The Board of Directors collectively represents all shareholders and acts in the corporate interest of Societe Generale (the "Company"), taking into consideration the social and environmental stakes of its activity. Each Director, regardless of the manner in which he/she was appointed, must act in the Company's corporate interest in all circumstances.

Societe Generale applies the AFEP-MEDEF corporate governance code for listed companies.

As a credit institution listed on a regulated market, Societe Generale is subject to the provisions of the regulations, directives and other European texts applicable to the banking and financial sectors, the French Commercial Code ("*code de commerce*"), the French Monetary and Financial Code ("*code monétaire et financier*") and the recommendations or guidelines of the European Banking Authority (the "EBA") included in national law, the French Prudential Supervisory and Resolution Authority ("*Autorité de Contrôle Prudentiel et de Résolution*" / "ACPR") and the *Autorité des Marchés Financiers* (the "AMF").

When preparing for the meeting, the Chairman of the Board of Directors may hear the heads of the control functions.

11.5. Holding of meetings

In accordance with Article 11 of the By-laws, board meetings are chaired by the Chairman of the Board of Directors or, in his absence, by a Director designated for this purpose at the beginning of the meeting.

At the beginning of the meeting, the Chairman of the meeting:

- mentions, where applicable, the name of the Director in charge of introducing a matter listed on the agenda;
- systematically indicates the nature of the conclusion after each item on the agenda is considered (for debate, guidance, or decision); and
- in the event of a request for approval by the Board of Directors, indicates whether a formal vote is required.

For each item on the agenda, the Chairman allows each Director sufficient time to express his/her opinion in accordance with the time allotted in the agenda.

In accordance with Article 11 of the By-laws, resolutions are adopted by a majority vote of the Directors present or represented. In the event of a tied vote, the Chairman holds the casting vote.

11.6. Minutes

Each of the deliberations of the Board of Directors is reported in minutes drawn up by the Secretary to the Board of Directors. The minutes include a summary of the discussions and deliberations. They mention the questions raised or the reservations expressed by the participants, grouping them together by theme if possible. They specify the orientations or decisions adopted by the Board of Directors.

Each set of minutes of the Board of Directors is approved at a subsequent meeting of the Board of Directors.

The minutes are later transcribed in a special register pursuant to legislation in force.

11.7. Statement of requests from the Board of Directors

When the Board of Directors makes requests, they are formalised in a document that contains an expected response date and, where applicable, the BU(s) or SU(s) concerned by each request.

This document is regularly updated and sent to the Board of Directors at each of its meetings.

It compiles the previous requests that have not yet received a response and mentions the requests that have received a response, indicating the date of said response.

Article 12 : Executive session

The Directors meet at least twice a year to conduct an executive session, with the exception of Chief Executive Officers and Directors who have employee status.

The Chairman assesses whether the Chief Executive Officer can be requested to participate in all or part of an executive session, in view of the topic(s) addressed.

It is also the Chairman's role to assess, in view of the topics addressed, whether Directors with employee status may be convened to an executive session for all or part of this session, notably if the performances of the Chairman of the Board of Directors and the Chief Executive Officers are being assessed at this meeting.

This meeting is convened and chaired by the Chairman of the Board of Directors if he has the status of independent director, failing which it is convened and chaired by the lead Director.

The meeting includes an agenda decided by the Chairman, who allows time to address various matters raised at the Directors' initiative.

Article 13 : Seminar

13.1. The Board of Directors meets at least once a year during a seminar to conduct working sessions which may be held either on the Company premises or outside such premises. In addition to the members of the Board of Directors, the General Management, the Head of Strategy and the Chief Financial Officer participate in the seminar. The heads of the BUs and SUs attend, where appropriate.

13.2. The purpose of the seminar is notably to review the banking environment, the Group's main businesses and its competitive environment. Where applicable, a summary of the orientations focuses is drawn up and submitted for approval at the next Board meeting.

Article 14 : Information provided to the Board of Directors

14.1. Resources

The Chairman or the Chief Executive Officer shall provide each Director and non-voting Director with all the information and documents necessary for the performance of their duties; each Director is provided with computer equipment to facilitate access to them. All protective measures deemed necessary are taken to preserve the confidentiality, integrity and availability of information, and each member of the Board of Directors or any person who has received the documentation is responsible not only for the resources and materials thus made available to them but also for their access.

14.2. Information received

Effective Senior Managers shall inform the Board of Directors of all significant risks, risk management policies and changes made to them.

Meetings of the Board of Directors and the Committees are preceded by the online publication or availability in a timely manner of a file on the agenda items that require special analysis and prior thought whenever confidentiality considerations so permit.

Between meetings, Directors also receive all useful information, including critical information, about events or transactions significant for the Company. Notably, they receive press releases issued by the Company.

14.3. Information requested

In order to contribute effectively to the meetings of the Board of Directors and to enable the latter to make an informed decision, each Director may request the Chairman or the Chief Executive Officer to supply all documents and information necessary for the performance of their missions when said documents and information are pertinent to decision-making and related to the powers of the Board of Directors.

Requests are sent to the Chairman, who directly relays them either to the Chief Executive Officer or through the Secretary to the Board of Directors.

When the Chief Executive Officer considers it preferable for confidentiality reasons, the said documents made available to the Director and to any person attending the meetings of the Board of Directors are consulted in the presence of the Secretary to the Board of Directors or of the relevant Group employee.

Article 15: Training of Directors

15.1 Training of all Directors

The Company devotes the necessary human and financial resources to the training of the Directors, particularly in the banking and financial fields. Annual training is provided by the Company during which the members of the Board of Directors meet the managers who deal with the topics presented. The seminars mentioned in Article 13 are also an opportunity to supplement the Directors' training, particularly on subjects relating to changes in the environment of the Group's activity.

Two types of training sessions are held each year:

- training related to the specifics of the bank's businesses, the regulations applicable to them (banking, prudential and financial); and
- training relating to risks, including emerging risks.

Several training sessions are held each year, with a number of hours adapted to the Directors' needs and with a minimum of five two-hour sessions.

Each Director may, upon being appointed and throughout his/her term of office, receive training on areas he/she deems necessary for the performance of the corporate officer position. He/she submits his/her request to the Secretary to the Board of Directors.

These training sessions are organised by the Company or by third parties, the cost of which is borne by the Company.

15.2 Training of employee Directors

Training enables Directors to acquire and enhance knowledge and techniques necessary to perform their corporate officer position.

It focuses on the role and functioning of the Board of Directors, the rights and duties of the Directors and their responsibilities, and the organisation and activities of the Company.

Employee Directors receive 40 hours of training per year (which includes the training time dedicated to the entire Board of Directors).

The time spent on training is deducted from actual working time and remunerated as such on the scheduled payment date.

The Secretary to the Board of Directors reports on the following matters for approval of the Board of Directors during the first half of the year of the beginning of the term of office of each of the employee Directors:

- the content of the training programme after obtaining the opinion of the employee Director; and
- the entities in charge of providing the training.

At the end of the training session, the training centre selected by the Board of Directors must issue a certificate of attendance which the employee Director must deliver to the Secretary to the Board of Directors.

Article 16: Annual assessment

The Board of Directors performs an annual review of its functioning by way of an assessment. As part of this process, an annual assessment of each of the Directors is also carried out.

This assessment is performed every three years by a specialised external consultant.

In other years, the assessment process is based on:

- individual interviews with the Chairman of the Board of Directors and the Chairman of the Nomination and Corporate Governance Committee; and
- questionnaires prepared by the Nomination and Corporate Governance Committee

The Board discusses the views and opinions expressed in the review. It draws conclusions from the responses given to improve the conditions under which it prepares and organises its work and that of its Committees.

The findings of the review are made public in the assessment section of the corporate governance report.

Article 17 : The Committees of the Board of Directors

17.1. In certain areas, the Board of Directors' deliberations are prepared by specialised Committees composed of Directors appointed by the Board of Directors, which assess the topics within their missions and submit their opinions and recommendations to the Board of Directors. The Committees do not have decision-making power apart from the Audit and Internal Control Committee in respect of : on the one hand, the selection of Statutory Auditors for the mission of certifying the accounts and the selection of the Statutory Auditors and/or an independent third-party body for the certification of sustainability information and, on the other hand, the approvals of the services other than the certification of the accounts for each of the Statutory Auditors and of the services other than the certification of sustainability information for each of the Sustainability Auditors. Each file submitted mentions the nature of the decision to be taken by the Board of Directors.

17.2. These Committees are comprised of members of the Board of Directors who do not hold an executive function within the Company and who have suitable knowledge to perform the missions of the Committee in which they participate.

17.3. The Chairman of the Nomination and Corporate Governance Committee is appointed by the Board of Directors.

The Chairpersons of the other Committees are appointed by the Board of Directors on the recommendation of the Nomination and Corporate Governance Committee.

All Committee Chairpersons are appointed from among the independent Directors.

17.4. These Committees may decide, where appropriate, to involve other Directors without voting rights in their meetings.

17.5. They have the necessary resources to carry out their missions and act under the responsibility of the Board of Directors.

17.6. In the exercise of their respective powers, they may request any relevant information, hear the Chief Executive Officer, the Deputy Chief Executive Officers and the Group's management executives and, after informing the Chairman, request the performance of external technical studies, at the Company's expense. They subsequently report on the information obtained and the opinions collected.

17.7. Each Committee defines its annual work programme which is approved by the Chairman of the Committee. The frequency and duration of Committee meetings must be such that they enable an in-depth review and discussion of each of the topics or dashboards falling within the competence of the Committees. The agendas and the duration devoted to each topic must receive prior approval from the Chairman. The agendas systematically indicate the nature of the conclusions expected from the Board of Directors (for debate, guidance or decision);

17.8. As for meetings of the Board of Directors, the timetable and agenda of committee meetings are set by the Chairman of the Committee by 1 January at the latest, save in exceptional circumstances, with the ability to add meetings and items to the agenda of the meetings as necessary. The minimum number of meetings for each of the Committees is specified in their respective charters.

17.9. Four standing Committees exist:

- the Audit and Internal Control Committee;
- the Risk Committee;
- the Compensation Committee,
- the Nomination and Corporate Governance Committee.

The Risk Committee also sits as the US Risk Committee. A dedicated Charter appended to these Internal Rules defines its purpose, composition, organisation and operation. The Chairman of the Risk Committee reports on its work to the Board of Directors, which validates it.

17.10. By decision of the Chairpersons of the Committees concerned, joint meetings between the Committees may be organised on topics of common interest. These meetings are co-chaired by the Committee Chairpersons.

17.11. The Board may create one or more ad hoc committees.

17.12. The Risk Committee, the Compensation Committee and the Nomination and Corporate Governance Committee may perform their missions for Group companies on a consolidated or sub-consolidated basis.

17.13. The secretarial services of each Committee are provided by the Secretary to the Board of Directors or a person appointed by the Secretary to the Board of Directors.

The Secretary of the Committee shall prepare the minutes of the meetings, which are filed in the archives specific to each Committee.

17.14. The Chairman of each Committee drafts a detailed report for the Board of Directors, stating the topics examined by the Committee, the questions discussed, and the recommendations made for the purposes of the decisions of the Board of Directors. A written record on the Committees' work is made available to the members of the Board of Directors.

Each Committee shall submit its opinion to the Board of Directors on the part of the Universal Registration Document dealing with the issues falling within its scope of activity and prepare an annual activity report for the Board of Directors' approval, to be inserted in the Universal Registration Document.

17.15. The missions, composition, organisation and functioning of each Committee are defined by a dedicated charter. These charters are appended hereto. The topics that may be dealt with jointly by the Risk Committee and the Audit and Internal Control Committee are indicated by an asterisk (*).

Article 18: Directors' compensation

18.1. The global amount of the Directors' compensation is set by the General Meeting. The Board of Directors may decide to only partially allocate it. It may decide to allocate a budget for specific missions or temporary workload increases for some members of the Board of Directors or of the Committees.

18.2. The Chairman and the Chief Executive Officer, when he/she is also a Director do not receive this compensation.

18.3. The amount of allocated compensation is reduced by a sum equal to EUR 160,000 to be distributed between the members of the Risk Committee and the Chairman of the Audit and Internal Control Committee sitting as the US Risk Committee. This amount is distributed in equal portions, except for the Chairman of the Risk Committee, who receives two portions.

The balance is then reduced by a lump sum of EUR 130,000 which is distributed between the Chairman of the Audit and Internal Control Committee and the Chairman of the Risk Committee.

18.4. The balance is divided into two portions: 50% fixed and 50% variable. The number of fixed portions per Director is 6. Additional fixed units are allocated as follows:

- The Chairman of the Audit and Internal Control Committee or of the Risk Committee: 4 portions;
- The Chairman of the Nomination and Corporate Governance Committee or of the Compensation Committee: 3 portions;
- Member of the Nomination and Corporate Governance Committee or of the Compensation Committee: 0.5 portions;
- Member of the Audit and Internal Control Committee or of the Risk Committee: 1 portion.

Fixed portions may be reduced in proportion to actual attendance when the attendance rate over the year falls below 80%.

18.5. The variable portion of the compensation is divided at the end of the year in proportion to the number of meetings or working meetings of the Board of Directors and of each of the Committees attended by each Director.

Executive sessions, work seminars and training sessions are not counted as meetings of the Board of Directors and do not give rise to any specific compensation.

Article 19: Personally-owned shares

Each Director appointed by the General Meeting (whether in his/her own name or as a permanent representative of a legal entity) must hold at least 2,000 Societe Generale shares. Each Director has a six month timeframe to hold the 600 shares provided for by the By-laws, followed by an additional six month timeframe to increase his/her holding to at least 1,000 shares. Later, the number of shares held by each Director must rise to 2,000 before the end of the month of February of the year his/her term of office expires. The Director representing employee shareholders appointed pursuant to Article L. 225-23 of the French Commercial Code is not bound by the terms of the present paragraph. In the event that a Director is co-opted, the duty to acquire 600 and subsequently 1,000 shares applies from the starting date of the co-optation without, however, this holding having to be increased to 2,000 shares at the date of the General Meeting of Shareholders convened to ratify said Director's appointment.

The Board of Directors sets a minimum number of shares that the Chief Executive Officers must hold in registered form until the end of their functions. This decision shall be reviewed at least each time their term of office is renewed. Until this shareholding objective is achieved, the Chief Executive Officers use for this purpose a portion of the exercise of options or performance share awards as determined by the Board of Directors. This information is included in the corporate governance report.

Each corporate officer is prohibited from hedging his/her shares.

Article 20: Directors' expenses

20.1 Directors' travel, accommodation, meals and mission expenses pertaining to the meetings of the Board of Directors, the Committees of the Board of Directors, the General Meeting of Shareholders or any other meetings related to the work of the Board of Directors or the Committees, are borne or reimbursed by Societe Generale upon delivery of receipts.

At least once a year, the Nomination and Corporate Governance Committee reviews the statement of Directors' expenses in respect of the previous year and issues proposals or recommendations where necessary.

20.2 Regarding the Chairman's expenses, the Company also bears the cost of expenses necessary for the performance of his/her tasks.

20.3 The Secretary to the Board of Directors receives and verifies the relevant supporting documents and ensures that the amounts due are paid for or reimbursed.

Article 21: Non-voting Director

The non-voting Director attends meetings, executive sessions and seminars of the Board of Directors and may participate in the meetings of the specialised committees in an advisory capacity.

One of his tasks is to assist the Board of Directors on social and environmental responsibility and, more specifically, on energy transition. In addition to his role in defining strategy in this area, he assists all Committee meetings dealing with social and environmental responsibility topics.

He is subject to the same rules of ethics, confidentiality, conflicts of interest and professional conduct ("*déontologie*") as the Directors.

The compensation of the non-voting Director is set by the Board of Directors upon the proposal from the Compensation Committee. It is equal to the average compensation paid to Directors pursuant to Article 18 of the Internal Rules after deducting the amount allocated under the US Risk Committee and with the exception of the compensation paid to Committee Chairpersons. Said compensation

takes into account his attendance. His expenses may be reimbursed under the same conditions as those applying to the Directors.
