

APPOINTMENT WITHIN SOCIETE GENERALE

Press release

Paris, 11 March 2024

Christophe Tummers is appointed **Group Chief Data Officer**, as of April 1st 2024.

Data is at the heart of the transformation of financial services and a key element of Societe Generale's strategy. Reporting to Laura Mather, Group Chief Operating Officer, **Christophe will be responsible for the Global Data Office.**

Christophe is a seasoned data professional with close to 30 years of experience in the financial industry. He joins Societe Generale from UBS, where he was a Managing Director and most recently held the positions of Group Chief Data Officer (Group CDO) and then CDO for ESG.

Biography of Christophe Tummers

Christophe has a computer engineering degree and a passion for data excellence.

Christophe was a managing director at UBS where he held various senior positions, including the Group CDO and the CDO for ESG roles.

Christophe established the group CDO function and the group data management office, and led the remediation of the firm's data architecture, governance and quality. He also held various senior roles in operations and technology, all at UBS.

As a long-standing board member of the *EDM council*, he contributed to the best-practice data management standards for the financial industry.

Christophe is a dual citizen of Switzerland and Belgium, and has lived and worked in multiple global cities, such as New York, Zurich, Singapore and London.

Societe Generale

Societe Generale is a top tier European Bank with more than 126,000 employees serving about 25 million clients in 65 countries across the world. We have been supporting the development of our economies for nearly 160 years, providing our corporate, institutional, and individual clients with a wide array of value-added advisory and financial solutions. Our long-lasting and trusted relationships with the clients, our cutting-edge expertise, our unique innovation, our ESG capabilities and leading franchises are part of our DNA and serve our most essential objective - to deliver sustainable value creation for all our stakeholders.

The Group runs three complementary sets of businesses, embedding ESG offerings for all its clients:

- **French Retail, Private Banking and Insurance**, with leading retail bank SG and insurance franchise, premium private banking services, and the leading digital bank BoursoBank.
- **Global Banking and Investor Solutions**, a top tier wholesale bank offering tailored-made solutions with distinctive global leadership in equity derivatives, structured finance and ESG.
- **International Retail, Mobility & Leasing Services**, comprising well-established universal banks (in Czech Republic, Romania and several African countries), Ayvens (the new ALD I LeasePlan brand), a global player in sustainable mobility, as well as specialized financing activities.

Committed to building together with its clients a better and sustainable future, Societe Generale aims to be a leading partner in the environmental transition and sustainability overall. The Group is included in the principal socially responsible investment indices: DJSI (Europe), FTSE4Good (Global and Europe), Bloomberg Gender-Equality Index, Refinitiv Diversity and Inclusion Index, Euronext Vigeo (Europe and Eurozone), STOXX Global ESG Leaders indexes, and the MSCI Low Carbon Leaders Index (World and Europe).
