SOCIETE GENERALE STATEMENT FOLLOWING THE UK REFERENDUM

After the decision of UK citizens to leave the European Union, a long period of negotiations will begin to redefine the future of the economic relationship between the UK and the European Union. Societe Generale will closely follow the progress of the discussions and their consequences in the short, medium and long term.

Nevertheless, operating from a dual hub in Paris and London, the Group will adapt in time to best serve its international, European and UK customers. London will remain a major international financial center, and Societe Generale will continue its development in the UK.
