Statutory auditors' attestation on the information communicated in connection with the requirements of Article L. 225-115 5° of the French Commercial Code relating to the total amount of payments made pursuant to sections 1 to 5 of Article 238 bis of the French General Tax Code for the year ended December 31, 2023

To the Annual General Meeting of Société Générale,

In our capacity as statutory auditors of your Company and in accordance with the requirements of Article L. 225-115 5° of the French Commercial Code (*Code de commerce*), we have prepared this attestation on the information relating to the total amount of payments made pursuant to sections 1 to 5 of Article 238 bis of the French General Tax Code (*Code général des impôts*) for the year ended December 31, 2023, contained in the attached document.

This information was prepared under your Board of Directors' responsibility. Our role is to attest this information.

In the context of our role as statutory auditors, we have audited your Company's annual financial statements for the year ended December 31, 2023. Our audit was conducted in accordance with professional standards applicable in France, and was planned and performed for the purpose of forming an opinion on the annual financial statements taken as a whole and not on any individual component of the financial statements used to determine the total amount of payments made pursuant to sections 1 to 5 of Article 238 bis of the French General Tax Code. Accordingly, our audit tests and sampling were not carried out with this objective and we do not express any opinion on any components of the financial statements taken individually.

We performed those procedures which we considered necessary to comply with the professional guidance issued by the French Institute of Statutory Auditors (*Compagnie nationale des commissaires aux comptes*) relating to this type of engagement. These procedures, which constitute neither an audit nor a review, consisted in performing the necessary reconciliations between the total amount of payments made pursuant to sections 1 to 5 of Article 238 bis of the French General Tax Code and the source accounting records and verifying that such amount is consistent with the data used to prepare the annual financial statements for the year ended December 31, 2023.

On the basis of our work, we have no matters to report on the consistency of the total amount of payments made pursuant to sections 1 to 5 of Article 238 bis of the French General Tax Code contained in the attached document, and amounting to € 19 892 031, with the accounting records used to prepare the annual financial statements for the year ended December 31, 2023.

This attestation constitute certification as accurate of the total amount of payments made pursuant to sections 1 to 5 of Article 238 bis of the French General Tax Code, within the meaning of Article L. 225-115 5° of the French Commercial Code.

This attestation has been prepared solely for your attention within the context described above and may not be used, distributed or referred to for any other purpose.
