

INFORMATION ABOUT THE CONSOLIDATION SCOPE AND SIGNIFICANT EQUITY INVESTMENTS AT 31 DECEMBER 2017

The regulation of the French Authority of Accounting standards n°2016-09 of December 2nd, 2016 imposes to the companies establishing their consolidated accounts according to the International Financial & Reporting Standards such as adopted by the European Union, the publication of information relative to companies included in their consolidation scope, to companies not included in this scope, as well as to equity investments presenting a significant character.

1 - Entities included in the consolidation scope

The consolidation scope includes subsidiaries and structured entities under the Group's exclusive control, joint arrangements (joint ventures and joint operations) and associates whose financial statements are significant relative to the Group's consolidated financial statements, notably regarding Group consolidated total assets and gross operating income.

at 31st December 2017

* FULL: Full consolidation - JO : Joint Operation - EJV: Equity (Joint Venture) - ESI: Equity (significant influence) - EFS: Equity For Simplification (Entities controlled by the Group that are consolidated using the equity method for simplification because are not significant).

(1) Branches

(2) Newly consolidated in 2017

(3) Including 96 funds

(4) Wind up in process

2 - Companies not included in the consolidation scope

Subsidiaries, partnerships and associated companies whose financial statements are not significant regarding the Group's consolidated financial statements, notably regarding Group consolidated total assets and gross operating income, are not included in the consolidation scope.

The list of companies not included in the consolidation scope is presented below, with the exception of those, in restricted number, for whom the publication of this information could harm them. The same goes for certain entities where group voting interest is not published.
