SECOND QUARTER AND FIRST HALF 2008 RESULTS
Disclaimer

The following presentation contains a number of forward-looking statements relating to Société Générale’s targets and strategy. These forecasts are based on a series of assumptions, both general and specific. As a result, there is a risk that these projections will not be met. Readers are therefore advised not to rely on these figures more than is justified as the Group’s future results are liable to be affected by a number of factors and may therefore differ from current estimates. Readers should take into account elements of uncertainty and risk when basing their investment decisions on information provided in this presentation. Neither Société Générale nor its representatives shall have any liability whatsoever for any loss arising from any use of this presentation or its contents or otherwise arising in connection with this presentation or any other information or material discussed.

The Group’s consolidated financial statements were examined by the Board of Directors on August 4th 2008.

The quarterly results at March 31st 2007, June 30th 2007, September 30th 2007 and December 31st 2007, presented for comparative purposes, have been adjusted to restate the accounting consequences of the fictitious operations recorded in 2007 and 2008 on unauthorised and concealed market activities discovered in January 2008. This information is presented in the Supplementary Data, pages 6 to 8. However, in order to provide more relevant information on the Group’s performance, the figures in this document correspond to reported historic data. The comments are also based on these reported historic data. The consolidated financial statements for the first half of 2008 and comparative data for the first half of 2007 (reported and restated) are reviewed by the Statutory Auditors. The Basel II data in this presentation were not audited by the Statutory Auditors.

The figures provided for the six months ending June 30th, 2008 have been prepared in accordance with IFRS (International Financial Reporting Standards) adopted by the European Union at June 30th, 2008. In particular, the Group’s summarised interim consolidated financial statements have been drawn up and are presented in accordance with IAS 34 “Interim Financial Reporting”.

Unless otherwise specified, the sources for the business rankings are internal.
