

## Alain Bozzi

### Head of Internal Control Coordination

Alain Bozzi has been working within Societe Generale group since the beginning of his professional career. After various operational functions within Societe Generale Retail Banking in France, he joined the Asset & Liability Management department at Group level. He then took up different positions within Fimat, the derivative products brokerage arm of the Group. In 2007, he became Chief Operating Officer for Fixed Income, Commodities and Forex activities in Societe Generale Corporate and Investment Banking. At the end of 2009, he joined the Compliance division of the General Secretary. In 2013, he was named Deputy Head of Group Compliance and, in September 2017, Head of Group Internal Control Coordination.
