IG.3.1	Other definitions deemed relevant	Covered bond issuer ratings
		The rating agencies' methodologies ususally take the senior unsecured rating of a covered bond issuer's
		parent company as a starting point for their assessment of the credit risk of covered bonds.
		However, instead of refering to the parent company rating, some rating agencies may issue a "covered bond
		issuer rating" which is an assessment of the credit quality of a CB issuer's credit quality on an unsecured
		basis. Generally, a "covered bond issuer rating" is the same as the senior unsecured rating of the CB
		issuer's parent company although it may be different in some specific cases.
		If no "CB issuer rating" has been granted to the CB issuer, "NA" is be indicated.
DHG.3.1		Core Tier 1 ratio (%)
		Core Tier 1 is the Common Equity Tier 1 ratio - CET1 calculated for Bale 2,5
		Covered bond issuer
		Covered bonds and cover pool
DHG.3.2		Guaranteed loans or mortgage promissory notes :
		The eligible assets, fully composed of French Home Loans 100% guaranteed by Credit Logement, are transfered into the cover pool using
		guaranteed loans (i.e. collateral directive framework). The outstanding amount of the eligible assets pledged as
		collateral of the loans are indicated instead of the amount of the guaranteed loans.
		The nominal outstanding amount of the eligible assets is booked in Off-Balance Sheet as guarantee received.
)HG.3.3		Substitute assets :
0.0.0		Are reported the amount of substitute assets as defined by the French Law (Articles L515-17 and R515-7
		of Code Monétaire et Financier). For SG SFH the subtitute assets are composed of cash and deposits to its
		parent company. The outstanding amount is booked in Assets - Balance Sheet as amounts due from credit
		institution. These substitute assets are included in the calculation of the legal coverage ratio but not taken into
		account in the nominal rating agencies overcollateralisation ratio.
DHG.3.4		Accounting assets not included in the cover pool:
		Are not included in the cover pool the guaranteed loans (replaced by the eligible assets pledged as collateral)
		and the prepayments and accrued income on derivatives.
DHG.3.5		"Of which assets eligible to CB repo-operations" :
		The outstanding amount of eligible assets including replacement assets shall be filled in.
		If the eligible assets are transferred into the cover pool using guaranteed loans (i.e. collateral directive
		framework) or mortgage promissory notes, the outstanding amount of the eligible assets pledged as
		collateral of the notes or loans should be indicated instead of the amount of the guaranteed loans.
		The eligibility criteria to central bank repo-operations include the exceptional measures accepted by the
		ECB in February 2012 and presently in use with the French NCB.

The Site is intended to provide you with certain information from Issuers regarding the self-certification of their Products as labelled covered bonds. The requirements of the Covered Bond Label Convention are intended to increase transparency, improve investor access to information, and improve liquidity in covered bonds, but they are not a substitute in any way for each User's independent investment and credit evaluation. The Product Information on this Site is provided for your convenience only, and does not constitute any form of credit rating, an offer to sell (or the solicitation of an offer to purchase) any Product, nor does it constitute a recommendation, or investment advice (or any other type of advice) upon which reliance should be placed.

Completion of the relevant self-certification automated process by the Issuer will lead to the grant of the Covered Bond Label. The grant of such label is entirely within the control of the relevant Issuer, and we do not independently verify whether such Issuer complies with the relevant criteria. The existence of a Covered Bond Label does not represent any opinion by us about the creditworthiness of a Product, the value or price of a Product, the appropriateness of a Product's terms, or the Product's future investment performance. Nothing contained on this Site is intended to predict or project future performance.

We make no representation that the Products which are featured on the Site are suitable for you and we disclaim all liability and responsibility arising from any reliance placed on any Product Information or on the Covered Bond Label by any visitor to the Site, or by anyone who may be informed of any of its contents.
