London, 9th August 2010

Societe Generale Cross Asset Research appoints Heads of Equity Research for Banks and Consumer goods sectors

Societe Generale Cross Asset Research has strengthened its Banks and Consumer Goods sector research with the following appointments:

Gert Van Rooyen joins as Head of the Equity Research Team covering banks. Based in London, Gert Van Rooyen reports to Fabrice Théveneau, Head of Sector Research.

Prior to joining Societe Generale, Gert Van Rooven was Head of the European Financials Team at UBS Global Asset Management in London from 2008. Gert brings with him a wealth of experience covering financials with a specific focus on the banking sector.

Ian Kellett joins as Head of Consumer Staples Research also covering the Luxury Goods sector. Based in London, Ian Kellett reports to Fabrice Théveneau, Head of Sector Research.

Ian was previously Head of the consumer goods research team at Dresdner Kleinwort, and more recently has been working with private equity institutions on food and beverage transactions.

These appointments further strengthen Societe Generale Cross Asset Research's capabilities in these key sectors.

Biographies

Gert Van Rooyen joins Societe Generale Cross Asset Research from UBS Global Asset Management in London. He worked as Co-Head of the European Financials Team, where he was responsible for broader European Coverage excluding the UK. Gert has over 10 years of experience in covering financials, specifically for banks between London and South Africa. He started his career in Arthur Andersen & Co in Johannesburg.

He has a degree in commerce and accountancy from the University of Pretoria and holds an accountant's qualification from the South African Institute of Chartered Accountants.

Ian Kellett

lan was previously Head of the consumer goods research team at Dresdner Kleinwort, and latterly has been working with private equity institutions on food and beverage transactions.

He has an extensive knowledge of the industry and a large experience in managing sector analysts resulting from his work at Dresdner Kleinwort, ABN Amro where he covered European Food and HPC stocks.

Prior to his experience in the brokerage universe, he started his career in the industry within GUS plc, RHM plc and Unigate plc as a manager.

Ian holds a BSc in Biochemistry from London University and is ACCA and FCCA qualified.
