(C)(z) below shall apply.

(z) Benchmark Trigger Event in relation to Floating Rate Notes

(I) Appointment of a Rate Determination Agent

Where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, if a Benchmark Trigger Event occurs in relation to an Original Reference Rate when any Rate of Interest (or any component part thereof) remains to be determined by reference to such Original Reference Rate, then the Issuer shall use its reasonable endeavours to appoint a Rate Determination Agent, as soon as reasonably practicable, to determine a Successor Rate or an Alternative Rate (in accordance with paragraph (II)) and, in either case, an Adjustment Spread if any (in accordance with paragraph (III)) and any Benchmark Amendments (in accordance with paragraph (IV)).

A Rate Determination Agent appointed pursuant to this Condition 5(c)(iii)(C)(z) shall act in good faith in a commercially reasonable manner as an expert and in consultation with the Issuer. In the absence of bad faith or fraud, the Rate Determination Agent shall have no liability whatsoever to the Issuer, the Paying Agents, the Noteholders for any determination made by it, pursuant to this Condition 5(c)(iii)(C)(z).

If (i) the Issuer is unable to appoint a Rate Determination Agent or (ii) the Rate Determination Agent appointed by it fails to determine a Successor Rate or an Alternative Rate prior to the relevant Interest Determination Date, then the Reference Rate applicable to the next succeeding Interest Period shall be equal to the Reference Rate last determined in relation to the Notes in respect of the immediately preceding Interest Period. If there has not been a first Interest Payment Date, the Reference Rate shall be the last available Original Reference Rate.

(II) Successor Rate or Alternative Rate

If the Rate Determination Agent determines that:

- a. there is a Successor Rate, then such Successor Rate shall (subject to adjustment as provided in paragraph (III)) subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 5(c)(iii)(C)(z)); or
- b. there is no Successor Rate but there is an Alternative Rate, then such Alternative Rate shall (subject to adjustment as provided in paragraph (III)) subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the operation of this Condition 5(c)(iii)(C)(z)).

(III) Adjustment Spread

If the Rate Determination Agent determines (i) that an Adjustment Spread is required to be applied to the Successor Rate or the Alternative Rate and (ii) the quantum of, or a formula or methodology for determining such Adjustment Spread, then such Adjustment Spread shall be applied to the Successor Rate or the Alternative Rate (as the case may be) for each subsequent determination of a relevant Rate of Interest (or a relevant component part thereof) by reference to such Successor Rate or Alternative Rate (as applicable).

(IV) Benchmark Amendments

If any Successor Rate or Alternative Rate or Adjustment Spread is determined in accordance with this Condition 5(c)(iii)(C)(z) and the Rate Determination Agent determines (i) that amendments to these Conditions are necessary to ensure the proper operation of such Successor Rate or Alternative Rate or Adjustment Spread (if any) (such amendments, the **Benchmark Amendments**) and (ii) the specific terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with paragraph (V) vary these Conditions to the extent needed to give effect to such Benchmark Amendments with effect from the date specified in such notice. For the avoidance of doubt, each Noteholder shall be deemed to have accepted the Successor Rate or Alternative Rate and the Adjustment Spread and the Benchmark Amendments (if any) pursuant to this paragraph.

For the avoidance of doubt, and in connection with any such variation in accordance with this paragraph (IV), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

(V) Notices

Any Successor Rate or Alternative Rate or Adjustment Spread and Benchmark Amendments (as the case may be), determined under this Condition 5(c)(iii)(C)(z) will be notified promptly by the Issuer, after receiving such information from the Rate Determination Agent to the Fiscal Agent, the Calculation Agent, the Principal Paying Agent, the Representative of the *Masse* (if any). Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

If the Original Reference Rate from time to time in respect of Floating Rate Notes is specified in the Final Terms as being other than EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the Final Terms.

In the relevant Final Terms, when the paragraph ‘Original Reference Rate’ specifies that the rate is determined by linear interpolation, in respect of an Interest Period, the Rate of Interest for such Interest Period shall be calculated by the Calculation Agent by straight line linear interpolation by reference to

two rates based on the relevant Reference Rate, one of which shall be determined as if the maturity were the period of time for which rates are available of next shorter length than the length of the relevant Interest Period, and the other of which shall be determined as if the maturity were the period of time for which rates are available of next longer length than the length of the relevant Interest Period.

(d) Fixed/Floating Rate Notes

If Fixed/Floating Rate Notes Provisions are specified as applicable in the relevant Final Terms:

- (i) the Issuer may elect to convert on the date set out in the relevant Final Terms (the **Switch Date**) from a Fixed Rate to a Floating Rate, from a Floating Rate to a Fixed Rate, from a Fixed Rate to another Fixed Rate or from a Floating Rate to another Floating Rate. The Issuer election to change of interest basis (the **Issuer Change of Interest Basis**) should be deemed effective after a valid notification sent by the Issuer to the relevant Noteholders in accordance with Condition 13 within the period specified in the relevant Final Terms; or
- (ii) the rate at which the Notes bear interest will automatically change from a Fixed Rate to a Floating Rate, from a Floating Rate to a Fixed Rate, from a Fixed Rate to another Fixed Rate or from a Floating Rate to another Floating Rate (the **Automatic Change of Interest Basis**) at the date(s) set out in the Final Terms (the **Automatic Switch Date**).

(e) Zero Coupon Notes

Where a Note, the Interest Basis of which is specified to be Zero Coupon in the relevant Final Terms, is repayable prior to the Maturity Date (or the Extended Maturity Date, as the case may be) pursuant to a Redemption at the Option of the Issuer or, if so specified in the relevant Final Terms, pursuant to Condition 6(d) and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount. As from the Maturity Date (or the Extended Maturity Date, as the case may be), the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 6(d)(i)).

(f) Accrual of interest

Interest shall cease to accrue on each Note on the due date for redemption unless (i) in the case of Dematerialised Notes, on such due date or (ii) in the case of Materialised Notes, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgement) at the Rate of Interest in the manner provided in this Condition 5 to the Relevant Date.

(g) Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts and Rounding:

- (i) If any Margin is specified in the relevant Final Terms, either (x) generally or (y) in relation to one or more Interest Accrual Periods, an adjustment shall be made to all Rates of Interest in the case of (x), or to the Rates of Interest for the specified Interest Accrual Periods in the case of (y), calculated in accordance with Condition 5(c) above by adding (if a positive number) or subtracting (if a

negative number) the absolute value of such Margin, subject always to the next paragraph.

- (ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified in the relevant Final Terms, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) Unless a higher Minimum Rate of Interest is specified in the relevant Final Terms, the Minimum Rate of Interest shall be deemed equal to zero. For the avoidance of doubt, 'Minimum Rate of Interest' shall refer to the relevant rate plus any relevant margin.
- (iv) For the purposes of any calculations required pursuant to these Conditions, (w) if FBF Determination is specified in the relevant Final Terms, all percentages resulting from such calculations shall be rounded, if necessary, to the nearest ten-thousandth of a percentage point (with halves being rounded up), (x) otherwise all percentages resulting from such calculations shall be rounded, if necessary, to the nearest fifth decimal (with halves being rounded up), (y) all figures shall be rounded to seven figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes, **unit** means the lowest amount of such currency that is available as legal tender in the country of such currency.

(h) Calculations

The amount of interest payable in respect of any Note for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Note by the Day Count Fraction, unless an Interest Amount is specified in respect of such period, in which case the amount of interest payable in respect of such Note for such period shall equal such Interest Amount. Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

(i) Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts and Instalment Amounts

The Calculation Agent, as soon as practicable on such date as it may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts in respect of each Specified Denomination (as specified in the relevant Final Terms) of the Notes for the relevant Interest Accrual Period, shall calculate the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, the Principal Paying Agent, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and,

if the Notes are admitted to trading on a Regulated Market or other stock exchange and the rules of such Regulated Market or other stock exchange so require, such Regulated Market or other stock exchange as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such Regulated Market or other stock exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date is subject to adjustment pursuant to Condition 5(c)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(j) **Calculation Agent and Reference Banks**

The Issuer shall procure that there shall at all times be four (4) Reference Banks (or such other number as may be required) with offices in the Relevant Financial Centre and one or more Calculation Agents if provision is made for them in the relevant Final Terms and for so long as any Note is outstanding (as defined above). If any Reference Bank (acting through its relevant office) is unable or unwilling to continue to act as a Reference Bank, then the Issuer shall appoint another Reference Bank with an office in the Relevant Financial Centre to act as such in its place. Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal Paris office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign from its duties without a successor having been appointed as aforesaid. So long as the Notes are admitted to trading on a Regulated Market or other stock exchange and the rules of, or applicable to, that Regulated Market or other stock exchange so require, notice of any change of Calculation Agent shall be given in accordance with Condition 13.

6. Redemption, Purchase and Options

(a) **Final Redemption**

Unless previously redeemed, purchased and cancelled or its maturity is extended as provided below, each Note shall be finally redeemed on the Maturity Date specified in the relevant Final Terms at its Final Redemption Amount, as specified in the relevant Final Terms or, in the case of a Note falling within Condition 6(b) below, its final Instalment Amount.

Upon the occurrence of a maturity extension trigger event(s) (each such event, a ***Maturity Extension Trigger Event***) as defined in Articles L.513-30 and R.513-8-1 of

the French Monetary and Financial Code (as may be amended from time to time), and provided that the relevant Maturity Extension Trigger Event(s) is(are) specified in the relevant Final Terms, the maturity of the Notes shall be extended to such date as shall be specified in the relevant Final Terms (the ***Extended Maturity Date***).

The Maturity Extension Trigger Events are, as of the date hereof:

- (i) (A) a default of payment, on the initially set Final Maturity Date, of principal or interest under a loan granted by the *société de financement de l'habitat* to a credit institution and secured by the remittance, assignment or pledge (*la remise, la cession ou le nantissement*) of the home loan receivables pursuant to Articles L.211-38 to L.211-40 or Articles L.313-23 to L.313-35 of the French Monetary and Financial Code, whether or not such receivables are of a professional nature or (B) a default of payment, by the credit institution issuing promissory notes subscribed by the *société de financement de l'habitat* in accordance with the terms and conditions defined in Articles L.313-43 to L.313-48 of the French Monetary and Financial Code, of principal or interest under such promissory notes;
- (ii) a default of payment, on the initially set Final Maturity Date, of principal or interest due under the *obligations de financement de l'habitat* by the *société de financement de l'habitat*;
- (iii) (A) a credit institution benefiting from loans granted by the *société de financement de l'habitat* and secured by the remittance, assignment or pledge (*la remise, la cession ou le nantissement*) of the home loan receivables pursuant to Articles L.211-38 to L.211-40 or Articles L.313-23 to L.313-35 of the French Monetary and Financial Code, whether or not such receivables are of a professional nature, or (B) a credit institution issuing promissory notes subscribed by the *société de financement de l'habitat* in accordance with the terms and conditions defined in Articles L.313-43 to L.313-48 of the French Monetary and Financial Code is subject to safeguard, reorganisation or liquidation proceedings (*sauvegarde, redressement ou liquidation judiciaires*) or resolution proceedings opened in accordance with Article L.613-49 of the French Monetary and Financial Code; and
- (iv) the *société de financement de l'habitat* is subject to safeguard, reorganisation or liquidation proceedings (*sauvegarde, redressement ou liquidation judiciaires*) or resolution proceedings opened in accordance with Article L.613-49 of the French Monetary and Financial Code.

If a Maturity Extension Trigger Event occurs, the payment of the Final Redemption Amount shall be automatically deferred and shall become due and payable on the Extended Maturity Date. However, all or part of the Final Redemption Amount remaining unpaid on the initially scheduled Maturity Date may be paid by the Issuer on any Interest Payment Date from (and excluding) such Maturity Date to (and including) the Extended Maturity Date. During the extended period, interest will continue to be calculated and to accrue on any unpaid principal amount at the relevant Rate of Interest and be payable on each Interest Payment Dates and on the Extended Maturity Date (if not earlier redeemed on an Interest Payment Date).

(b) Redemption by Instalments and Final Redemption

Unless previously redeemed, purchased and cancelled as provided in this Condition 6 or the relevant Instalment Date (being one of the dates so specified in the relevant Final Terms) is extended pursuant to the Redemption at the Option of the Issuer in accordance with Condition 6(c), each Note that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified in the relevant Final Terms. The outstanding nominal amount of each such Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused (i) in the case of Dematerialised Notes, on the due date for such payment or (ii) in the case of Materialised Notes, on presentation of the related Receipt, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.

(c) Redemption at the Option of the Issuer

If a Redemption at the Option of the Issuer is specified as applicable in the relevant Final Terms, the Issuer may, at its option and having given not less than six (6) Business Days' prior irrevocable notice in accordance with Condition 13 to the Noteholders redeem all or part of the Notes on any date fixed for redemption (the ***Optional Redemption Date***). Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the Optional Redemption Date, if any. Any such redemption must relate to Notes of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed, as specified in the relevant Final Terms, and no greater than the Maximum Redemption Amount to be redeemed as specified in the relevant Final Terms.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of a Redemption at the Option of the Issuer in respect of Materialised Notes, the notice to holders of such Materialised Notes shall also contain the numbers of the Definitive Materialised Notes to be redeemed or in respect of which such option has been exercised, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices and subject to compliance with any applicable laws and Regulated Market requirements.

In the case of a partial redemption of or a partial exercise of a Redemption at the Option of the Issuer in respect of Dematerialised Notes, the redemption will be effected by reducing the nominal amount of all such Dematerialised Notes in a Series in proportion to the aggregate nominal amount redeemed.

So long as the Notes are admitted to trading on a Regulated Market and the rules of, or applicable to, such Regulated Market require, the Issuer shall, each time there has been a partial redemption of the Notes, cause to be published (i) as long as such Notes are admitted to trading on Euronext Paris and the rules applicable to such Regulated Market so permit, on the website of the AMF (<https://www.amf-france.org/en>) or (ii) in a leading financial newspaper with general circulation in the city where the Regulated Market on which such Notes are admitted to trading is located, a notice specifying the aggregate nominal amount of Notes outstanding and, in the case of

Materialised Notes, a list of any Definitive Materialised Notes drawn for redemption but not surrendered.

(d) Early Redemption Amounts

For the purposes of Condition 6(i), the Notes will be redeemed on the date specified in the relevant notice (it being understood that such date shall be an Interest Payment Date, in the case of Floating Rate Notes) at the amount (the ***Early Redemption Amount***) calculated in accordance with sub-paragraphs (i) or (ii) below, as the case may be.

(i) Notes other than Zero Coupon Notes

The Early Redemption Amount payable in respect of any Note (other than Notes described in (ii) below), upon redemption of such Note pursuant to Condition 6(i), shall be the Final Redemption Amount together with interest accrued to the date set for redemption as specified in the Final Terms.

(ii) Zero Coupon Notes

(A) The Early Redemption Amount payable in respect of any Zero Coupon Note, the amount of which is not linked to an index and/or a formula, upon redemption of such Note pursuant to Condition 6(i) shall be the Amortised Nominal Amount (calculated as provided below) of such Note.

(B) Subject to the provisions of sub-paragraph (C) below, the Amortised Nominal Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date (or Extended Maturity Date, as the case may be) discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown in the relevant Final Terms, shall be such rate as would produce an Amortised Nominal Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.

(C) If the Amortised Nominal Amount payable in respect of any such Note upon its redemption pursuant to Condition 6(i) is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Nominal Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Note becomes due and payable was the Relevant Date. The calculation of the Amortised Nominal Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgement) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date (or the Extended Maturity Date, as the case may be), in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 5(f).

Where such calculation is to be made for a period of less than one (1) year, it shall be made on the basis of the Day Count Fraction as provided in the relevant Final Terms.

(e) No Redemption for Taxation Reasons

If any law should require that payments of principal or interest or other revenues in respect of any Note be subject to withholding or deduction in respect of any present or future taxes, duties, assessments or governmental charges of whatever nature, such Notes may not be redeemed early.

(f) Purchases

The Issuer may, subject to Condition 6(g), at any time purchase Notes (provided that, in the case of Materialised Notes, all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise (including by tender offer) at any price, subject to the applicable laws and/or regulations.

Notes so purchased by the Issuer may be either (i) held and resold or (ii) cancelled in accordance with Condition 6(g) below, all in accordance with applicable laws and regulations.

(g) Cancellation

All Notes which have been purchased by or on behalf of the Issuer for cancellation will be cancelled, in the case of Dematerialised Notes, by transfer to an account in accordance with the rules and procedures of Euroclear France and, in the case of Materialised Notes, by surrendering the relevant Temporary Global Certificate or the Definitive Materialised Notes in question, together with all unmatured Receipts and Coupons and all unexchanged Talons, if applicable, to the Fiscal Agent and, in each case, if so transferred or surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with, in the case of Dematerialised Notes, all rights relating to payment of interest and other amounts relating to such Dematerialised Notes and, in the case of Definitive Materialised Notes, all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so cancelled or, where applicable, transferred or surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

(h) Subscriptions

The Issuer shall have the right at all times to subscribe for Notes for the purpose of pledging them (*affecter en garantie*) as collateral security in order to secure the credit transactions (*opérations de crédit*) of the *Banque de France* in accordance with the terms and conditions determined by the *Banque de France* for its monetary and intraday credit policy, if the Issuer is not able to cover its cash needs with the other means available to it, provided that:

- (i) the total amount of the Notes subscribed by the Issuer does not exceed ten per cent. (10%) of the total outstanding amount (*encours total*) of the resources benefiting from the *Privilège* as of the date of their subscription;
- (ii) the Notes are disentitled of their rights under Articles L.228-46 to L.228-89 of the French Commercial Code as long as the Issuer holds them;
- (iii) the Notes are pledged for the benefit of the *Banque de France* within an 8-day period starting from the date on which they are paid and delivered (otherwise,

such Notes shall be cancelled by the Issuer at the end of such 8-day period);
and

- (iv) they cannot be subscribed by third parties.

In any case, the Notes subscribed by the Issuer shall be cancelled within an 8-day period starting from the date on which they cease to be pledged for the benefit of the *Banque de France*.

- (i) **Illegality**

If, by reason of any change in French law, or any change in the official application or interpretation of such law, becoming effective after the Issue Date, it would become unlawful for the Issuer to perform or comply with one or more of its obligations under the Notes, the Issuer will, subject to having given not more than forty-five (45) nor less than thirty (30) calendar days' notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 13, redeem all, but not some only, of the Notes at their Early Redemption Amount together with any interest accrued to the date set for redemption.

7. Payments and Talons

- (a) **Dematerialised Notes**

Payments of principal and interest in respect of Dematerialised Notes shall (i) in the case of Dematerialised Notes in bearer form (*au porteur*) or administered registered form (*au nominatif administré*), be made by transfer to the account denominated in the relevant currency of the relevant Account Holders for the benefit of the Noteholders, and (ii) in the case of Dematerialised Notes in fully registered form (*au nominatif pur*), to an account denominated in the relevant currency with a Bank (as defined below) designated by the relevant Noteholder. All payments validly made to such Account Holders or Bank will be an effective discharge of the Issuer in respect of such payments.

- (b) **Definitive Materialised Notes**

- (i) **Method of payment**

Subject as provided below, payments in a Specified Currency will be made by credit or transfer to an account denominated in the relevant Specified Currency, or to which the Specified Currency may be credited or transferred (which, in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is euro, shall be any country in the Euro-zone, and, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland, respectively).

- (ii) **Presentation and surrender of Definitive Materialised Notes, Receipts and Coupons**

Payments of principal in respect of Definitive Materialised Notes will (subject as provided below) be made in the manner provided in paragraph (i) above only

upon presentation and surrender (or, in the case of partial payment of any sum due, annotation) of such Notes, and payments of interest in respect of Definitive Materialised Notes will (subject as provided below) be made as aforesaid only upon presentation and surrender (or, in the case of part payment of any sum due, annotation) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Payments of instalments of principal (if any) in respect of Definitive Materialised Notes, other than the final instalment, will (subject as provided below) be made in the manner provided in paragraph (i) above only against presentation and surrender (or, in the case of part payment of any sum due, annotation) of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in paragraph (i) above only against presentation and surrender (or, in the case of part payment of any sum due, annotation) of the relevant Note in accordance with the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the Definitive Materialised Note to which it appertains. Receipts presented without the Definitive Materialised Note to which they appertain do not constitute valid obligations of the Issuer.

Upon the date upon which any Definitive Materialised Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment will be made in respect thereof.

Fixed Rate Notes in definitive form should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on the exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of five (5) years from the date on which such Coupon would have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, in definitive form becomes due and repayable prior to its Maturity Date, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof.

If the due date for redemption of any Definitive Materialised Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only upon presentation and surrender (if appropriate) of the relevant Definitive Materialised Note.

(c) Payments in the United States

Notwithstanding the foregoing, if any Materialised Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agent(s) with specified offices outside the United States with the reasonable expectation that such Paying Agent(s) would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts, and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence for the Issuer.

(d) Payments subject to Fiscal Laws

All payments are subject in all cases to (i) any applicable fiscal or other laws, regulations and directives but without prejudice to Condition 8 and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986, as amended (the **Code**) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, official interpretations thereof, or any law implementing an intergovernmental approach thereto. No commission or expenses shall be charged to the Noteholders, Receiptholders or Couponholders in respect of such payments.

(e) Appointment of Agents

The Fiscal Agent, the Principal Paying Agent and the Calculation Agent initially appointed by the Issuer and their respective specified offices are listed at the end of this Base Prospectus relating to the Programme of the Notes of the Issuer. The Fiscal Agent, the Principal Paying Agent and the Registration Agent act solely as agents of the Issuer and the Calculation Agent(s) act(s) as independent experts(s) and, in each case, does not assume any obligation or relationship of agency for any Noteholder or Couponholder. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, the Principal Paying Agent, the Registration Agent or the Calculation Agent and to appoint another Fiscal Agent, Paying Agent(s), Registration Agent(s) or Calculation Agent(s) or additional Paying Agent(s), Registration Agent(s) or Calculation Agent(s), provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) one or more Calculation Agent(s) where the Conditions so require, (iii) a Paying Agent having specified offices in at least two major European cities and ensuring the financial servicing of the Notes free of charge to the Noteholders, so long as the Notes are admitted to trading on Euronext Paris and, so long as the Notes are admitted to trading on any other Regulated Market, in such other city where the Notes are admitted to trading, (iv) in the case of Dematerialised Notes in fully registered form, a Registration Agent, and (v) such other agents as may be required by the rules of any other Regulated Market on which the Notes may be admitted to trading.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Materialised Notes denominated in U.S. dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders in accordance with Condition 13.

(f) Talons

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Materialised Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 9).

(g) Business Days for Payment

If any date for payment in respect of any Note, Receipt or Coupon is not a Business Day, the Noteholder shall not be entitled to payment until the next following Business Day (the ***Adjusted Payment Date***), nor to any interest or other sum in respect of such postponed payment. In this paragraph, ***Business Day*** means a day (other than a Saturday or a Sunday) (A) (i) in the case of Dematerialised Notes, on which Euroclear France is open for business or (ii) in the case of Materialised Notes, on which banks and foreign exchange markets are open for business in the relevant place of presentation, (B) in such jurisdictions as shall be specified as ***Financial Centre(s)*** in the relevant Final Terms, and (C) (i) in the case of a payment in a currency other than Euro, where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency or (ii) in the case of a payment in Euro, which is a T2 Business Day.

(h) Bank

For the purpose of this Condition 7, ***Bank*** means a bank in Paris and the principal financial centre of the relevant currency or, in the case of Euro, in a city in which banks have access to the T2 System.

All payments of principal, interest and other revenues by or on behalf of the Issuer in respect of the Notes, Receipts or Coupons shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within any jurisdiction or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

(b) No Additional Amounts

If any law should require that payments of principal, interest or other revenues in respect of any Note, Receipt or Coupon be subject to withholding or deduction in respect of any present or future taxes, duties, assessments or governmental charges of whatever nature, the Issuer will not be required to pay any additional amounts in respect of any such withholding or deduction.

9. Prescription

Claims against the Issuer for payment in respect of the Notes, Receipts and Coupons (which for this purpose shall not include Talons) shall be prescribed and become void unless made within

a period of ten (10) years (in the case of principal) or five (5) years (in the case of interest) from the appropriate Relevant Date in respect of them.

10. Meeting and voting provisions

In respect of meetings of, and votings by, the Noteholders, the following definitions shall apply:

In addition, no consent of the Noteholders shall be required in order to make any modifications or amendments to the Terms and Conditions as the Rate Determination Agent may deem necessary pursuant to Condition 5(c)(iii)(C)(z)(IV).

11. Replacement of Definitive Materialised Notes, Receipts, Coupons and Talons

If, in the case of any Materialised Notes, a Definitive Materialised Note, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and Regulated Market regulations, at the specified office of the Fiscal Agent or any Paying Agent as may from time to time be designated by the Issuer for this purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Definitive Materialised Note, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Definitive Materialised Notes, Receipts, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Materialised Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

12. Further Issues and Consolidation

(a) Further Issues

The Issuer may, from time to time, without the consent of the Noteholders, Receiptholders or Couponholders create and issue further Notes to be assimilated (*assimilées*) with the Notes, provided such Notes and the further Notes carry rights identical in all respects (or identical in all respects save for the principal amount thereof and the first payment of interest) and that the terms of such Notes provide for such assimilation, and references in these Conditions to **Notes** shall be construed accordingly.

(b) Consolidation

The Issuer, with the prior approval of the Fiscal Agent (which shall not be unreasonably withheld), may, from time to time, on any Interest Payment Date occurring on or after the Redenomination Date on giving not less than thirty (30) calendar days' prior notice to the Noteholders in accordance with Condition 13, without the consent of the Noteholders, Receiptholders or Couponholders, consolidate the Notes of one Series denominated in Euro with the Notes of one or more other Series issued by it, whether or not originally issued in one of the European national currencies or in Euro, provided such other Notes have been redenominated in Euro (if not originally denominated in Euro) and which otherwise have, in respect of all periods subsequent to such consolidation, the same terms and conditions as the Notes.

13. Notices

- (a) Notices to the holders of Dematerialised Notes in registered form (*au nominatif*) shall be valid if either (i) they are mailed to them at their respective addresses, in which case they will be deemed to have been given on the fourth (4th) weekday (being a day

other than a Saturday or a Sunday) after the mailing, or, at the option of the Issuer, (ii) they are published in a leading daily financial newspaper of general circulation within Europe, provided that, so long as such Notes are admitted to trading on any Regulated Market and the rules applicable to such Regulated Market so require, notices shall be valid if published in a daily financial newspaper with general circulation in the city/ies where the Regulated Market on which such Notes are admitted to trading is located, or as otherwise required by the rules applicable to that Regulated Market, as the case may be.

- (b) Notices to the holders of Materialised Notes and Dematerialised Notes in bearer form (*au porteur*) shall be valid if published in a daily leading financial newspaper of general circulation within Europe and so long as such Notes are admitted to trading on any Regulated Market and the applicable rules of that Regulated Market so require, in a leading daily financial newspaper with general circulation in the city/ies where the Regulated Market on which such Notes are admitted to trading is located, or as otherwise required by the rules applicable to that Regulated Market, as the case may be.
- (c) Notices required to be given to the holders of Dematerialised Notes (whether in registered or in bearer form) (*au nominatif* or *au porteur*) pursuant to these Conditions may be given by delivery of the relevant notice to Euroclear France, Euroclear, Clearstream and any other clearing system through which the Notes are for the time being cleared in substitution for the mailing and publication as required by Conditions 13(a), (b) and (d); provided that so long as such Notes are admitted to trading on any Regulated Market and notice shall also be published as otherwise required by the rules applicable to that Regulated Market, as the case may be.
- (d) If any such publication is not practicable, notice shall be validly given if published in a leading daily financial newspaper with general circulation within Europe, provided that, so long as such Notes are admitted to trading on any Regulated Market, notice shall be published as otherwise required by the rules applicable to that Regulated Market, as the case may be. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the date of the first publication as provided above. Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Materialised Notes in accordance with this Condition.

14. Governing Law and Jurisdiction

- (a) **Governing Law**

The Notes (and, where applicable, the Receipts, Coupons and Talons) are governed by, and shall be construed in accordance with, French law.

- (b) **Jurisdiction**

Any claim against the Issuer in connection with any Notes, Receipts, Coupons or Talons may be brought before any competent court within the jurisdiction of the court of appeal of Versailles.

15. TEMPORARY GLOBAL CERTIFICATES IN RESPECT OF MATERIALISED NOTES

The following description is only applicable to French Law Notes.

Temporary Global Certificates

A Temporary Global Certificate without interest coupons (a **Temporary Global Certificate**) will initially be issued in connection with each Tranche of Materialised Notes, and will be delivered on or prior to the issue date of the Tranche to a common depositary (the **Common Depositary**) for Euroclear Bank SA/NV (**Euroclear**) and to Clearstream Banking, S.A. (**Clearstream**). Upon the delivery of such Temporary Global Certificate to a Common Depositary, Euroclear and Clearstream will credit each subscriber with a nominal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid.

The Common Depositary may also credit with a nominal amount of Notes the accounts of subscribers with (if indicated in the relevant Final Terms) other International Central Securities Depositories (**ICSDs**) through direct or indirect accounts with Euroclear and Clearstream held by such other ICSDs. Conversely, a nominal amount of Notes that is initially deposited with any other ICSDs may similarly be credited to the accounts of subscribers with Euroclear, Clearstream, or other ICSDs.

Exchange

Each Temporary Global Certificate issued in respect of Materialised Notes will be exchangeable, free of charge to the holder, on or after its Exchange Date (as defined below):

- (i) if the relevant Final Terms indicate that such Temporary Global Certificate is issued in compliance with the C Rules or in a transaction to which TEFRA is not applicable (as to which, see section entitled "*General description of the Programme - Selling Restrictions*"), in whole, but not in part, for Definitive Materialised Notes; and
- (ii) otherwise, in whole but not in part, upon certification if required under U.S. Treasury regulation section 1.163-5(c)(2)(i)(D)(3) or any successor regulation issued under Code section 4701(b) containing rules identical to those applying under Code section 163(f)(2)(B) as to non-U.S. beneficial ownership for Definitive Materialised Notes.

While any Materialised Note is represented by a Temporary Global Certificate, any payment payable in respect of such Materialised Note prior to the Exchange Date (as defined below) will be made only to the extent that the certification described in (ii) above has been received by Euroclear and/or Clearstream, and Euroclear and/or Clearstream, as applicable, has given a like certification (based on the certification received) to the relevant Paying Agent. The holder of a Temporary Global Certificate will not be entitled to collect any payment due thereon on or after the Exchange Date unless, upon due certification as described above, exchange of the Temporary Global Certificate for an interest in Definitive Materialised Notes is improperly refused or withheld.

Delivery of Definitive Materialised Notes

On or after its Exchange Date, the holder of a Temporary Global Certificate may surrender such Temporary Global Certificate to, or to the order of, the Fiscal Agent. In exchange for any Temporary Global Certificate, the Issuer will deliver, or procure the delivery of, an equal aggregate nominal amount of duly executed and authenticated Definitive Materialised Notes. In this Base Prospectus, **Definitive Materialised Notes** means, in relation to any Temporary

Global Certificate, the Definitive Materialised Notes for which such Temporary Global Certificate may be exchanged (if appropriate, having attached to them all Coupons and Receipts in respect of interest or Instalment Amounts that have not already been paid in respect of the Temporary Global Certificate and a Talon). Definitive Materialised Notes will be securely printed in accordance with any applicable legal and stock exchange requirement.

Exchange Date

Exchange Date means, in relation to a Temporary Global Certificate in respect of any Materialised Notes, the day falling after the expiry of forty (40) calendar days after its issue date, provided that in the event any further Materialised Notes which are to be assimilated with such first mentioned Materialised Notes are issued prior to such day pursuant to Condition 12(a), the Exchange Date may, at the option of the Issuer, be postponed to the day falling after the expiry of forty (40) calendar days after the issue date of such further Materialised Notes.

In the case of Materialised Notes with an initial maturity of more than 365 calendar days (and that are not relying on the TEFRA C Rules), the Temporary Global Certificate shall bear the following legend:

ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES FEDERAL INCOME TAX LAWS INCLUDING THE LIMITATION PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE U.S. INTERNAL REVENUE CODE OF 1986, AS AMENDED.

(This form of Final Terms will only apply to the French Law Notes)

17. SUBSCRIPTION AND SALE

In the following section, the expression "Notes" will only include French Law Notes and the expression "Noteholders" includes any holder of French Law Note.

Subject to the terms and on the conditions contained in an amended and restated dealer agreement dated 16 July 2025, between the Issuer, the Arranger and the Dealer(s) (the **Dealer Agreement**), the Notes will be offered by the Issuer to the Dealer(s). The Notes may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer. The Notes may also be sold by the Issuer through the Dealer(s), acting as agents of the Issuer. The Dealer Agreement also provides for Notes to be issued in syndicated Tranches that are jointly and severally underwritten by two or more Dealers.

The Issuer will pay each relevant Dealer a commission as agreed between them in respect of Notes subscribed by such Dealer. The Issuer has agreed to reimburse the Arranger for its expenses incurred in connection with the Programme and the Dealers for certain of their activities in connection with the Programme.

The Issuer has agreed to indemnify the Dealer(s) against certain liabilities in connection with the offer and sale of the Notes. The Dealer Agreement entitles the Dealer(s) to terminate any agreement that they make to subscribe for Notes in certain circumstances prior to payment for such Notes being made to the Issuer.

General

These selling restrictions may be modified by the Dealer Agreement and the Dealer(s) in particular following a change in a relevant law, regulation or directive. Any such modification will be set out in a supplement to this Base Prospectus.

Pursuant to the Dealer Agreement, each Dealer has represented and agreed that it will, to the best of its knowledge, comply with all relevant laws, regulations and directives in each jurisdiction in which it purchases, offers, sells or delivers Notes or has in its possession or distributes the Base Prospectus, any other offering material or any Final Terms and neither the Issuer nor any other Dealer shall have responsibility therefore.

European Economic Area

If the Final Terms in respect of any Notes specify "*Prohibition of Sales to EEA Retail Investors*" as "*Not Applicable*", each of the Dealer(s) has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not made and will not make an offer of Notes which are the subject of the offering contemplated by the Base Prospectus, as completed by the Final Terms in relation thereto, to the public in a Member State of the EEA except that it may make an offer of such Notes to the public in that Member State of the EEA:

- (a) at any time to any legal entity which is a qualified investor as defined in the Prospectus Regulation;
- (b) at any time to fewer than one hundred and fifty (150), natural or legal persons (other than qualified investors as defined in the Prospectus Regulation) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or

- (c) at any time in any other circumstances falling within Article 1(4) of the Prospectus Regulation,

provided that no such offer of Notes referred to in (a) to (c) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Regulation or supplement a prospectus pursuant to Article 23 of the Prospectus Regulation.

For the purposes of this provision, expressions (i) *offer of Notes to the public* in relation to any Notes in any Member State of the EEA means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe for the Notes and (ii) *Prospectus Regulation* means Regulation (EU) 2017/1129 of the European Parliament and of the Council dated 14 June 2017 on the prospectus to be published when securities are offered to the public or admitted to trading, as amended.

This EEA selling restriction is in addition to any other selling restrictions set out above or below.

Prohibition of Sales to EEA Retail Investors

Unless the Final Terms in respect of any Notes specifies the "*Prohibition of Sales to EEA Retail Investors*" as "*Not Applicable*", each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered, sold or otherwise made available and will not offer, sell or otherwise make available any Notes which are the subject of the offering contemplated by this Base Prospectus as completed by the Final Terms in relation thereto to any retail investor in the European Economic Area. For the purposes of this provision:

- (a) the expression *retail investor* means a person who is one (or more) of the following:
- (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; or
 - (ii) a customer within the meaning of the Insurance Distribution Directive, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or
 - (iii) not a qualified investor as defined in the Prospectus Regulation; and
- (b) the expression an *offer* includes the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes.

United States of America

The Notes have not been and will not be registered under the Securities Act of 1933, as amended (the *Securities Act*), or the securities laws of any State or jurisdiction of the United States and may not be offered or sold, directly or indirectly, within the United States or to, or for the account or benefit of, U.S. persons except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. The Notes are being offered and sold outside the United States to non-U.S. persons in reliance on Regulation S under the Securities Act (*Regulation S*). Terms used in this paragraph have the meanings given to them by Regulation S.

Materialised Notes having a maturity of more than one year are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code and regulations thereunder.

The Dealer(s) has represented and agreed and each further Dealer appointed under the Programme will be required to represent and agree that, except as permitted by the Dealer Agreement, it will not offer, sell or deliver the Notes (other than Permanently Restricted Notes), (i) as part of their distribution at any time and (ii) otherwise until forty (40) calendar days after the later of the commencement of the offering or the closing date, within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each dealer to which it sells the Notes a confirmation or other notice setting forth the restrictions on offers and sales of Notes during the distribution compliance period, as defined in Regulation S under the Securities Act, within the United States or to, or for the account or benefit of, U.S. persons and that it will not at any time offer, sell or deliver Permanently Restricted Notes, or any interest therein, within the United States or to, or for the benefit or account of, U.S. persons, and it will have sent to each Dealer or Dealer to which it sells Notes during the distribution compliance period a confirmation or any other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons.
